This Mission Directive implements guidance in AFI 38-101, *Manpower and Organization*. It delineates the mission, command relationships, and responsibilities of the Aeromedical Evacuation Squadrons. This Mission Directive applies to individuals assigned to HQ AFRC. It does not apply to Regular Air Force, Space Force, or Air National Guard units. Ensure that all records created as a result of processes prescribed in this publication are maintained IAW AFI 33-322, *Records Management and Information Governance Program*, and disposed of IAW the Air Force Records Information Management System and Records Disposition Schedule. Contact supporting records managers as required. Refer recommended changes and questions about this publication to the OPR using DAF Form 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the appropriate functional chain of command. Submit requests for waivers through the chain of command to the publication OPR for non-tiered compliance items. This publication may not be supplemented or further implemented or extended.

SUMMARY OF CHANGES

This publication has been revised to update the purpose and references section.

1. Mission. The Aeromedical Evacuation Squadrons provides operational support in aeromedical evacuation operations to support the full spectrum of potential scenarios, including but not limited to, humanitarian assistance and disaster relief operations, small-scale contingencies, major theater war, and defense support of civilian authorities. The Aeromedical Evacuation Squadrons ensures

mission capability and force presentation to supported commands and combatant commanders, ensuring global patient movement capability in support of national military objectives.

2. Command. The Aeromedical Evacuation Squadrons Commander:

2.1. Reports to their assigned AFRC Operations Group.

2.2. Exercises administrative control over assigned force**s**.

3. Responsibilities.

3.1. Execute commander's responsibilities as outlined in AFI 1-2, *Commander's Responsibilities*.

3.2. Provides oversight and execution of the Aeromedical Evacuation mission.

JOHN P. HEALY, Lt Gen, USAF
Commander
