Immediate Actions to be taken during FPCON DELTA:

1. Were FPCON “DELTA" signs posted appropriately on all entry/exit doors?
2. At regular intervals, brief personnel on the updated threat and inform/remind personnel of the effect of FPCON "DELTA" and the measures to be taken. Ensure personnel arriving for duty are briefed on the threat. Also, remind them to be alert for and to report suspicious activities, such as the presence of unfamiliar personnel and vehicles, suspicious parcels, and possible surveillance attempts.
3. Control facility access and implement positive identification of all personnel with no exceptions.
4. Was a 100% search of all suitcases, briefcases, packages, parcels and any other containers conducted prior to allowing entry into all facilities?
5. Were frequent checks of the exterior of all buildings and the surrounding parking areas being accomplished?
6. Were all administrative journeys and visits minimized to mission essential only?
7. Were all vehicles within operational or mission support areas identified?
