59th Medical Wing Inspector General Complaints Resolution Program

Mr. Frank C. Hawley

The Inspector General (IG) Complaints Resolution Program is prescribed in DAFI 90-301.

Air Force military and civilian members have a duty to promptly report fraud, waste, abuse (FWA) or gross mismanagement; violations of law, policy, procedures, instructions, or regulations; an injustice; abuse of authority; misconduct; inappropriate conduct; and deficiencies, or like conditions, to the appropriate supervisor or commander, to an IG or other appropriate inspector, or through an established grievance channel.

You have a right to file an IG complaint at any level, but experience has shown that many complaints can be resolved through the chain of command. For this reason, although not required, you are encouraged to discuss your concerns with your chain of supervision and/or commander before coming to the IG.

If you wish to file an IG complaint, contact the 59 MDW/IGQ at:
