The Inspector General

The Wing IG is available when you have a complaint or problem that you & your chain of command can't solve.

Airmen of all ranks, family members, civilian employees, retirees, & other civilians can receive assistance from IG.

We highly encourage attempts to resolve complaints at the lowest appropriate level using supervisory channels (this can provide the fastest resolution). However, **you have the right to file a complaint at any level without going through supervisory channels.** This is a protected communication and reprisal is illegal (AFI 90-301).

To file a complaint, contact the IG at any level. Complete and submit a complaint form (AF Form 102, available on SharePoint) in a timely manner in order for the IG to resolve it effectively.

YOU CAN GET HELP!
