60TH AIR MOBILITY WING
IG COMPLAINTS RESOLUTION

AFI 90-301: The primary charge of the Inspector General (IG) is to ensure the existence of responsive complaint investigations and Fraud, Waste, and Abuse programs characterized by objectivity, integrity, and impartiality. The IG ensures the concerns of all complainants and the best interests of the Air Force are addressed through objective fact-finding. It is recommended that command channels be used to attempt to resolve complaints at the lowest level before elevating your concerns to the IG, but it is your right to contact the IG at any time for assistance.
