5. General Rules and Safety.

5.1. All federal, State of Ohio, and base rules and regulations apply. When more than one of these statutes addresses a common matter or issue, the more restrictive applies. 5.2. All personnel engaging in hunting or fishing, regardless of age, must satisfy State of Ohio licensing requirements.

5.3. Persons engaged in hunting and or fishing on WPAFB must have in their possession all Ohio and federal licenses, permits, and stamps as required by those agencies, in addition to the required base permits(s). Electronic copies are permissible.

5.4. Displaying WPAFB Hunting Vehicle Placard on dashboard or window of vehicle IS MANDATORY when hunting on WPAFB property.

5.5. Military members on leave status are exempt from the requirement to have a state of Ohio hunting license but must provide proof of leave status.

5.6. Individuals, vehicles, boats, guns, ammunition, credentials, fish, game, and personal property are subject to being checked and/or searched at any time by authorized federal, state, and military law enforcement personnel. Persons must provide identification, licenses, and permits as requested by authorized law enforcement and WPAFB NR's personnel.

5.12. The operation of any motor vehicle off maintained surfaces is prohibited.

5.13. Legal sunrise and sunset times are determined annually and published in the ODNR-DOW Hunting & Trapping Regulations.

5.14. Wearing of hunter orange requirements are specific to the game species being hunted. Archery deer hunters hunting deer on WPAFB property during the statewide deer gun season MUST follow ODNR-DOW hunter orange requirements.

5.15. No one may engage in any act that is purposefully designed to disturb other hunters or game being pursued by other hunters.

5.16. During Force Protection Condition DELTA, hunting is not permitted. During Force Protection Condition CHARLIE restrictions on hunting and fishing may apply but will be determined by the Installation Commander.

7. Small Game Hunting.

7.1. Small game hunting seasons are determined on an annual basis in conjunction with the season dates and bag limits set for by ODNR-DOW. **Attachment 4** will be updated annually and specifies what species can be hunted in what areas on base property.

7.2. Small game hunting hours vary by hunting area. Consult **Attachment 4** for specific hunting hours per hunting area.

8. Deer Hunting.

8.1. All deer hunters are required to have a state deer permit and state hunting license. 8.7. Driving of deer is prohibited in all areas of WPAFB regardless of the hunting method.

8.8. Archery deer hunting is restricted during certain hours within the boundaries of the posted Licensed Shooting Preserve in order to avoid conflicts with small game hunters and to allow multi-use of the area. Hours are established annually by the Natural Resources Working Group. Refer to **Attachment 4**.
