SUMMARY OF CHANGES

This document has been substantially revised and must be completely reviewed. Major changes include: updated phone numbers and organizational titles, updated definition of a DV to match

current AFI, updated formatting to match current AFI requirements, updated Order of Precedence in its entirety to match current Department of Defense (DoD) order of precedence, and updated Sample Itinerary.

1. Roles and Responsibilities. This instruction establishes responsibilities and procedures for hosting distinguished visitors (DV) at the 6th Air Refueling Wing (6 ARW) and outlines the administration and execution of the Wing DV Greeter Program.

2. Explanation of DV. Any visitor who is:

2.1. DV Classification: DV-6 through DV-1. (A copy of the DV code chart is at **Attachment 2**. To convert DV codes to equivalent general/flag officer rank, subtract the DV code from the base number of 7, e.g., 7 – DV6 = 1-star; 7 – DV3 = 4-star).

2.2. Definition: A DV is defined as (1) any general or flag officer; (2) any government official with rank equivalent to a brigadier general or higher; or (3) any foreign military officer or civilian designated a DV by the Under Secretary of the Air Force for International Affairs (SAF/IA). At times, persons of lower rank but appointed to or filling certain positions, may be accorded DV status. The purpose of the visit will determine if the distinction of DV should be accorded. The commander determines the DV distinction on an individual basis. When DVs visit MacDill Air Force Base (AFB) in conjunction with anticipated 6 ARW/CC involvement, project officers will treat them according to this directive.

3. General.

3.1. It is the policy of the 6 ARW/CC that every DV arriving and departing MacDill AFB will be greeted at the flightline by a wing representative. See **Paragraph 5** for further information on the MacDill AFB DV greeter program.

3.2. Contact Wing Protocol (6 ARW/CCP) to discuss appropriate mementos, welcome basket, and uniform for the visit.

4. 6 ARW/CCP will:

4.1. Review itineraries associated with DV visits. A sample itinerary is included at **Attachment 3**.

4.2. Advise project officers of DV administrative procedures and assist as necessary.

4.3. Advise wing agencies regarding protocol matters.

4.4. Control lodging reservations for DV quarters at MacDill Inn.

4.5. Publish a daily military air DV arrival/departure schedule for 6 ARW/CC and DV greeters.

4.6. Publish a DV greeter schedule.

4.7. Provide Wing Admin the projected DV visits at MacDill AFB for the weekly Wing Staff Meeting.

4.8. Oversee housekeeping and upkeep of DV Lounge at Hangar 3.

4.9. Input DV names on flightline welcome marquee.

4.10. ***ALL WING AGENCIES:*** Upon notification of or request for a visit to MacDill AFB, the functional agency receiving the first contact will prepare an AF Form 1768, Staff Summary Sheet (SSS), to obtain 6 ARW/CC approval for the projected visit. Include 6 ARW/CCP as a coordinating office on the AF Form 1768. The determination for SSS routing shall be made based on the urgency of the request.

5. Offices of Primary Responsibility (OPR)/Project Officers: The Group Commander whose area is the functional focus of a visit is the OPR. The OPR will appoint a project officer from within his/her group to work the details for the visit. Normally, 6 ARW/CCP and/or the Wing Executive Officer (6 ARW/CCE) will be the OPR for visits by 18 AF/CC/CV and HQ AMC/CC/CV and other higher headquarters visitors who are here specifically to meet with the Wing Commander. Using the visit checklist at **Attachment 4** as a guide, the project officer will:

5.1. Ensure 6 ARW/CC approval has been obtained.

5.2. Contact the visitor's office and request the DV's specific area of interest and details surrounding visit; i.e., dates, arrival/departure times, mode of transportation, number in party, lodging and transportation requirements, dietary restrictions, etc.

5.3. Reserve conference rooms and other facilities to support the visit. Arrange for audiovisual equipment, seating plans, conference room name plates, pens, writing pads, briefing dry runs, security, refreshments, etc. If a meeting involves the 6 ARW/CC or Vice Commander (6 ARW/CV) and it is held in the Wing Conference Room, 6 ARW/CCP will set up the room with name plates and refreshments. The project officer must provide 6 ARW/CCP with the correct information on attendees.

5.4. Arrange for lodging. Project officers should contact 6 ARW/CCP (813-828-2056) to arrange lodging in DV quarters for general officers, colonels and civilian equivalents (e.g., Senior Executive Service, GS-15 and above), and E-9s. Reservations for other members of the traveling party below the above grades will be made through the MacDill Inn reservation section (813-828-4259). Complete name, social security number, organizational address, purpose of visit, and length of stay are required. If names and exact number of visitors are unknown during early planning stages, provide an estimate number of rooms required and update as planning progresses.

5.5. Arrange for officer of appropriate rank to meet and depart the ranking guest.

5.5.1. Arrival via military air: 6 ARW/CCP will include the arrival on the daily Transient DV Airlift sheet with a suggested greeter (either the Wing CC, CV, or duty greeter). The visit OPR (group commander) will also meet the aircraft and the project officer will be in place to oversee arrangements made for the visit.

5.5.2. Arrival via commercial air: OPR/project officers will arrange for an appropriate escort to meet DVs arriving at Tampa International Airport. A general officer would normally be met by an O-6. If the DV prefers to rent a car and travel to the base on his/her own; work with the DV's office to make arrangements for meeting at the base.

5.6. Arrange ground transportation. To obtain staff car, DV van, etc., for visits involving general officers, contact the 6 ARW/CCP who will request the appropriate vehicle(s) for the visit through the 6th Ground Transportation Operations Center protocol support. If a driver is

requested to support the visit, a transportation plan with a complete itinerary is required. Normally, the OPR/project officer will drive the DV.

5.7. Coordinate reserved parking. Determine where reserved parking will be needed and contact 6 ARW/CCP with the name of the visitor(s) and the number of parking signs required. Project officers will pick up and return the signs to 6 ARW/CCP.

5.8. Advise 6 ARW/CCP if there is a function where the DV will be the host or guest speaker. CCP will determine if a personal flag is available and appropriate to post.

5.9. Coordinate baggage handling and transportation between flightline and lodging.

5.10. Schedule meetings with the Wing Commander through the 6 ARW/CC's secretary or executive officer (813-828-4444). Coordinate attendance of all interested staff agencies for briefings and tours and provide names of attendees to 6 ARW/CCE and CCP.

5.11. Provide an initial itinerary within 1 week of visit notification and all subsequent updates to the Wing Command Section and 6 ARW/CCP. The final itinerary must be submitted at least 2 days prior to the visit. The itinerary will include all pertinent information including arrangements for transportation, lodging, meals, and uniform requirements. When the itinerary has been approved at the appropriate level (Group Commander and/or Wing Commander), forward it to the DV's office for their approval.

5.12. Pre-registration at MacDill Inn. The day of the visit, pre-register the DV at the lodging office and provide room keys to the visitor upon arrival. Check-in time is 1400 and check-out time is 1100. If early check-in or late check-out is requested, coordinate with 6 ARW/CCP as soon as the requirement is known to determine if the request can be accommodated.

5.13. Miscellaneous. 6 ARW/CCP will assist project officers, as needed, to include seating plans, name tags, advice on meals, function set-up requirements, etc. If the Wing Commander or Wing Vice Commander hosts a meal or social function, 6 ARW/CCP will coordinate the arrangements.

6. DV Greeter Program. The program is designed to ensure general/flag officers and equivalent civilians receive a proper greeting and courtesies when arriving/departing MacDill AFB via military air and to provide assistance as necessary. The duty period begins at 0700 on Monday and ends at 0700 the following Monday.

6.1. O-6s assigned to the 6 ARW will be scheduled by 6 ARW/CCP for DV greeter duty in one-week increments. The duty greeter will be available to meet all arriving and departing DVs.

6.2. The Wing Commander or Wing Vice Commander will normally meet 3- and 4-star visitors, depending on their schedules. The duty greeter will meet all other visiting general/flag officers unless advised otherwise.

6.3. 6 ARW/CCP will:

6.3.1. Develop a 2- to 3-month DV Greeter schedule based on projected leave and TDY of duty greeters.

6.3.2. Publish a daily Transient DV Airlift schedule and send it via e-mail to all pertinent agencies.

6.3.3. With prior notice of a DV arrival, coordinate any special arrangements that are requested, such as meals, billeting, and transportation.

6.4. The duty greeter will:

6.4.1. Meet arriving and departing DV flights. Most DVs at MacDill will be hosted by the Wing, US Central Command, or US Special Operations Command, and a senior representative from the hosting organization will be on scene as well as all required transportation and support elements.

6.4.2. If a DV arrives at MacDill and has no host organization, usually a refueling stop, escort the visitor to the DV lounge and provide other assistance as required (e.g., transportation, billeting, meals), if prior arrangements have not been made.

7. Notification of Arriving Aircraft: Base Operations will notify the Wing Command Post and 6 ARW/CCP when a DV's aircraft is 30 minutes out and again when the aircraft is 20 miles out. The Command Post will notify the Wing Commander and/or the DV greeter with the same information.

8. The point of contact for this instruction is the 6 ARW Protocol Office, 6AMWCCP@us. af.mil, 813-828-2055.
