## SUSPICIOUS ACTIVITY
### PROCEDURES FOR USERS

| SITUATION | ACTION | REASON |
|---|---|---|
| **Unknown personnel** in your area with questionable behavior | 1. **Challenge unknown personnel.** 2 Do not give any sensitive information. 3. Report to security. | He or she may want to gain unauthorized network access or access to sensitive information. |
| Roaming cursor/ strange pop-ups | 1. **DISCONNECT THE LAN CABLE.** 2. Follow Computer Virus Reporting steps below. | Someone may have unauthorized remote access to your computer. |
| Email with a hyperlink that may ask you to **update/validate** information. | 1. Look for a **digital signature** before clicking links or replying. 2. If it's not there, **DELETE** the email. | It may be a phishing attempt. Your unit Cyber Liaison (CL) or Security Assistant can verify its authenticity. |
| Website asking for **personal information** | 1. Check the URL 2. If it looks suspicious, check with your unit CL. | It may be a phishing attempt. Your CL can verify its authenticity. |
| No screen lock when CAC removed | Manually lock screen; contact unit CST. | Computer configuration problem. |
| Email with virus warnings | 1. **DELETE.** Do not forward. 2.Advise 30 SW CFP | These emails are intended to clog the email system. |

**NEVER GIVE ANYONE YOUR CAC PIN OR PASSWORD!**

## COMPUTER VIRUS
## REPORTING PROCEDURES FOR USERS

If you are experiencing:

- Unusually slow performance
- Files disappearing
- Constant computer error messages
- Antivirus program is disabled for no reason

| | |
|---|---|
| **STEP 1** | **STOP! DISCONNECT THE LAN CABLE.** Discontinue use. |
| **STEP 2** | **LEAVE THE SYSTEM POWERED UP.** Do not click on any prompts, close any windows, or shut down the system. |
| **STEP 3** | **WRITE DOWN:**<br>-**ACTIONS** prior to suspected virus (i.e. received suspicious email with attachments, inserted unchecked drive/disk, downloaded unchecked files, etc.)<br>-Any **error messages**<br>-**Date & time** |
| **STEP 4** | **REPORT IT IMMEDIATELY!** Contact your unit Cyber Liaison (CL) or Client Support Technician (CST). If they cannot be reached, contact the Comm. Focal Point (CFP) at 606-2622. |

## CLASSIFIED MESSAGE INCIDENT (CMI)
## REPORTING PROCEDURES FOR USERS

If you think a classified message has been sent and/or received over an unclassified network:

| | |
|---|---|
| **STEP 1** | **STOP! DISCONNECT THE LAN CABLE** of the affected computer system(s) or printer(s). DO NOT POWER OFF! |
| **STEP 2** | **GUARD** the entire system as if it were classified itself and do not use it further until it is purged by authorized personnel. |
| **STEP 3** | **REPORT INCIDENT IMMEDIATELY** by telephone or in person to your Unit Security Manager. If they cannot be reached, contact the Wing Information Protection Office 606-4615. After normal duty hours contact the Comm. Focal Point (CFP) at 606-2622. |
| **STEP 4** | **SECURE** affected system(s) or printer(s) in a GSA-approved security container or vault, or post a guard with the appropriate clearance, and wait for authorized personnel to assist. |

**30SWVA 17-2; 14 MAY 2021** | Supersedes 30 SWVA 33-5, 24 Feb 2016
Prescribed by AFI 17-203 | OPR: 30 SCS/SCXS
