This mission directive implements guidance in AFI 38-101, *Manpower and Organization*. It delineates the mission, command relationships, and responsibilities of the 310th Space Wing. This mission directive applies to individuals assigned to HQ AFRC and subordinate units. It does not apply to Regular Air Force, Space Force. or Air National Guard units. Ensure that all records created as a result of processes prescribed in this publication are maintained IAW AFI 33-322, *Records Management and Information Governance Program,* and disposed of IAW the Air Force Records Information Management System Records Disposition Schedule. Contact supporting records managers as required. Refer recommended changes and questions about this publication to the OPR using DAF 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the appropriate functional chain of command. This publication may not be supplemented or further implemented/extended.

SUMMARY OF CHANGES

This publication has been substantially revised to update the purpose, mission, signature and references.

1. Mission. The 310th Space Wing provides optimized, scalable combat ready forces delivering space power for faster, more lethal, more accurate effects every day, everywhere. The unit provides a single command and control structure of geographically separated AFRC Space units. Provides oversight and execution of the AFRC support/mission augmentation within the Space Control and Global Space Mission Operations mission areas. The units support the National Oceanic and Atmospheric Administration within the Department of Commerce, United States Space Command and the Joint Force Space Component as well as other Combatant Commands by providing Global Space Mission Operations and Space Control capabilities.

2. Command. The 310 Space Wing Commander:

2.1. Reports to the Tenth Numbered Air Force Commander.

2.2. Exercises administrative control over assigned personnel.

3. Responsibilities.

3.1. Execute commander's responsibilities as outlined in AFI 1-2, *Commander's Responsibilities*.

3.2. Provides oversight and execution of the AFRC Space mission.

JOHN P. HEALY, Lt Gen, USAF
Commander
