This supplement implements and extends the guidance of Department of the Air Force Instruction (DAFI) 36-3002, *Casualty Services*. This supplement applies to all active-duty Air Force and Space Force units assigned, and attached at MacDill Air Force Base (AFB) as well as all active duty and retired personnel, Department of Defense (DoD)/Civilian/Non-Appropriated Fund employees, other service personnel, US Space Force, This supplement does not apply to the Air Force Reserve (AFR) or Air National Guard (ANG). This supplement establishes procedures and requirements that govern the MacDill AFB Casualty Program. Additionally, it consolidates the individual squadron commander's responsibilities concerning casualty reporting and notification. This publication requires collecting and maintaining information protected by the Privacy Act of 1974 authorized by Title 10, United States Code (U.S.C.), Sections 1475 through 1489, 2771, and 8013; Title 37, U.S.C., Sections 551 through 559. The applicable System of Record Notice(s) (SORN) F036 AF PC R, *Casualty Files*, is available at: **http://dpclo.defense.gov/Privacy/SORNs.aspx**. Ensure all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and are disposed in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the Department of the Air Force (DAF) Form 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the

appropriate chain of command. This supplement may not be supplemented or further implemented or extended. The authorities to waive wing/unit level requirements in this publication are identified with a Tier ("T-0, T-1, T-2, T-3") number following the compliance statement. Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority, or alternately, to the Publication OPR for non-tiered compliance items. Compliance with attachments is mandatory.

1.3.7.5. **(Added)** With inputs from subordinate group commanders, 6th Air Refueling Wing Commander will create a roster to designate base notification officers. The roster will be sent to the Casualty Assistance Representative to ensure suitable Field Grade Officers are appointed on a monthly basis as the on-call notification officer. Training will be provided by the CAR for appointed officers.

1.3.10.1. The Casualty Services Office is the installation Office of Primary Responsibility (OPR) for the administration of all actions pertaining to casualty reporting, notification and assistance as outlined in DAFI 36-3002, paragraph 1.3.10. The Casualty Assistance Representative (CAR) monitors the casualty program on MacDill AFB to ensure all casualty reporting, notification and assistance is done accurately and expeditiously.

1.3.14. **(Added) 6th Air Refueling Wing Command Post (6 ARW/CP).**

1.3.14.1. **(Added)** Maintains Casualty Standby Roster for after-hour casualty services duties. The CAR will update annually or whenever changes occur.

1.3.14.2. **(Added)** Serves as the focal point to receive and relay information pertaining to all casualty situations. Immediately contacts the CAR when an active-duty casualty occurs, including notification of any active-duty member who is declared deceased, missing, Duty Status Whereabouts Unknown (DUSTWUN), very seriously ill or injured (VSI), or seriously ill or injured (SI).

1.3.14.3. **(Added)** Obtains the Number of Casualties. For each casualty, obtains the following information: Name, Grade, SSAN, Unit of Assignment, Duty Location, Type of Casualty (death, DUSTWUN, injury, illness) and the severity, date, and time of occurrence; if other persons were involved, include their identities, status, and exact location of incident. In addition, obtains the following information about the individual reporting the casualty: Name, Grade, Organization, and Telephone Number.

1.3.14.4. **(Added)** Notifies 6 ARW Wing Commander (6 ARW/CC), 6 ARW Public Affairs (6 ARW/PA), 6 ARW Chaplain (6 ARW/HC) and Mortuary Affairs Office (6 FSS/Mortuary Affairs) and 6 ARW Medical Group (6 ARW/SGH) of active-duty Air Force deaths.

1.3.14.5. **(Added)** Notifies 6th Force Support Squadron, Civilian Personnel Flight (6 FSS/FSC) upon notification of a civilian death no later than the first hour of the next duty day.

1.3.14.6. **(Added)** Notifies 6th Force Support Squadron Casualty Services Office (6 FSS/FSH) during normal duty hours when notified of the death of a retired military service member. If notified after normal duty hours, call the Casualty Services Office no later than the first hour of the next duty day.

1.3.15. **(Added)** MacDill AFB Unit Commanders.

1.3.15.1. **(Added)** All Commanders and Directors, including Tenant Units and Directorates, shall gather any known facts and circumstances concerning casualties of assigned personnel and report information to CAR and 6 ARW/CP.

1.3.15.2. **(Added)** Notifies the 6 ARW/CP (828-4361) immediately upon the death of any active-duty member.

1.3.15.3. **(Added)** Ensure unit personnel complete their initial Record of Emergency Data (RED) and Servicemembers' Group Life Insurance Online Enrollment System (SOES) upon arrival of first duty station and, as a minimum, verify their documents prior to Temporary Duty (TDY), Deployments and annually. Conducts an annual review of all REDs.

1.3.15.4. **(Added)** Assume notification duties for personnel when Primary Next-of-Kin (PNOK) resides in the local area. If commander is notified of a casualty by someone other than the Casualty Services Office, he or she immediately contacts the Casualty Services Office (during duty hours) or the on-call CAR (after duty hours) for guidance prior to any casualty notifications being performed.

1.3.15.5. **(Added)** Will ensure no unauthorized notification to the Next of Kin (NOK) is made by unit members and co-workers and provide all available information to the CAR. Under no circumstances will unit commanders make casualty notification without prior guidance and instruction from the Air Force Personnel Center, Casualty Services (AFPC/DPFCS) via the CAR. Commanders/leadership should brief their personnel on the proper channels of notification in the event they become aware of an active-duty casualty/fatality.

1.3.15.6. **(Added)** Inform and provide documentation to CAR if the deceased member is to be posthumously promoted/decoration and any administrative actions and/or pending or ongoing investigation on file, and if a special condolence letter from the Air Force Chief of Staff is appropriate considering the member's full record or performance and circumstances surrounding the casualty.

1.3.15.7. **(Added)** Prepare the commander's condolence/circumstance letter as required and submit it to the CAR within 5 calendar days after notification for review prior to dispatch.

1.3.15.8. **(Added)** Ensures internal procedures are established to implement notification in the event of natural disaster or multiple casualty situations when more than one notification officer may be required from the unit. The CAR will contact the appropriate unit commander to obtain the identity of the field grade officer(s) or above to be used as the casualty notification officer(s) and to provide instructions. If the unit is unable to provide sufficient support, the unit commander contacts the CAR.

1.3.15.9. **(Added)** Ensure all casualty notification information is handled on a need-to-know basis until the CAR has confirmed with AFPC/DPFCS that all NOK notifications are completed.

1.3.15.10. **(Added)** Ensure the Medical Treatment Facility (MTF) has started the Line of Duty Determination (LOD) on any active-duty Air Force or Space Force member who has died. The LOD needs to be completed in a timely manner as some benefits for the member's spouse and/or dependents depend on it. Contact the LOD Program Manager with any questions on LOD processing expectation or procedures.

1.3.16. **(Added)** 6th Security Forces Squadron (6 SFS).

1.3.16.1. **(Added)** Notifies 6 ARW/CP and CAR upon receipt of any information regarding a casualty (death, injury, illness) involving active-duty personnel. All calls received pertaining to an active-duty casualty, attempt to obtain (as a minimum, if available): name, grade, SSAN, place of occurrence, brief account of circumstances, and the name and phone number of the person calling.

1.3.16.2. **(Added)** When necessary, assist the CAR in obtaining information necessary to complete casualty reporting and coordinate with other law enforcement agencies to obtain copies of accident reports, etc. for casualty case files.

1.3.17. **(Added)** 6th Medical Group (6 MDG).

1.3.17.1. **(Added)** 6 MDG/CC will ensure a current list of on-call medical personnel is on file with the Casualty Services Office for purposes of membership in casualty notification team, as defined in DAFI 36-3002, paragraph 3.8. The medical personnel on-call will be available to report to the Casualty Services Office or designated location within 30 minutes of notification during duty hours and within ninety minutes outside normal duty hours to accompany the notification officer to the residence of the NOK. Unless otherwise directed, he/she will report in uniform of the day. 6 MDG may be tasked to provide more than one medical representative for notification teams in a mass casualty scenario.

1.3.17.2. **(Added)** 6 MDG/CC will establish internal procedures to ensure current, accurate information (e.g., date and time hospitalized, circumstances, diagnosis, and prognosis) is obtained from local hospitals when a member has been admitted for conditions classified as Seriously Injured/Ill (SI) or Very Seriously Injured/Ill (VSI) and ensures any status changes are provided to the CAR immediately.

1.3.17.3. **(Added)** Case Manager will provide medical progress report information to CAR within 24 hours of the initial Casualty Report, when there is a change in the member's condition and/or every 14 days thereafter until the individual is no longer in a reportable casualty status or has been fully restored to duty.

1.3.17.4. **(Added)** 6 MDG/CC ensures a 24-hour point of contact is established to receive information on members placed in a medical status (e.g., SI or VSI). If notified by a source other than CAR or the 6 ARW/CP, immediately notify the 6 ARW/CP and CAR.

1.3.17.5. **(Added)** Will initiate an AF Form 348, *Line of Duty Determination*, on all active-duty members assigned, IAW DAFI 36-2910, *Line of Duty (LOD) Determination, Medical Continuation (MEDCON), and Incapacitation (INCAP) Pay*.

1.3.17.6. **(Added)** Chief, Medical Staff will accomplish all medical administrative requirements necessary when Emergency Family Members Travel (EFMT) is requested. Medical personnel should not discuss travel entitlements with designated individuals. If EFMT is approved, AFPC/DPFW, Wounded Warrior Cell will contact the designated individual(s) and explain associated entitlements under the EFMT program.

1.3.17.7. **(Added)** 6 MDG/CC will concur or non-concur with attending physician's (military or civilian) request for EFMT and forward to CAR.

1.3.17.8. **(Added)** During multiple casualty situations, assist the CAR in obtaining the Rank, Name, SSAN, Unit of the NSI, SI, VSI, DUSTWUN, or Deceased member(s) and the Rank, Name,

Organization of the authority that pronounced the member deceased and the approximate date, time, and circumstance, if known.

1.3.18. **(Added)** Wing Chaplain Office (6 ARW/HC).

1.3.18.1. **(Added)** 6 ARW/HC will provide a current duty chaplain roster to the 6 ARW/CP and Casualty Services Office for purposes of membership in casualty notification team, as defined in DAFI 36-3002, paragraph 3.8. The CAR or 6 ARW/CP will notify the duty chaplain. If notified by the 6 ARW/CP, the chaplain will contact the CAR for reporting instructions.

1.3.18.2. **(Added)** If available, the on-call Chaplain will be available to report to the Casualty Services Office or designated location within 30 minutes of notification during duty hours and within ninety minutes outside normal duty hours to accompany the notification officer to the residence of the NOK.

1.3.19. **(Added)** 6th Force Support Squadron, Civilian Personnel Flight (6 FSS/FSC).

1.3.19.1. **(Added)** If a civilian employee death occurs while on duty, the 6 FSS/FSC will assist in locating the employee's supervisor so NOK or emergency contact information can be obtained. The employee's unit commander and immediate supervisor will notify the NOK in person if in the local area.

1.3.19.2. **(Added)** The 6 FSS/FSC will complete and provide the Civilian Death Worksheet from the official personnel records of a civilian employee death to the CAR immediately during normal duty hours or next duty day.

1.3.19.3. **(Added)** The 6 FSS/FSC will notify the Benefits and Entitlements Service Team (BEST) at AFPC of a civilian employee death. The BEST will counsel the employee's beneficiaries on benefits and advise/assist with claim forms.

1.3.20. **(Added)** Military & Family Readiness Center (M&FRC).

1.3.20.1. **(Added)** When directed to stand up the Emergency Family Assistance Center (EFAC) by the 6 ARW/CC, acts as the central focal point for services that may be available and a referral agency to assist family members during natural disasters, and acts as the central collection point for family support services during mass casualties.

1.3.20.2. **(Added)** Provides immediate financial assistance and referral to eligible NOK as needed (e.g., financial counseling, Air Force Aid, etc.).

1.3.20.3. **(Added)** Provides lifelong support and assistance for eligible NOK(s) after enrollment in Air Force Families Forever Program by AFPC.

1.3.21. **(Added)** 6th Logistics Readiness Squadron, Vehicle Operations (6 LRS/LRGDDO).

1.3.21.1. **(Added)** Provides a staff car (sedan, station wagon, van, or SUV) upon request from the CAR within one hour of notification for use by the casualty notification team(s) anytime, including weekends and holidays. Transportation support for casualty notification is of the highest priority and will be maintained 24 hours a day. The permissive operating distances are waived in all casualty matters.

1.3.21.2. **(Added)** Take necessary measures to ensure vehicle support in the event of a multiple casualty situation.

1.3.22. **(Added)** 6th Air Refueling Wing, Public Affairs (6 ARW/PA).

1.3.22.1. **(Added)** Is the sole base agency authorized to release information and to answer inquiries from the public, news media, or other government agencies concerning casualties no earlier than 24 hours after obtaining confirmation from the CAR that casualty notification procedures to NOK have been completed.

1.3.22.2. **(Added)** For media event situations, the 6 ARW/PA office will provide media assistance to Family Assistance Representative(s) (FARs) and families on how to manage the civilian media and will offer assistance with any public statements and or answering questions from the media at the request of the NOK.

1.3.23. **(Added)** Readiness & Emergency Management Office, (6 CES/CEX).

1.3.23.1. **(Added)** Ensures all procedures outlined in the MacDill AFB Installation Emergency Management Plan (IEMP) 10-2 are reviewed, updated, and briefed for natural disasters and or multiple casualties.

1.3.23.2. **(Added)** Incident commander is responsible for obtaining the dead, injured, missing numbers, identity, and nature of casualties and the location of the incident.

1.3.24. **(Added)** 6th Comptroller Squadron, Financial Services (6 CPTS/FMF).

1.3.24.1. **(Added)** Upon notification of an active-duty member's death, takes immediate action to have death gratuity payment processed within 24-48 hours.

1.3.25. **(Added)** Air Force Office of Special Investigation (AFOSI).

1.3.25.1. **(Added)** Provide information needed to complete casualty reports, as required, by the Casualty Services Office.

1.3.25.2. **(Added)** Takes appropriate action, if notified by the CAR, if the NOK has received any form of harassment, either by telephone or in threatening letters.

1.3.25.3. **(Added)** Assists the CAR in acquiring civilian police reports, autopsy, toxicology, coroner or medical examination reports or copies of court verdicts as needed in accordance with DAFI 36-3002, Table 5.2, when AFOSI directives allow. The information from these documents, as required, will be provided to the CAR, trusted agent.

1.3.26. **(Added)** All Air Force Tenant and Geographically Separated Units (GSU)

1.3.26.1. **(Added)** Notifies the CAR of all active-duty Air Force and Space Force casualties assigned to the tenant unit or (GSU) during normal duty hours or the 6 ARW/CP after duty hours.

1.3.26.2. **(Added)** GSU representative will contact the CAR at MacDill AFB when advised of a casualty at GSU location. This will permit the CAR to provide additional information available to be reported in the initial casualty message.

1.3.26.3. **(Added)** Casualty notifications for Airmen and Guardians that are not stationed at MacDill AFB but have families in the MacDill AFB vicinity will be assigned to an on-call casualty notification officer. 6 ARW/CC will task field grade officers across the wing to perform this duty on a monthly basis. The on-call roster will be maintained by the CAR.

1.3.27. **(Added)** Staff Judge Advocate (6 ARW/JA)

1.3.27.1. **(Added)** Will review condolence letter packages prior to sending to AFPC/JA for legal review in order to determine if a decedent was under investigation or prosecution.

3.22. **(Added) Mass Casualty.**

3.22.1. **(Added)** Mass casualty reporting procedures apply when 5 or more casualties occur as a result of hostilities, accidents, or natural disasters, or when determined appropriate by the Chief, Mass Casualty Reporting Team.

3.22.2. **(Added)** The CAR will be the Chief of the Mass Casualty Reporting Team and is responsible for planning and conducting training for the Casualty Augmentee Support Team (CAST) and casualty reporting.

3.22.3. **(Added)** The Chief, Mass Casualty Reporting Team will:

3.22.3.1. **(Added)** Be the representative for coordinating, reporting, and providing information to the 6 ARW/CP and Crisis Action Team (CAT) on all real-world or exercises regarding mass casualty situations.

3.22.3.2. **(Added)** Coordinate all actions with the AF Casualty Operations (AFPC/DPFCS, 1-800-525-0102 OPT 1; OPT 1).

3.22.3.3. **(Added)** Supervise the reporting, notification, and assistance phases of the operation.

3.22.4. **(Added)** 6 MDG Emergency Operations Center (EOC) representative will immediately report the total number of deceased, injured and missing to the Chief, Mass Casualty Reporting Team.

3.22.5. **(Added)** 6 MDG EOC representative will provide supplemental information to include the name, grade, SSAN, and unit of assignment of all casualties, when possible, to the Chief, Mass Casualty Reporting Team.

3.22.6. **(Added)** 6 MDG and 6 ARW/CP provides sufficient pertinent information concerning the mass casualty, disaster, or hostile action (type, place, location, time, etc.) to the Chief, Mass Casualty Reporting Team, for inclusion in the mass casualty report to higher headquarters.

3.22.7. **(Added)** The Chief, Mass Casualty Reporting Team and the Mortuary Affairs Officer fully coordinates activities concerning the number, status, and disposition of remains of all deceased personnel.

3.23. **(Added) Natural Disaster or Multiple Casualties.** Procedures outlined in the current IEMP 10-2 will apply.

3.23.1. **(Added)** The incident commander is responsible for providing the number, identity, nature of illness or injury, and the location of the casualties involved in the incident to the CAR to assist in casualty reporting.

3.23.2. **(Added)** The 6 MDG obtains information and provides to the CAR regarding the status (NSI, SI, and VSI) and prognosis of casualties transferred to the MacDill Medical Treatment Facility, or other off-base medical facilities.

3.23.3. **(Added)** The Mortuary Affairs Officer assists CAR in obtaining information such as the approximate date, time, rank, name, and organization of the authority who declared the member deceased.

3.23.4. **(Added)** The CAR will promptly notify AFPC/DPFCS of any casualty IAW DAFI 36-3002, paragraph 2.1.2.3. CAR will send a message within 4 hours of notification and will only be

extended with concurrence of AFPC/DPFCS. Reasons for delay would be pending confirmation of medical status (i.e., SI, VSI, and Deceased) or other pertinent information critical to the report.

ADAM D. BINGHAM, Colonel, USAF
Commander, 6th Air Refueling Wing

Attachment 3 (Added)

CASUALTY AUGMENTATION SUPPORT TEAM (CAST)

A3.1. (Added) Casualty Augmentation Support Team (CAST) Purpose and Responsibilities.

A3.1.1. Not Utilized

A3.1.2. **(Added)** The purpose of the CAST is to ensure casualties are reported AFPC/DPFCS Casualty Operations Center in the shortest possible time to ensure prompt, accurate, and humane notifications of PNOK. The CAST is appointed in writing by the 6 FSS/CC and is composed of members from the Military Personnel Flight (6 FSS/FSP). The CAST is trained in casualty reporting, notification, and assistance procedures that help the CAR.

A3.1.3. **(Added)** The 6 FSS/CC will authorize the recall of the CAST to augment the CAR, as necessary, at which time the members will be excused from all other duties.

A3.1.4. **(Added)** CAST members will participate in quarterly training (conducted by the CAR) and base level exercises that facilitate familiarization with casualty reporting procedures.

Attachment 4 (Added)

SURVIVOR CARE TEAM (SCT)

A4.1. (Added) Survivor Care Team (SCT) Purpose and Responsibilities.

A4.1.1. Not Utilized

A4.1.2. **(Added)** The purpose of the SCT is to ensure families of active-duty casualties are provided timely, compassionate care. The SCT gathers a team of professionals from Casualty, Mortuary, Air Force Families Forever, Chaplain Corps, AFOSI and other key personnel to ensure communication and seamless care of all next of kin. The team will crossflow information to provide situational awareness to other members of the team as each provides support within their lane.

A4.1.3. **(Added)** The 6 FSS/CC will lead the SCT and will include unit leadership of deceased Airman/Guardian.

A4.1.4. **(Added)** The SCT will stand up within 5 duty days of an Airman or Guardian's death. The SCT lead has flexibility with how he/she elects to stand up and sustain communication with SCT members.
