This Mission Directive implements guidance in AFI 38-101, *Manpower and Organization.* It delineates the mission, command relationships, and responsibilities of the 84th Test and Evaluation Squadron. This Mission Directive applies to individuals assigned to HQ AFRC. It does not apply to Regular Air Force, Space Force, or ANG units. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with IAW AFI 33-322, *Records Management and Information Governance Program*, and disposed of IAW the Air Force Records Information Management System and Records Disposition Schedule. Contact supporting records managers as required. Refer recommended changes and questions about this publication to the OPR using DAF Form 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the appropriate functional chain of command. Submit requests for waivers through the chain of command to the publication OPR for non-tiered compliance items. This publication may not be supplemented or further implemented or extended.

SUMMARY OF CHANGES

This document has been substantially revised and needs to be completely reviewed. Major changes include update to the purpose, mission, and attachment and references.

1. Mission: The 84th Test and Evaluation Squadron is responsible for the management of follow-on operational test and evaluation, tactics development and software management for all fighters and bombers in the Combat Air Forces inventory. Additionally, the squadron manages operational test and evaluation of weapons and support systems in order to improve current and future Air Force combat capabilities. Squadron personnel direct operational test planning and execution, as well as data gathering, analyzing, and reporting for conventional and non-conventional air and ground munitions, avionic subsystems, electronic warfare systems, chemical warfare defense systems, aircrew flight equipment, munitions and avionics support equipment, and automated mission planning systems. The 84th Test and Evaluation Squadron is a classic associate unit.

2. Command. The 84th Test and Evaluation Squadron Commander:

2.1. Reports to the 926th Operations Group Commander.

2.2. Exercises administrative control over assigned personnel.

3. Responsibilities.

3.1. Execute commander's responsibilities as outlined in AFI 1-2, *Commander's Responsibilities*.

3.2. Provides oversight and execution of the 84th Test and Evaluation Squadron mission.

JOHN P. HEALY, Lt Gen, USAF
Commander
