Supersedes: HQ AETCI 36-2801, 15 June 2021 | Pages: 51

This instruction implements Department of the Air Force Policy Directive (DAFPD) 36-28, *Awards Program.* It consolidates annual awards, identifies award Offices of Primary Responsibility (OPRs)/sponsors and participants, provides a single point of reference, and standardizes reporting and presentation requirements. This instruction applies to all Air Education and Training Command (AETC) civilian employees and uniformed members of the Regular Air Force and the Regular Space Force. This publication does not apply to the Air National Guard (ANG) or Air Force Reserve Command (AFRC) units. For submission of ANG/AFRC award Nominations, route nominations to the ANG or AFRC command channels. Ensure all records created because of processes prescribed in this publication are maintained In Accordance With (IAW) Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and disposed of IAW the Air Force Records Disposition Schedule located in the Air Force Records Information Management System. Subordinate units may supplement this instruction. Email proposed supplements to this instruction to HQ AETC/A1KA at **a1kk.awards.decs@randolph.af.mil** for approval before they are published. Submit suggested changes to this instruction on Department of the Air Force (DAF) Form 847, *Recommendation for Change of Product*, through command channels, to HQ AETC/A1KK workflow email indicated above. The authorities to waive wing/unit level requirements in this publication are identified with a Tier ("T-0, T-1, T-2, T-3") number following the compliance statement. See Department of the Air Force Manual (DAFMAN) 90-161, *Publishing Processes and Procedures*, for a description of the authorities associated with the Tier numbers. Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority, or alternately, to the requestor's commander for non-tiered compliance items. The use of the name or mark of any manufacturer,

commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

1. Purpose of the HQ AETC Recognition Program. The purpose of this program is to recognize individual and group outstanding performance, stimulate competition, increase mission effectiveness, emphasize individual and organizational teamwork award programs, improve morale, and sustain AETC's commitment to excellence.

2. Awards Programs. Tables identifying award programs managed by HQ AETC Directorates, Chiefs of Special Staff (CSS), 2 AF, 19 AF, AFAC, and AU are included at **Attachment 2**. For information relating to a particular award, consult the reference cited in the table or contact the identified award program OPR.

3. Roles and Responsibilities.

3.1. **HQ AETC/A1.** Manages and implements the Special Trophies and Awards (ST&A) Program for AETC.

3.2. **HQ AETC/A1KA Responsibilities:**

3.2.1. Administers the ST&A Program for the Command in accordance with higher headquarters guidance and acts as the focal point for ST&A questions or matters. Supports all assigned Commanders/Directors with the ST&A Program. Contacts HQ AFPC, HAF, and/or Award Sponsor to obtain guidance relating to the ST&A Program.

3.2.2. Annually, develops and publishes a monthly board member rotation schedule for Directorates and CSSs. This schedule outlines designated periods during which each Directorate/CSS is responsible for appointing personnel to serve as board members and participate in the selection of command nominees for applicable Air Force, DoD, or private organization-sponsored awards.

3.2.3. Each December, coordinates with HQ AETC/CS to obtain approval for the proposed ST&A Staff Directorate Board Member Schedule for the upcoming calendar year. Once approved, distributes the schedule to all Directorates and CSSs to notify them of their assigned timeframes for board member participation.

3.2.4. Uses the Task Management Tool (ETMS2) to solicit nominations from AETC Wings, NAFs, AU, AFAC, DRUs, Directorates and CSSs.

3.2.5. Reviews, monitors, and processes nominations for ST&A's managed. Nominees for HQ AETC specific, Air Force level, and private organizational-sponsored awards (AFSA, AFA, GEICO, etc.) will be selected through a boarding process, if applicable.

3.2.6. Solicits board members via ETMS2 using the ST&A Staff Directorate Board Member Schedule.

3.2.7. Collects all award board documents used to determine the HQ AETC command winner(s). Then, use ETMS2 to staff award packages. Include transmittal letters, congratulatory letters, and certificates for signature by HQ AETC/CCC, CS, CD, and CC.

3.2.8. An email will be prepared for the Chief of Staff to announce the command-level ST&A winners managed by A1KA, and will be distributed to AETC Wings, NAFs, AU, AFAC, DRUs, Directorates, and CSSs.

3.2.9. Submits award packages, with required documents, to the next level of competition by the established suspense date.

3.2.10. Distributes transmittal letters, congratulatory letters, and certificates to the winning nominee's chain of command for presentation.

3.2.11. Coordinates draft HQ AETCI 36-2801 revision with Directorates/CSSs, NAFs, AU, AFAC, and DRUs to ensure the HQ AETCI is up to date, deleting obsolete, adding new, or revising existing functional awards listed in the AETCI.

3.2.12. Reviews and coordinates on other Directorate/CSS functional award supplements and/or instructions.

3.3. **HQ AETC Directorates/CSSs, 2 AF, 19 AF, AFAC and AU Functional Award OPR Roles and Responsibilities:**

3.3.1. Initiates the nomination process by creating and sending a call for nominations to all eligible organizations.

3.3.2. Processes functional award nominations and, as directed by each Directorate, CSS, 2 AF, 19 AF, AFAC, and AU, routes the staff package to their respective Director, Deputy Director, Commander, or designated representative for approval and signature of congratulatory materials.

3.3.3. Functional Award OPR notifies award recipients through official channels in a timely manner. The designated representative shall inform recipients via their chain of command to maintain proper protocol and prevent premature or unofficial announcements.

3.3.4. When a Functional Award OPR is notified that a winner has also been selected for a higher-level award (such as Air Force or DoD), they must prepare an ETMS2 staff package to request congratulatory documents signed by HQ AETC/CC or CD. The package should be routed through the functional award Director, Deputy Director, and Commander before reaching the HQ AETC Command Staff.

3.4. **Creating a new AETC-Specific Functional Award** . To create a new AETC-specific functional award, the award manager is responsible for staffing the New AETC-Specific Functional Award Information Form (attachment 3) through the chain of command for approval. This process also requires obtaining an endorsement letter to support the proposed award.

3.4.1. Naming an award after an individual requires thorough vetting. The Directorate, CSS, 2 AF, 19 AF, AFAC, and AU will conduct quality force reviews and background checks to ensure the nominee is deserving and to protect the Department of the Air Force from reputational risk.

3.4.2. Do not duplicate or use names that are used in previously approved awards.

3.4.3. In addition to a biography and further justification for the creation of the award named after someone, a memorandum stating who completed the quality force reviews is also required.

3.5. **After Approval of Internal Chain of Command** . The functional award manager will compile a complete submission package for HQ AETC/A1KA via the HQ AETC/A1KK Awards & Decorations Workflow.

3.5.1. This package must include a copy of the signed approval memorandum and the New AETC-Specific Functional Award Information Form (attachment 3). In addition, if the

award is being named after an individual, the submission package must also include a biography, justification for the award's creation, and a memorandum identifying an intensive records review and background check was accomplished.

3.5.2. After the above requirements are met, HQ AETC/A1KA will submit the proposed award package to AFPC for coordination and approval.

4. Suspense Dates. The award suspense dates in the tables below are to be used as a guide for planning your nomination package submissions to HQ AETC/A1KA and/or the Directorate/CSS / 2 AF / 19 AF / AFAC / AU Award OPR. Award submission deadlines should be confirmed by contacting the Award OPR identified in the tables below.
