This instruction implements DAFPD 36-1, *Appropriated Funds Civilian Management and Administration* and complements AFI36-129_USAFE-AFAFRICASUP, *Civilian Personnel Management and Administration.* It establishes standards and conditions for issuing Uniform Work Clothing (UWC) to non-United States (US) citizen employees paid from appropriated funds and administered by a USAFE Civilian Personnel Section (CPS) in Germany. It does not apply to Air National Guard, Air Force Reserve Command, or US Space Force units. Ensure that all records created as a result of this publication are maintained in accordance with AFI 33-322, *Records Management and Information Governance Program*, and disposed of pursuant the Air Force Records Information Management System Records Disposition Schedule. Refer recommended changes and questions about this publication to the OPR using the DAF Form 847, *Recommendation for Change of Publication.* The authorities to waive wing, and unit level requirements in this publication are identified with a tier number ("T-0, T-1, T-2, T-3") following the compliance statement. DAFMAN 90-161, *Publishing Processes and Procedures* prescribes the authorities associated with the tier numbers. Submit requests for waivers through the chain of command to the appropriate tier waiver approval authority, or alternately, to the Publication OPR for non-tiered compliance items, utilizing guidance identified in DAFI 90-160, *Publications and Forms Management*. This publication may not be supplemented or further implemented.

SUMMARY OF CHANGES

This revision updates the UWC allowances for employees with the 52nd Security Forces Squadron (SFS), the 569th US Forces Police Squadron (USFPS), the Spangdahlem Air Base and Ramstein Air Base Fire Departments (52nd CES/CEF& 86th CES/CEF), and the 435th Construction and Training Squadron (CTS). It eliminates the issue of Airman Battle Uniform items as UWC. A provision on the personal appearance of firefighters was added.

1. Responsibilities.

1.1. **Headquarters USAFE-AFAFRICA.** Establishes UWC standards, identifies the groups of employees who are required to wear UWC, and approves UWC items and issue allowances.

1.2. **Organizational Commanders.** Determine the UWC standard for each occupational group wearing UWC in accordance with this instruction. Ensure that all affected employees are issued UWC and enforce compliance with this instruction. Establish standards for issuing protective and special occupational clothing and equipment that is not considered UWC. **(T-3)**

1.3. **Unit Supervisors.** Identify positions under their supervision that require the wear of UWC and inform incumbents of the conditions and requirements for wearing, maintaining, and returning UWC items. (T-3)

1.3.1. Determine in accordance with **Attachment 3** the authorized issue quantities. **(T-3)**

1.3.2. Designate a supply official responsible for maintaining stocks. **(T-3)**

1.3.3. Ensure funding and payment for procurement of items from the Army and Air Force Exchange Service (AAFES) Military Clothing Sales Stores (ACSS), local Individual Equipment Units (IEU), or other commercial procurement (CP) sources, and maintain the appropriate records of such acquisitions. **(T-3)**

1.3.4. Ensure employees wear their UWC in accordance with the standards established in this instruction. **(T-3)**

1.4. **Unit Supply Officials.** Procure and issue authorized UWC. Determine and maintain sufficient stock levels and ensure efficient use of available supplies. Maintain records of issue and return of all UWC items. **(T-3)**

1.5. **CPS Representatives.** Advise managerial staff on the provisions of this instruction as appropriate. Inform applicants for positions with a requirement to wear UWC on it and the related conditions of employment. **(T-3)**

1.6. **Non-US Citizen Employees Required to Wear UWC.** Personnel employed under Appendices Z or P to the Collective Tariff Agreement (CTA II) with a USAFE Civilian Service Unit (CSU) or a Fire Department in Germany are required to wear UWC in accordance with this instruction. In particular, this applies to employees with the 52nd SFS, the 86th SFS, the 569th USFPS, the 435th CTS, the 52nd CES/CEF, and the 86th CES/CEF.

2. Conditions for Wear and Issue of UWC.

2.1. **When UWC is Worn.** Employees wear UWC if a clear identification is required for the performance of their duties. They wear UWC while on official duty and may wear it while traveling to and from official duty stations, unless precluded by local instructions.

2.2. **Personal Appearance.** Military grooming standards may not be imposed on civilian employees wearing UWC. Still, they should maintain a professional appearance. For employees with the Security Forces, their mission and role as law enforcement agency representatives require that they maintain a professional appearance similar to that of the military personnel in their units. Firefighters should be clean-shaven to ensure that the face mask of the self-contained breathing apparatus tightly fits. Applicants are to be advised on these requirements during the recruitment process.

2.3. **Maintenance of UWC.** Employees must keep all UWC items clean and neat and obtain replacements when initial issue items are no longer serviceable. All items of clothing and equipment issued under this instruction are organizational property.

2.4. **Initial and Replacement Allowances.** The initial allowance is issued at no charge to employees upon their assignment to positions requiring the wear of UWC. The same applies to the replacement of items that became unserviceable by normal wear and tear. Employees who willfully damage UWC items will be held financially liable.

2.5. **Establishment and Adjustment of Allowances.** Allowances prescribed in **Attachment 3** are the maximum allowances. Commanders may decrease the amounts depending on requirements and circumstances, e.g., in the case of temporary employees. An employee who transfers to another position requiring UWC may only be issued those items not previously issued under the initial allowance authority. UWC items not authorized for the new position will be returned to the losing activity prior to the transfer. Employees whose employment ends or who transfer to positions that do not require the wear of UWC must return all items except underwear, shoes, and socks regardless of condition.

2.6. **Processing Special UWC Requests.** Requests for exceptions to UWC standards outlined in **Attachment 3** to this instruction will be directed through the chain of command via the functional directorate at this Headquarters to HQ USAFE-AFAFRICA/A1K for review, coordination, and determination.

2.6.1. Requests to make the wear of UWC mandatory for groups of employees currently not covered by this instruction will be staffed like **paragraph 2.6** above. Requests must contain the following information:

2.6.1.1. The occupational group of employees affected.

2.6.1.2. The conditions that make UWC necessary.

2.6.1.3. The specific UWC requirements and allowances proposed.

2.6.1.4. Proposed procurement sources for UWC items.

2.6.1.5. Proposed design of distinctive markings or insignias to be worn for proper identification.

2.6.2. Likewise, commanders may request the rescission of the UWC wear requirement for certain groups of employees. Requests have to include all relevant details and full justification for the proposed action.

3. Miscellaneous.

3.1. **Laundry and Dry-Cleaning Service.** All items of clothing issued under this instruction, except stockings, socks, and underwear will be processed without reimbursement as organizational property.

3.2. **Items not Considered UWC.** Coveralls, special protective clothing worn by firefighters e.g., tactical equipment, or suchlike are not considered UWC.

3.2.1. Physical Training (PT) Gear. PT is not a primary work function of the occupational groups covered by this instruction. Therefore, PT gear is not considered UWC.

3.2.2. PT Shoes. Non-US employees who are required to perform PT during official duty are eligible to be reimbursed for the actual cost of privately procured PT shoes up to € 100.00 every two years. Unit Supply Officials will keep files on employees' requests for reimbursement together with copies of receipts to ensure that the reimbursement limit is not exceeded.

3.3. **Changes in UWC Items.** When UWC items or specifications are revised by this instruction, affected employees may continue to wear the previously prescribed items as long as they remain serviceable unless the local commander directs these employees to convert to the new UWC standard by a certain date.

Director, Manpower, Personnel, and Services

UWC INSIGNIA

A2.1. Identification Insignia. To distinguish UWC from military uniforms, distinctive markings and insignia will be worn on outer garments. With the exception of functional insignia required for mission accomplishment, like the Security Forces badge, these insignia and badges must not resemble those worn by military personnel.

A2.2. CSU Identification Tapes. For identification purposes, CTS employees under the ZA tariff wear a name tape with the added indicator "USAFE CIVILIAN SERVICE". Employees with the 52nd and 86th SFS wear a tape with the word "POLICE" centered on the designated Velcro strip above the left breast pocket of the Operational Camouflage Pattern (OCP) UWC.

A2.3. CSU Shoulder Patch. CSU personnel will wear the patch on the left sleeve of outer garments, centered 12 mm (~½ inch) from the top seam or centered on the designated Velcro strip. SFS employees will also wear a patch "SF" centered above the CSU patch on the OCP UWC, CTS employees under the ZB tariff are not required to wear the CSU shoulder patch.

Figure A2.1. CSU Shoulder Patch (regular/subdued) & SF Patch

A2.4. 435th CTS Shoulder Patch. CTS employees under the ZA tariff wear the shoulder patch centered 12 mm (~½ inch) below the top seam of outer garments' right sleeves. Subdued shoulder patches matching the OCP UWC are authorized.

Figure A2.2. 435th CTS Shoulder Patch

A2.5. Security Forces Shoulder Patches. Non-US SF personnel wear a distinctive shoulder patch on the right sleeve of their outer garments. Subdued versions to match the color pattern of the OCP UWC are authorized.

Figure A2.4. 86th SFS Shoulder Patch (regular/subdued)

Figure A2.5. 569th USFPS Shoulder Patch (left shoulder)

Figure A2.6. 569th USFPS Shoulder Patch (right shoulder)

A2.6. Headgear. To distinguish them from US Military SF personnel when wearing the Service Dress or OCP UWC, non-US personnel with the 52nd and 86th SFS wear the royal blue beret as the regular duty cover. Temporary exceptions, like wear of a watch cap for mission-related reasons may be authorized by local commanders.

A2.7. Grade and Supervisory Insignia. Prescribed grade insignia for SF personnel and fire fighters will be worn as outlined below. If no grade insignia are worn but an identification of an employee's job category or function is necessary, tapes or labels such as "Fire Fighter", "Policeman", "Foreman", "Crew Chief", or "Unit Supervisor" may be worn.

A2.8. Grade Insignia for SF Personnel.

A2.8.1. SF employees wear the following grade insignia for their respective pay grades.

Table A2.1. SF Grade Insignia

ZB-1/ZP-1	one stripe
ZB-2/ZP-2	two stripes
ZB-3/ZP-3	three stripes
ZB-4/ZP-4	four stripes
ZB-5/ZP-5	five stripes
ZB-6	six stripes
ZB-7	one light blue stripe or bar
ZB-8	two light blue stripes or bars
ZB-9	one gold shield
ZB-10	one silver shield
ZB-11	one silver shield bordered in gold serration

A2.8.2. On the OCP UWC the grade insignia are worn on the designated Velcro strip between the breast pockets. On the black UWC of the 569th USFPS employees in pay grades ZB-1/ZP-1 to ZB-6 wear the insignia below the name tape on the right breast of the garment. Insignia for employees in pay grades ZB-7 and above are worn on the collar.

C-4a	silver fire department scramble
C-5a	two crossed silver bugles
C-6a	two crossed gold bugles
C-7	three crossed gold bugles
C-8	four crossed gold bugles inside a gold wreath

A2.10. Name Tags. If organizational commanders prescribe wearing of name tags or name tapes, they will be procured commercially.

A2.11. Length of Service Badge. SFS employees will wear the awarded decoration for their length of service centered on the designated Velcro strip above the “POLICE” tape on the left breast of the OCP outer garment.

Figure A2.9. Security Forces Length of Service Badge (Sample: 30 years; subdued)

A2.12. Other Decorations. Non-US civilian employees covered by this instruction are not authorized to wear pins, badges, insignia or medals that aren't approved for wear on the UWC.
