The Presidential Inn will be provided a listing of all 459 ARW BPA contracted hotels by the WLM to direct members in IDT status for their lodging requirements.

**3.3. Normally,** RMP lodging for a member outside of the IDT commuting distance should not be required since the commander can adjust the member's reporting/release time to ensure that the member is not required to travel between 0001-0600 hours and can be constructed home before 2400 hours. Commanders should utilize this flexibility to avoid unnecessary expenditure of funds. But, on those occasions where lodging for an RMP may be required, and the member must travel during the above stated hours, the unit may pay for the lodging with their lodging Government Purchase Card (GPC) O&M funds. The Form 40A that authorizes the RMP must indicate lodging is authorized when presenting it to the Presidential Inn. Travel and Per Diem are not authorized.
