This instruction implements Air Force Policy Directive 44-1, *Medical Operations.* This instruction describes the proper completion and submission pre and post operative refractive surgery forms. This instruction applies to all personnel assigned, attached or under contract to the 59th Medical Wing (MDW). This instruction does not apply to the Air National Guard or Air Force Reserve. This publication requires the collection and or maintenance of information protected by the Privacy Act of 1974 authorized by 10 U.S.C. 55, *Medical and Dental Care*, and E.O. 9397 (SSN). The applicable SORN F044 AF SG D, and Automated Medical/Dental Record System is available at: **http://dpclo.defense.gov/privacy/SORNs/SORNs.htm**. Refer recommended changes and questions about this publication to the Office of Primary Responsibility using the AF Form 847, *Recommendation for Change of Publication*. The authority to waive requirements is the publication approval authority. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) Air Force Manual (AFMAN) 33-363, *Management of Records*, and disposed of IAW Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS).
