This publication implements Air Force Instruction (AFI) 17-210, *Radio Management*. It provides guidance and procedures for Ceremonial Public Address (CPA) support from the 6th Communications Squadron (6 CS), Radio Frequency (RF) Transmission Systems (6 CS/SCPR). It applies to all MacDill Air Force Base (MAFB) agencies and tenants. This instruction will serve as a guideline for 6 CS/SCPR in providing CPA support. This publication applies to Air Force Reserve Command Units and Air National Guard Units. This publication may be supplemented at any level, but all supplements must be routed to the Office of Primary Responsibility (OPR) listed above for coordination prior to certification and approval. Refer recommended changes and questions about this publication to the OPR listed above using the AF Form 847, *Recommendation for Change of Publication*; route AF Forms 847 from the field through the appropriate chain of command. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with Air Force Manual (AFMAN) 33-363, *Management of Records*, and disposed of in accordance with Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS). Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority, or alternatively, to the Publication OPR for non-tiered compliance items. (T-3). The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

SUMMARY OF CHANGES

This document has been substantially revised, and must be completely reviewed. It now provides an overview of CPA support utilization and expectations, roles and responsibilities, the types of CPA support available, the level of support provided for different types of events in accordance with the Joint Ethics Regulation and provides instructions for requesting CPA support.

1. Overview.

1.1. CPA Support Utilization and Expectations.

1.1.2. For this instruction, official functions are military ceremonies.

1.1.3. The intent is to provide the capability of addressing large audiences and broadcasting official music for official military ceremonies and functions.

1.1.4. CPA support is not intended for broadcasting music for morale purposes.

1.1.5. CPA support personnel will not function as disc jockeys (DJ) during any activities.

1.1.6. CPA support personnel will determine exactly what equipment is provided and in what configuration based on the requesting unit's requirements.

1.1.7. Only authorized equipment that is provided will be connected to equipment. Exceptions must be approved by the Commander, 6th Communications Squadron (6 CS/CC) or their delegated officials.

1.1.8. The level of support provided will depend on the 6 CS mission and personnel availability.

1.1.9. Functions Authorized Full CPA Support. Equipment is installed and readily available at the Davis Conference Center, Base Theater, Surf's Edge Club and Base Chapel. 6 CS/SCPR is not responsible for the operation or maintenance of these permanently installed systems. In the event that these establishments are not desired or available, 6 CS/SCPR will provide full CPA support for official military functions as outlined below:

1.1.9.1. Changes/assumptions/relinquishments of command.

1.1.9.2. Retirement ceremonies for E-9s, and all officers O-6 and above.

1.1.9.3. Wing and/or Group events (i.e. Group level and above Commander's calls, official briefings, seminars, military awards/recognition ceremonies, etc.).

1.1.9.4. VIP visits.

1.1.10. CPA Support Not Authorized. The following functions are not provided full CPA support from 6 CS/SCPR; however, portable loaner CPA systems are available on a first-come, first-served basis:

1.1.10.1. Unit picnics and parties.

1.1.10.2. Committee picnics or parties.

1.1.10.3. School/youth center/library functions.

1.1.10.4. Unit sport functions.

1.1.10.5. Fundraisers or money-making functions.

1.1.10.6. Unit homecomings.

1.1.10.7. Unit training day functions.

1.1.10.8. Dining-ins/dining-outs and AF Ball.

1.1.10.9. Retirements ceremonies for E-8 and below as well as O-5 and below.

1.1.10.10. Deployment briefings (Pre and Post).

1.1.10.11. Squadron Commander's Calls.

1.1.10.12. Practice for authorized events (more than 2 hours prior to event).

1.1.10.13. Any other function not outlined in **paragraph 1.1.9** of this document.

2. Roles and Responsibilities.

2.1. The Commander, 6th Communications Squadron (6 CS/CC) will act as the final approval authority on all CPA support requests.

2.2. The 6 CS RF Transmission Systems (6 CS/SCPR) office will:

2.2.1. Determine supportability of CPA requests based on current mission, manning requirements, and equipment availability. The primary mission of 6 CS/SCPR is to provide Communications-Electronics maintenance to emergency response, ground control, Land Mobile Radio and command and control communications systems. These systems carry a high priority and have a critical impact on flight safety. All outages affecting, or potentially affecting, the flying and command and control missions will have priority over CPA support.

2.2.2. Provide full CPA system support for authorized official military functions (see **paragraph 1.1.9**) within the confines of MacDill AFB and 6 CS/CC approved local areas. Support includes equipment setup and teardown, audio equipment control/monitoring, audio signal mixing, and providing military ceremonial music for official functions. Support personnel will remain on site and control the CPA system for the duration of the event.

2.2.2.1. Have all required CPA equipment set up and fully operational one hour prior to scheduled event start time.

2.2.2.2. Remove all CPA equipment from operation if the safety of personnel or equipment is threatened (i.e., during inclement weather or in unsafe environments).

2.2.3. Allocate portable loaner CPA sign-out equipment and train the requestor on use of the system. Allocation is based on type of event (see **paragraph 1.1.10**), availability, and notification timeframe. Equipment is loaned to, signed for, transported by, setup and returned by the requesting office.

2.3. Organizations requesting CPA support will:

2.3.1. Submit CPA Support Request via the 6 CS base SharePoint at the web address: **https://eim2.amc.af.mil/org/6cs/CustomerService/default.aspx** at least 10 duty days prior to the event start date. If a request is made within (9) duty days of the required support date, the requesting organization's Commander must e-mail his or her endorsement of the

short-notice CPA support request to 6 CS/CC. **NOTE:** Requesting organization Commander's endorsement does not guarantee manned CPA support. For help in completing the request form, call 6 CS/ SCPR at 828-6442.

2.3.2. Provide 6 CS/SCPR all interface devices at least one duty day prior to the event for testing purposes. SCPR public address equipment can interface with devices/instruments that use External Line Return (XLR), Radio Corporation of America Cables (RCA Cables), or 1/4" jacks.

2.3.3. Provide 6 CS/SCPR support personnel access to event location at least 2 hours prior to event start time.

2.3.4. Provide 6 CS/SCPR with non-ceremonial audio tracks on CD or Moving Picture Experts Group Audio Layer-3 (MP3) at least 1 hour prior to the event start time.

2.3.5. Provide personnel to program non-ceremonial music selections on CD or MP3 players at least 1 hour prior to the event start time.

2.3.6. Provide personnel to operate audio equipment during non-ceremonial audio selections or perform "disc jockey" type services at least 1 hour prior to the event start time.

2.3.7. Provide 6 CS/SCPR support personnel a written sequence of events with music cues highlighted at least 1 hour prior to the event start time.

2.3.8. Provide meals for 6 CS/SCPR support personnel (at no cost) for events at which meals are served.

2.3.9. Provide 6 CS/SCPR support personnel all fees required to support the event (i.e., tolls, parking expenses, etc.).

2.3.10. Immediately notify 6 CS/SCPR of any changes/cancellations.

3. Guidelines for Obtaining Public Address Support.

3.1. Obtaining fixed Public Address (PA) system support. Fixed PA systems are provided in the following facilities: Davis Conference Center, Base Theater, Surf's Edge Club and Base Chapel. The requesting unit is responsible for coordinating with the requested facilities facility manager for all fixed PA system support. However, 6 CS/SCPR is available to answer questions and/or provide guidance and can be reached at 828-6442.

3.1.1. ***NOTE:*** Fixed PA systems can be obtained as outlined in Technical Order 00-33A-1001, *General Communications Activities Management Procedures and Practice* Requirements. Installation and maintenance should be obtained through the base contracting office. Permanently installed PA systems are justified and procured by the using organizations in accordance with Allowance Source Code 006 and AFMAN 23-101, *Air Force Material Management*. The 6 CS should be used as a technical consultant on any PA system acquisition, but will not be responsible for maintaining or operating the installed system.

3.2. Obtaining 6 CS CPA system support.

3.2.1. Full CPA system support may be requested for any official function except as noted in **paragraph 1.1.10** Requesting units must submit a CPA Support Request on the 6 CS

Customer Service SharePoint site as outlined in **paragraph 2.3.1** If personnel and/or equipment are unavailable, a portable loaner CPA system, if available, will be offered to support the requestor's function.

3.2.1.1. Military CPA personnel will typically be dressed in Airman Battle Uniform (ABU) or Operational Camouflage Pattern (OCP) when operating CPA equipment at ceremonies. Any requirement to have CPA technicians in any other uniform will be handled on a case-by-case basis.

3.2.2. Practices/rehearsals will be supported on a case-by-case basis. Practices can also be supported by a portable loaner CPA system, if available.

3.2.3. Obtaining 6 CS portable loaner CPA system support.

3.2.3.1. Portable loaner CPA systems may be requested for any official function. Requesting units must submit a CPA Support Request on the 6 CS Customer Service SharePoint site as outlined in **paragraph 2.3.1** Equipment is scheduled on a first come, first serve basis.

3.2.3.2. When picking up a portable loaner CPA system, all customers will be required to sign an AF Form 1297, *Temporary Issue Receipt*, and accept responsibility for both the function and physical condition of all borrowed equipment and accessories. Training will be given at the time of receipt to ensure the customer can operate the equipment.

3.2.3.3. Portable loaner CPA systems must be picked up at the 6 CS/SCPR office, building 260/Room 117 (Subject to Change), by the requester or designated representative. All equipment must be picked up no later than 1600 on the duty day prior to the event and returned no later than 1600 the duty day immediately following the event.

3.2.3.4. The unit of the requestor who signed out the CPA loaner system is responsible for any damage to equipment outside of normal wear and tear. The requestor's unit will be responsible for paying any and all replacement costs incurred, and the AF Form 1297 will not be returned until the equipment is fully replaced.

BENJAMIN R. JONSSON, Colonel, USAF
Commander

RDS—Records Disposition Schedule

RF—Radio Frequency

XLR—External Line Return

Terms

Ceremonial Public Address Equipment—Amplifiers, mixers, compact disc (CD) players, MP3 players, microphones, and speakers used to support sound requests.

Fixed PA System—Public address equipment permanently installed in a base facility.

Portable Loaner CPA System—Portable public address equipment loaned to, signed for, set up by, operated by, and returned by a customer in support of an event and is normally on a temporary, non-repetitive basis for an event of short duration.

Official Function—Events directly related to military or federal government missions or activities. These include, but are not limited to, change-of-command ceremonies, retreats, retirement ceremonies, dining-ins/outs, commanders' calls, parades, etc.

Unofficial Function—Events that are social in nature and/or NOT directly related to military or federal missions or activities. These include but are not limited to private parties, picnics, and sporting events.
