This instruction implements Department of the Air Force Policy Directive (DAFPD) 90-1, *Policy, Publications and DoD Issuance Management,* 15 July 2020. It establishes procedures for agencies not assigned to Westover Air Reserve Base (WARB) to obtain wing commander's approval for the use of base facilities. The program is called the Westover Sentry Program and this instruction assigns responsibilities to specific base agencies to support it. The program requires the solicitor to complete a *Base Use Request Sheet*, **Attachment 2**. This instruction applies to all base organizations involved in event support. Ensure all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, 23 March 2020 and disposed of IAW the Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS). Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the Air Force (AF) Form 847, *Recommendation for Change of Publication,* 22 September 2009; route AF Form 847 from the field through the appropriate functional's chain of command.

1. Overview. The Sentry Program describes the process by which agencies not assigned to WARB can request use of installation facilities/property for a single event. Requests for long-term presence of agencies not assigned to WARB, will not be addressed in this instruction as they must be approved by AFCEC/CI, through HQ AFRC/A8PB, IAW AFI 10-503, *Strategic Basing*, 14 October 2020. Sentry Events should have an expected outcome for their request - i.e. camp out, exercise, training, conference, nature etc. Use of on base services is mandatory (i.e. Catering,

Entertainment and Services/Equipment provided by Morale, Welfare and Recreation (MWR), at standard rates) to the point of exhaustion before off base services may be utilized. Off base catering services must be coordinated through to ensure an approved source is used and a Department of Defense (DD) Form 2975, *Temporary Food Event Coordinator's Application*, November 2013, is completed if necessary. Fund Raising and membership drive events will not be addressed under this instruction unless specifically approved by the Wing Commander. Those events will follow guidance in AFI 36-3101, *Fundraising*, 9 October 2018, and AFI 34-223, *Private Organizations Program*, 13 December 2018. All requests/events must not conflict with guidance prescribed in this instruction or Department of Defense Instruction (DoDI) O-2000.16V1_AFI10-245-O, *DoD Antiterrorism (AT) Program Implementation: DoD AT Standards*, 26 May 2020.

2. Approval Priority.

2.1. Military Events and Mission Requirements: Top priority.

2.1.1. WARB events may displace a pre-approved/coordinated event. The AW/SE will be notified immediately in writing.

2.2. Federal, state and local agencies: Favorable considerations.

2.3. Law Enforcement: Favorable considerations.

2.4. Outside agencies (non-profit, non-commercial): Considered on a case-by-case basis.

3.1. Requestor/Event Point of Contact (POC) will:

3.1.1. Represent an off-base federal/state/local agency or recognized organization.

3.1.2. Provide a Base Use Request Sheet with all information required, no later than (NLT) 30 days prior to the event start date via e-mail.

3.1.3. If approved:

3.1.3.1. Provide the following NLT two weeks prior to the event start date. Failure to provide required documentation and/or information will result in a revoked approval.

3.1.3.2. Proof of Limited Liability Insurance. Unless requester is a local federal/state/local government agency. (**Attachment 2**)

3.1.3.3. Hold Harmless Waiver. (**Attachment 3**)

3.1.3.4. Entry Access List (EAL) and Standard Form (SF) 2 identifying full name, social security number, driver's license number and date of birth for all non-military participants. An EAL is not needed for personnel that possess valid government credentials per DoDM 5200.08v3 AFMAN 31-101v3, Physical Security Program: Access to DoD Installations, 2 January 2019. (i.e. DoD Identifications (ID) Cards, Retiree ID, Department of Justice (DoJ) ID). (Attachments **4** and **5**)

3.1.3.5. Provide Bioenvironmental Engineering/Public Health Services (439 MSG/SGPB) with a completed DD Form 2975, *Temporary Food Event Coordinator's Application*, 1 November 2013 if necessary for the specific event.

3.2. Sentry Program Manager (SPM) will:

3.2.1. Serve as the initial POC for all event requests.

3.2.2. Perform initial screening to ensure all requirements are met and request is compliant with all applicable regulations. Confirm the event does not conflict with other approved/scheduled events. Will not exceed supporting agency limitations and complies with legal, fiscal and operational requirements.

3.2.3. Coordinate pre-approval via e-mail with approval functions. The following functional areas are required, at a minimum, to provide pre-approval for every event. Functional POCs must respond within 3 days following notification or the event will be considered approved.
