- You always have the right to communicate with an IG or Member of Congress
  - Report any restriction of this protected communication to the IG
  - Report any unfavorable personnel action (reprisal) taken against an individual because they made, were thought to have made, or were preparing to make a protected communication
- Report fraud, waste, abuse, and mismanagement
- For most issues, start with your chain of command or applicable support agency prior to contacting the IG
- We can assist anytime if you are not sure (chain of command pre-coordination is NOT required)
