SUMMARY OF CHANGES

This document is substantially revised and must be completely reviewed. This revision clarifies and updates responsibilities, policies, and authorized use of Cadet Food Service facilities.

1. Cadet Food Services.

1.1. The 10th Force Support Squadron (10 FSS), CFS Branch, operates the cadet dining facility, Mitchell Hall (MH) to provide complete subsistence for the Air Force Academy Cadet Wing. This service is provided as prescribed in DoD Financial Management Regulation 7000.14-R, Volume 12, Chapter 20, *Military Academy Dining Hall Operations*, July 2013.

2. Authorized Personnel.

2.1. *DoD Financial Management Regulation* 7000.14-R, Volume 12, Chapter 20, *Military Academy Dining Hall Operations*, July, 2013, authorizes the USAFA Superintendent to make a determination of who may dine in Mitchell Hall and other CFS facilities. Listed below are personnel authorized to dine.

2.2. CFS is authorized to support cadets and this service is generally limited to cadet use. Other authorized users may subsist under specific circumstances with appropriate approval and credentialed access. The dining facility must then be reimbursed at the current charges including any applicable surcharges as stated in this instruction.

2.2.1. Personnel, other than Academy Staff or employees, may dine at CFS facilities if doing so is in the best interest of USAFA. Guests not specifically identified in this instruction require prior coordination through Director, CFS. Guests will pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction. For special functions such as banquets or dining-ins, guests pay for cost of food and all applicable surcharges. ***Note:*** Consuming any part of a meal is considered consuming a full meal and all charges apply.

2.2.2. Special Orientation Groups.

2.2.2.1. Special groups may dine on the main floor with the Cadet Wing provided there is a benefit to the cadets and the group is sponsored by an appropriate agency such as Protocol (HQ USAFA/DSP), Director of the Office of Admissions (HQ USAFA/RR), Strategic Plans, Programs, and Requirements (HQ USAFA/A5/8), or an Academic Department. A Point of Contact for payment purposes will be identified at the time of the request. Advanced coordination through CFS, Support Section is required to ensure there are no conflicts.

2.2.3. Guests of Cadets or USAFA Staff. A Cadet or authorized permanent party personnel must escort all guests while in any CFS facilities.

2.2.3.1. Mandatory meals are military formations and civilians normally may not attend unless they are part of an approved orientation group or guest of USAFA. Cadets or authorized diners may not have guests (military, civilian friends or relatives) at these meals. Cadets and USAFA Staff may invite guests (civilian or military) to optional buffet meals. Guests will pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction. Cadets or authorized permanent party personnel are responsible to ensure guests pay for their meals.

2.2.4. Mitchell Hall employees may only purchase a meal for themselves and, on occasion, a meal for a guest if they are working that shift. Director, CFS has final approval or disapproval for requests of employee guest meals.

2.2.5. Cadet Candidates.

2.2.5.1. Bona fide Cadet Candidates registered with the HQ USAFA/RR may dine with the Cadet Wing when escorted by a Cadet. They pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction.

2.2.6. Cadets of Other Academies.

2.2.6.1. Cadets of other service academies and ROTC cadets, who are on official exchange for the semester, visiting USAFA on official invitation are extended reciprocal privileges and subsist at the expense of the Cadet Subsistence Fund and not at the expense of the cadet. This does not include Officer Training School (OTS), Reserve Officers Training Corps (ROTC) or Prep School cadets visiting CFS facilities who must pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction. Cadets of other academies and ROTC cadets that are on leave status or visiting without official invitations must pay for any meals consumed.

2.2.7. Athletics.

2.2.7.1. Visiting athletic recruits are authorized to eat in the dining facility with a cadet escort. The current table of rates or other governing directives and all applicable surcharges apply. CFS, Support Section will contact the Athletic Recruiting Support Office at the end of each quarter to request the spreadsheet for athletic recruits that dined during the quarter. This will be used as the source document to attach to an invoice sent to the Air Force Academy Athletic Corporation office for payment.

2.2.8. Unofficial Recruits.

2.2.8.1. Student athletes are authorized to visit USAFA as an unofficial recruit when invited by a hosting team coach. These students are required to pay for any and all expenses relating to the USAFA visit to include meals consumed in Mitchell Hall. The student athlete will be escorted by the USAFA athlete to any meals they attend and are required to pay for meals at the current table of rates or other governing directives and all applicable surcharges. Escorts will ensure recruits pay for their meals.

2.3. Permanently Authorized Diners. Below are permanently authorized diners at CFS facilities. All personnel listed will pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction.

2.3.1. They will pay at the appropriate table of rates or other governing directives including any applicable surcharges unless other reimbursement arrangements have been made with CFS, Support Section.

3. Mandatory Meals, Seating, and the Schedule of Calls.

3.1. Mandatory Meals.

3.1.1. Schedule of Mandatory Meals is normally coordinated at the beginning of each semester and if a change or individual cancellation occurs, USAFA/CWT will notify the Director, CFS. ***Note:*** Single changes in mandatory meal schedule to an optional meal may be accommodated in emergency circumstances; however unscheduled mandatory meals require a minimum of seventy-two hours notification and may be subject to menu and dining service limitations. Normal menu scheduling requires five week pipeline order.

3.1.2. Restriction of Cadet Wing to the cadet area requires immediate notification from USAFA/CWT to the Director, CFS.

3.2. The Schedule of Calls.

3.2.1. The Director, CFS will coordinate the Schedule of Calls and seating for meals with the HQ USAFA/CWT to ensure CFS supports the Cadet Wing with greatest efficiency.

4. Alcohol, Smoking Restrictions, and Spirit Missions in Mitchell Hall.

4.1. Alcoholic beverages are authorized in Mitchell Hall under the following guidance in accordance with (IAW) Air Force Instruction (AFI) 34-219, *Alcoholic Beverage Program*, USAFA Supplement.

4.2. Resale of Alcoholic Beverages in Mitchell Hall. All resale of alcoholic beverages at special functions will be provided by 10 FSS IAW AFI 34-219, USAFASUP and must be coordinated through CFS.

4.3. Alcoholic beverages served during a banquet for the purpose of a toast, must be provided by the POC of the special function. The serving of the alcoholic beverage must be approved by the HQ USAFA/CW through an AF Form 1768, *Staff Summary Sheet or eSSS*. The POC is required to provide a copy of the approved Staff Summary Sheet to the Special Functions Coordinator.

4.4. Smoking in Mitchell Hall is prohibited.

4.5. Mitchell Hall employees and guests may smoke outside the building only in approved designated areas and are required to use butt cans or other designated receptacles.

4.6. Spirit Missions are not permitted within Mitchell Hall.

5. Mitchell Hall Staff Tower.

5.1. Mitchell Hall personnel levels have significant bearing on the support of the Mitchell Hall Staff Tower, as cadet dining in the main dining room is the priority mission of CFS. All USAFA personnel will make every effort to utilize open seating on the main dining room floor prior to any request for the Mitchell Hall Staff Tower support.

5.1.1. The primary purpose of the Mitchell Hall Staff Tower is to host the Superintendent, Commandant of Cadets, and the Cadet Wing Staff, distinguished visitors of USAFA, general officers, and USAFA Mission Element leadership during mandatory meals.

5.1.1.1. Distinguished Visitors. Distinguished Visitors include all general officers, Mission Element leaders and their Vices/Deputies (while hosting), the Board of Visitors (BOV), Congressmen, foreign dignitaries, historical figures, etc. (e.g., WWII Veterans, Tuskegee Airmen, Medal of Honor recipients, and other personnel deemed DVs by USAFA/CC).

5.1.1.2. CFS will coordinate all special requests to dine in CFS facilities with USAFA Protocol, HQ USAFA/CW, or Mission Elements.

5.2. Mandatory Meal announcements are usually made from the Staff Tower during mandatory meals. The Cadet Wing Public Affairs personnel are responsible for all announcements. This includes introductions, audio/video presentations, and policy that may affect the cadet wing.

5.3. The Mitchell Hall Staff Tower is not to be utilized as a venue for guests or permanent party of USAFA to gather for meetings or meals.

5.3.1. Official Guests of USAFA permanent party, departments, and organizations when coordinated with CFS Special Functions Coordinator, may be authorized to dine on the Mitchell Hall main dining room floor. Introduction of guests of USAFA will be coordinated in advance with CFS Special Functions Coordinator at least one week in advance.

5.3.2. CFS management recommends that cadets escort all guests and visitors to and from Mitchell Hall during all meals. Cadets should always ensure that guests have a seat and pay for their meals.

5.4. Cadet Wing, class or group dinners are authorized to use the main dining floor for special meals such as class dining-ins/outs. Coordination must be made a minimum of ninety days in advance of the desired date through the CFS Special Functions Coordinator with the final count at least ten days prior to function.

6. Formal/Informal Dining Rooms.

6.1. Cadet squadrons, recognized cadet clubs, and other USAFA support groups approved by Director, CFS may reserve the Formal/Informal Dining Rooms during the academic year with 30 days' notice. ***Note:*** The Formal/Informal Dining Rooms and other CFS special function areas are designated for the support of USAFA cadets. CFS cannot support Air Force morale functions such as Hails and Farewells, Commanders' Calls, or private non-cadet related functions. Mitchell Hall personnel levels have significant bearing on support of the Formal/Informal Dining Rooms. As Cadet dining in the main dining room is the priority mission of CFS, support of cadet functions in this area when manning is below established levels will be significantly limited and possibly unavailable.

6.2. Functions should meet the following criteria:

6.2.1. Sponsored by and be primarily for cadets. At least 51% of the participants must be cadets for Formal Dining Room events.

6.2.2. The Cadet in Charge (CIC) and/or Officer in Charge (OIC) reimburses the CFS for all costs incurred for guests and pays for the functions in advance. Cancellations should be made 72 hours in advance.

7. Supporting Special Functions outside Mitchell Hall.

7.1. All functions supported by CFS outside of Mitchell Hall must be approved by the Director, CFS or Support Branch Chief in advance. All functions must support the Cadet Wing and have a training basis certified by a program manager, commander or coach that support is required to meet mission needs in writing. Examples include, support for Superintendent functions, Commandant Social Decorum functions related to training and leadership development. CFS personnel levels have significant bearing on support of all functions outside the main dining facilities.

7.2. Cadets attending an event must be unable to attend normally scheduled dining at Mitchell Hall in order to meet the intent of a special function event. ***Note:*** Mitchell Hall will make accommodations for early dining times at all meals if mission allows. Convenience of cadets is not justification for support outside Mitchell Hall when adequate arrangements can be made to meet Mitchell Hall meal schedules. Events or activities that occur during meal periods must be approved by the SCA Scheduling Committee for Mitchell Hall to provide off-site support.

7.3. Requests for these events must first be made to CFS Special Function Coordinator at least 60 days in advance to ensure Mitchell Hall can support and to allow for proper coordination. Approval is dependent on current workload and the financial posture of the subsistence fund.

7.4. Below are events, organizations and personnel authorized to host catered events funded by CFS outside of Mitchell Hall for cadets in support of training.

7.4.1. HQ USAFA/CC; HQ USAFA/CW, HQ USAFA/DF, HQ USAFA/AD, and HQ USAFA/ CCLD hosting special functions when such functions represent an extension of food service to the Cadet Wing.

7.4.2. CFS will directly support cadets outside CFS facilities for the following:

7.4.2.1. Cadet Wing Functions. Required and/or coordinated through the cadet wing and by the nature of the event requires feeding of cadets (usually a group, class or larger) outside Mitchell Hall in order to meet the mission requirements of the event. Some examples of such events are Cadet Wing Open and Group Commander's Calls.

7.4.2.2. Mission Element Events. Special training events coordinated with the HQ USAFA/CW designed as a part of the Cadet social decorum training.

7.4.2.3. Picnics/Pizza/Burrito Parties. These morale and/or training events will be supported through direct issue or outside catering as funding and mission allows.

7.4.2.3.1. Support for Picnics/Pizza/Burrito Parties. Picnic support normally starts the first weekend of the new academic year and ends the Sunday of Dean's Weekend. No picnic support is available during normal closures or leave periods, i.e., Thanksgiving, Christmas, and Spring Break. Mitchell Hall issues bulk picnic supplies on weekends (Friday, Saturday, and Sunday) depending on current workload and the financial posture of the subsistence fund. Mitchell Hall can support a limited number of picnics/Pizza/Burrito Parties on a given day.

7.4.2.3.2. All Picnic/Pizza, Burrito Party support must be requested on an USAFA Form 19, *Mitchell Hall Food Support Request*, and submitted 14 days prior to the event. The USAFA Form 19 must first be signed by the Squadron AOC/AMT, Department Head or Athletic Department prior to submission.

7.4.2.3.3. Users may pick up picnic supplies on Friday 1600–1800, Saturday 0700–1800 and Sunday 0700–1800 timing is subject to change dependent upon mission demands of Mitchell Hall. Groups that fail to pick up their requested picnic items may be responsible for reimbursement of perishable items.

7.4.2.3.4. The CIC and or OIC must ensure the proper handling of perishable and non-perishable items. Perishable items must be consumed within 4 hours after pick-up per USAFA Form 19. Signature on the form constitutes agreement with food consumption policy. For food safety reasons, food items may not be picked up one day for storage and use another day.

7.4.2.3.5. The Cadet Dining Facility will absorb costs at the current Table of Rates for Cadets. Anyone other than Cadets that are consuming the meal must reimburse for the cost of the food. The CIC or OIC must provide accurate guest counts and submit payment for guests to 10 FSS/FSVMS.

7.5. Food Trucks are arranged through AAFES approved vendors. Food Truck use must be approved by Director, Cadet Food Service or Operations Branch Chief prior to making any obligations to the vendor.

7.6. Arnold Hall 10 FSS/FSW Cadet Entertainment sanctioned events.

7.7. Support for Overnight Trips**.** Squadron-sponsored overnight trips and other weekend long activities receive only issued canned or dry, prepackaged food items. A completed USAFA Form 19 must be submitted 14 days before the trip departure date.

8. Superintendent/Commandant/Dean Special Function Support.

8.1. At the request of the Superintendent, Commandant, or Dean of Faculty, Mitchell Hall provides cadet meal reimbursement in support of leadership events for Cadets at the Carlton House (Superintendent), the Otis House (Commandant), and the Dean's House.

8.2. Funding for cadets only is provided by the Mitchell Hall Subsistence fund IAW USAFAI 51-601, *USAF Academy Management and Use of Gift Funds,* and Superintendent Policy Memos.

8.3. Food is provided/contracted for by the Superintendent's, Commandant's, or Dean's enlisted aides or USAFA Protocol.

9. Outsourced Catering Support.

9.1. Only the HQ USAFA/CC, HQ USAFA/CW, HQ USAFA/DF, HQ USAFA/AD, HQ USAFA/CCLD and Director, CFS are authorized this type of support as an extension of food support to the Cadet Wing. It must be coordinated through the CFS Special Functions Coordinator at Mitchell Hall.

9.2. A minimum of 40 days advance notice for outsourced food support is requested.

9.3. Each event coordinator must provide the names and signatures of all cadets supported in writing. Subsistence fund expenditure per cadet per day may not exceed the 10 FSS/CL approved table of rates per day. The total cost for the event cannot exceed this amount and includes any additional food or beverages provided directly or indirectly (CUL funds) by Cadet Food Services.

9.4. When outsourcing support for cadet dining, the following priority will be utilized for availability:

9.4.1. 10 FSS activities. 10 FSS Nonappropriated Food (NAF) activities are the primary catering resource for non-Mitchell Hall food functions. Utilizing these activities encourages cadet usage of these facilities, improves USAFA MWRF financial posture and ensures that public health directives are followed thus reducing the risk of foodborne illness to cadets.

9.4.2. Locally approved food providers possessing a blanket purchase agreement (BPA) with Mitchell Hall and approved by USAFA Public Health.

9.4.3. Other locally approved vendors who have successfully been inspected within the last 12 months by USAFA Public Health, and are in good standing with civilian public health authorities.

9.5. Vendors may be suspended from catering by Director, CFS or Public Health due to any failure in maintaining Food Code and or public health standards. Vendors may be suspended for failure to meet previous obligations with CFS or other USAFA organizations.

10. Box/Bistro Meals, Special Accommodations and Pre-Game Meals.

10.1. Box/bistro meals are authorized for cadets or cadet groups (one per individual) whose approved official function precludes eating in Mitchell Hall (e.g., airmanship training, field trips, athletic games, CCQ duty etc.). All pick up times must be coordinated with the Mitchell Hall Special Functions office.

10.1.1. Organizations must schedule early or late meals in lieu of box/bistro meals whenever possible (Special Accommodations). Organizations may not request box/bistro meals merely for convenience. Box lunch support to CCQs is not available when optional buffet meals are provided. Squadrons should allow CCQs to consume a meal during service hours. Users must consume box/bistro meals within four hours of issue when not refrigerated.

10.1.2. Box/bistro lunch requests must be submitted NLT 14 days before the date needed. The request for box meals in lieu of an early or late meal will be validated by CFS Special Functions Coordinator before box meals will be authorized. Request for 30 or more meals should be made with 30 days' notice.

10.1.3. Box/bistro Meals for Cadets on Bed Rest. Documentation from Cadet Medicine should be presented by the cadet or the cadet's representative to the kitchen supervisor for meal issuance.

10.1.4. Cost for box meals to non-cadets will be at the current Table of Rates. The requestor is responsible for ensuring those meals are paid for NLT time of pickup.

10.1.5. Reimbursement for Box Meals. Mitchell Hall provides box meals for cadets on a non-reimbursable basis. Non-cadets pay at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction for box meals.

10.2. Pre-Game Meals. HQ USAFA/AD may request pre-game meals or special meal accommodations in support of their programs in writing at least 14 days prior to the meal.

10.2.1. The requesting program will be charged for all non-cadets/coaches included in pre-game, box lunch, and snack requests. Billing will include all food costs and applicable surcharges as specified in the current table of rates or other governing directives or actual costs of meals whichever is greater.

10.2.2. Mitchell Hall provides nutrition supplements/snacks to cadets while participating in intense physical programs that preclude them from getting items from Mitchell Hall (BCT, ABLE, I-Day, etc.) Mitchell Hall does not provide snacks to cadets for individual class sessions. Cadets are afforded the opportunity to get nutrition supplements/snacks as grab-and-go items during meal periods and Falcon Express during posted times. Cadets are expected to plan accordingly if they or their faculty see a need for supplements/snacks for a particular class.

11. Managing Cadet Nutrition.

11.1. Mitchell Hall provides a number of meal options to support cadet health and nutrition. These food options include the following:

11.1.1. Weight Gain. Weight gain cadets are assigned by the CFS Dietitian with concurrence of the Air Officer Commanding (AOC). All cadets who desire to participate in this program must first see the dietitian for an initial nutrition counseling appointment. The following criteria will apply for cadets to be eligible to receive extra high calorie supplements. To participate in the program, cadets must meet one of the two criteria below:

11.1.1.1. Body weight of less than or equal to 85% of ideal body weight for males, or less than or equal to 90% for females.

11.1.1.2. Recent illness or recent significant weight loss – 1-2% in one week, 5% in one month, 7.5% in 3 months, or 10% in 6 months.

11.2. Vegetarian Meals. Vegetarian menus are provided for lunch and dinner meals. Cadets requesting vegetarian meals may be required to sign up at the beginning of the academic year with the Cadet Dietitian located in Mitchell Hall.

11.3. Light Meals. Light meals are provided for cadets who wish to control their weight or calorie intake. Light meals are provided as an extra option in the kitchen at lunch and light menu options are available on the buffets at the discretion of the Mitchell Hall Dietitians.

11.4. Dental Soft. A dental soft boxed meal requires documentation from Cadet Medicine or the Dental Clinic. Dental soft boxed meals are available in the Mitchell Hall kitchen during meal times. Additional dental soft foods can also be requested through the Mitchell Hall Dietitian for pickup through the nutrition office.

11.5. Falcon Fuel. Falcon Fuel is a CFS-sponsored program directly monitored by the Athletic Department Dietitian. All products provided by this program are coordinated by the AD dietitian and ensure all cadets receive special nutritional considerations during physical fitness. The financial posture of the subsistence fund will determine funding of the Falcon Fuel program as feeding cadets in Mitchell Hall is the primary mission of CFS.

11.5.1. Falcon Fuel Catered Meals. IC teams are provided catered meals at the request of the AD dietitian to provide athletes meals when athletic schedules do not permit them to attend meals in Mitchell Hall. Meals are approved by the Mitchell Hall Support Chief and provided at the 10 FSS/CL approved table of rates.

11.6. Falcon Express. Falcon Express is a “Grab-and-Go” service typically provided after hours for cadets to obtain nutrient-dense snacks and additional meal options. The CFS Dietitian oversees the menu offerings. Cadets are typically limited to no more than two entrées and four snacks and/or beverages each.

11.7. Sunrise Express. Sunrise Express is a “Grab-and-Go” service provided before and during the breakfast meal for cadets to obtain nutrient-dense snacks. The CFS Dietitian oversees the menu.

11.8. Flightline Express. Flightline Express is the airfield support meal program for cadets participating in flying programs. Bulk meals or box/bistro meals are provided to cadets in Airmanship programs. Meals are for cadets only.

11.9. Nutrition Counseling. Nutrition counseling is provided by the dietitians and open to all cadets. Counseling topics include weight management (weight gain and loss), sports nutrition, general healthy eating, eating disorders, vegetarian diets, soft diets, etc. To make an appointment, cadets may either call or e-mail the dietitians directly. Dietitians are located in Mitchell Hall.

12. Cadet Unit Leadership (CUL) Funds.

12.1. The purpose of CUL funds is to allow USAFA leadership and AOCs the opportunity to provide specialized training to cadets. This training includes but is not limited to social training, Air Force heritage training, and mentorship. The training objective of events supported with CUL funds should mimic functions cadets will attend as newly appointed officers on active duty such as dining-ins, squadron special functions (hails and farewells, awards banquets, etc.) These events should take into consideration Air Force heritage, decorum, and esprit de corps.

12.2. The CUL fund is sourced by the Cadet Subsistence Allocation. The subsistence fund is authorized by SAF and DOD to purchase food for cadets. This fund is restricted to food purchases only. Guidelines are provided in this USAFAI to all users of this fund. These rules must be strictly followed to ensure integrity of the funds. Each group, squadron and designated academic organizations with a bona fide requirement will be allotted CUL funds allowance to utilize throughout the academic year, normally August through May, based on the financial posture of the cadet subsistence fund.

12.3. Authorized CUL Funds. Current authorized users are HQ USAFA/CC, HQ USAFA/CW, HQ USAFA/DF, HQ USAFA/AD, HQ USAFA/CCLD, Group/Squadron AOCs, and Basic Cadet Training Commander. Director, CFS may authorize other USAFA activities CUL funds when in the best interest of training cadets and mission accomplishment.

12.3.1. The total reimbursable amount is set each year and is dependent on the posture of the Cadet Subsistence Fund. An authorized funding limit will normally be announced by CFS in August each year and communicated to authorized CUL funds users.

12.4. Cadet squadrons are allocated amounts to be used as part of the squadron social training/leadership/mentorship programs. Squadrons have annual funds allocated for both on and off base venues. Commanders should note that this is designed to support Air Force institutions and to mentor heritage to cadets. Annual amounts will be according to the 10 FSS/CL approved Table of Rates and availability of CUL funds are subject to the overall health of the Cadet Subsistence Fund.

12.4.1. Commander Heritage Functions may be scheduled at any time during the Academic Year (AY) as long as the 51% cadet participation requirement is met. Historically, the most popular forums for these events has been dining-ins catered by the Falcon Club or Eisenhower Golf Course.

12.4.2. All picnics/pizza/burrito parties (includes CUL supported picnics) require 14 days advanced notice.

12.4.3. Catered Dining-In (Falcon Club/Eisenhower Golf Course): Requires POC to coordinate with Falcon Club Catering or Eisenhower Golf Course Food and Beverage Manager. Booking more than thirty days in advance is highly recommended.

12.5. CUL Event Authorization Form must be signed by the AOC/AMT/Permanent Party POC certifying that the event requested for reimbursement is within the spirit and intent of social training, mentorship, and/or heritage training (paragraph 12.1 above).

12.5.1. At the beginning of the CUL funding cycle (usually on/about 1 August), all users of CUL funds will be briefed in conjunction with CWT Support Officer Orientation. Unit CUL POCs will certify their understanding of the use of CUL funds. Expenditures are reviewed, approved and may be audited by 10 FSS/FSR and HQ USAFA/FMN.

12.5.2. CUL funds usage. CUL funds may reimburse for the cost of food and non-alcoholic beverages only. CUL funds cannot pay for service fees, labor, paper products, alcohol, tips, supplies, taxes, or other surcharges.

12.6. Funds limitations. Each individual/organization is required to turn in all applicable receipts when requesting reimbursement for authorized events. Reimbursement will be made through 10 FSS/FSR (NAF Accounting) upon receipt of original food event receipts not to exceed established limits (see 9.3 above).

12.7. Direct Cadet Support. Reimbursement can be applied to functions in the home or designated squadron area or off base site, but can only be used to offset the cost of food provided in direct support of cadets. Reimbursement is pro-rated based upon the number of cadets and non-cadets in attendance. Non-cadets would include the commander, AOC, guest, and/or family members.

12.8. Reimbursement of CUL Funds**.** All original receipts, request forms AOC/AMT/POC signatures and signed AFCW Form 1, *Unit Accountability Record*, or certified attendance list, must be submitted to the CFS Administration within three days of the event. Allow approximately 4 weeks for processing and reimbursement. Authorized reimbursement is limited to a single social training event. Funds are not intended to purchase food items for multiple days or meals. Meals consumed in Mitchell Hall only require settlement to close open invoices.

12.9. CFS, Support Section will provide cumulative fiscal year totals upon request. Each Group's AOC can request authorization transfer between their squadrons as they see fit. Unused CUL Funds cannot be transferred from one academic year to another.

12.10. CUL events cannot coincide with mandatory cadet events.

13. Funds Accountability for Mitchell Hall.

13.1. The funds accountability for Mitchell Hall is governed in part by AFMAN 34-209, *Nonappropriated Fund Financial Management and Accounting*, AFI 65-107, *Nonappropriated Funds Financial Management Oversight Responsibilities*, and DoD 7000.14-R, Volume 12, Chapter 20 *Military Academy Dining Hall Operations.* It is the responsibility of all USAFA personnel to ensure that non-cadet personnel pay for their meals prior to consumption in a CFS facility.

13.2. Accountability for food sales other than Cadet Subsistence. Food sales and operating charges include all non-cadets served in the Cadet dining facility and will be accounted for on an AF Form 79, *Headcount Record*.

13.3. Funds Accountability. Change funds will be issued by NAF AO to the CFS manager or designated representative on an AF Form 2557, *NAF Cash Receipt Voucher*. Each cashier will

sign for and turn in their AF Form 79 on the AF Form 1254, *Register of Cash Collection Sheets*, in the CFS Administration Office. Total sales from the AF Form 79 will also be accounted for on the AF Form 1254.

13.4. Sales Accountability. All AF Forms 79 will be verified by the CFS Administration Staff at either the end of the shift or end of the day. All food costs will then be reconciled on the AF Form 1876, *NAF Consolidated Cost Center Report*, via SAIS program. All surcharges for operating expenses will be deposited to the applicable treasury account. Funds will be deposited when cash exceeds $700. Deposit slips together with the AF Form 1876 and AF Form 79 will then be forwarded to the NAF AO.

13.5. The CFS Administration Office will use AF Form 1254 in lieu of the back of AF Form 1875 to control AF Form 79. After the AF Form 1254 is completely filled in, it will be filed in the AFRIMS file plan and staged according to the appropriate table and rule.

14. Accounts Receivable.

14.1. **Maintaining Accounts Receivable.** IAW AFMAN 34-209, CFS will report all sales received from employee meals, Staff Tower visitors, Special Functions, etc., on AF Form 1876.

14.2. Events that have not been paid for at the time of consumption are recorded on the

AF Form 1876 and will be set up as a receivable. Accounting entries will be a credit to sales (301) and a debit to accounts receivable (111). Surcharges are due to the Treasury when a meal is consumed. Mitchell Hall will set up an accounts receivable. Payments are deposited into the NAF subsistence account to clear the unpaid meal costs (meal rate + surcharge).

14.3. The CFS Special Functions Coordinator will provide the requestor an invoice for payment within 72 hours of an event and request payment within 30 days.

14.4. The CFS Administration Office will contact the party or group if the outstanding balance is not paid within 30 days.

15. NAF Council Oversight.

15.1. In order to ensure transparency and accountability for Subsistence Fund execution the NAF council will be briefed on the 10 FSS/CL approved projected Subsistence Fund program support amounts at the NAF council prior to the beginning of the Academic Year.

15.2. Projected program support brief may include Cadet Unit Leadership (CUL), Falcon Fuel, Religious Accommodation, IC Program Support, Weekend Cadet Food Parties, Arnold Hall Event Support, Social Decorum Training, Group Dinner Support, Cadet Club Support, Otis/Carlton/Dean's House Events, and Special Events.

16. Supporting Religious Accommodation. As members of the US Military, all cadets have the constitutional right of free exercise of religion. In accordance with AFI 1-1, *Air Force Standards,* para 2.11, "Every Airman also has the right to individual expressions of sincerely held beliefs, to include conscience, moral principles or religious beliefs, unless those expressions would have an adverse impact on military readiness, unit cohesion, good order, discipline, health and safety, or mission accomplishment." Absent any of the concerns listed above, Mitchell Hall will accommodate the religious requirements of cadets and other authorized personnel. All requests for Mitchell Hall religious accommodation will be vetted through the Cadet Wing Chaplain's office (HQ USAFA/HCX).

16.1. Worship Service Meal Support. Mitchell Hall will work with HQ USAFA/HCX to provide support for meals when chapel worship, either weekly or on a holiday, conflicts with meal times, requires sacramental meals, or special religious accommodation (i.e., kosher, halal, vegetarian).

16.1.1. Only vendors that are approved by Public Health and the senior faith group chaplain will be utilized. Vendors must allow payment after the service/meal.

16.1.2. The Branch Chief of Cadet Faith Communities in coordination with the senior chaplain for the faith group supported will provide a number of expected cadets attending the worship service/meal 14 days in advance of the service/meal. Mitchell Hall will give clearance for the senior faith group chaplain to order the required food no later than 5 days prior to the service/meal. Faith group chaplains will have cadets sign in at the service/meal and the roster will be turned into to Mitchell Hall. Mitchell Hall will pay the vendor amount approved on the

10 FSS/CL approved Table of Rates per cadet for the number of cadets that attend. Any extra costs over approved per cadet amount or for food ordered in excess of the cadets that attended the service/meal will be paid to the vendor out of HQ USAFA/HCX funds.

16.2. Special Holiday Meal Support. During certain holiday seasons (i.e., Passover, Lent) cadets may require dietary accommodations outside of chapel worship services. In this event, Mitchell Hall will coordinate with the Branch Chief of Cadet Faith Communities to provide acceptable meals (i.e., Meals Ready to Eat (MREs), food purchased and prepared at Mitchell Hall) to cadets for the duration of the holiday season.

16.3. BCT/EST Religious Dietary Support. While at Jack's Valley, Basic Cadets or EST students with religious dietary needs will request special MREs (i.e., kosher, halal, vegetarian) through their chain of command with the advisement of their chaplain. The Branch Chief of Cadet Faith Communities will provide numbers of special MREs required to Mitchell Hall. Mitchell Hall will ensure an adequate supply of special MREs are purchased in advance and are distributed to cadets when needed.

16.4. Regular Religious Dietary Needs Support. If USAFA cadets have specific religious dietary needs that apply on a year round basis (i.e., kosher, halal, vegetarian), Mitchell Hall will make the utmost effort to provide acceptable alternatives to accommodate those needs. This may include purchasing pre-packaged items from off-base vendors, ordering food from acceptable restaurants/caterer, or providing special MREs for those cadets. In all cases, religious accommodation will be of the highest importance and only be denied under circumstances outlined in AFI 1-1 and in coordination with the Cadet Wing Chaplain's office (HQ USAFA/HCX).

17. Contingency Support.

17.1. When directed by 10 FSS/CL, the Director, CFS will assist 10 ABW with disaster relief activities and USAFA Search and Recovery exercises involving non-Cadets. First responders (10th Security Forces, 10th Civil Engineer Squadron, 10th Force Support Squadron, and 10th Medical Group personnel) participating in these activities will pay for meals at the appropriate table of rates or other governing directives including any applicable surcharges unless otherwise noted in this instruction. The emergency situation will be determined by the 10 FSS/CL and coordinated with the CFS.

17.2. When emergency situations occur such as adverse weather conditions, operational situations, and operational failures, the Director, CFS may authorize overtime/compensatory time in order to meet the mission requirement of cadet feeding.

17.2.1. Mitchell Hall personnel staying overnight due to adverse weather conditions may be offered sleeping accommodations at USAFA Lodging on a space available basis at their personal expense, or will be provided cots, bedding, and comfort items within Mitchell Hall at no cost to employees.

17.3. Mitchell Hall will maintain a minimum of 8,000 MREs and 7 days worth of in-house subsistence to be used as needed in an emergency situation.

17.4. Cost for meals to non-cadets will be billed to the requesting organization. They will be charged the cost of the meal according to the current table of rates plus applicable surcharges.

18. Customer Feedback.

18.1. Customer feedback is crucial to mission success and will be obtained through a variety of sources throughout the year.

18.2. The Mitchell Hall Cadet Advisory Panel is comprised of cadets representing the diverse demographic cadet population. Names are compiled by CWT Cadet Support OIC and provided to Mitchell Hall leadership. The Panel normally meets monthly during the Academic Year.

18.3. Automated Feedback is provided through the ICE program, through 10 FSS Marketing QR Code Program and Survey Monkey.

18.4. Taste testing forums are provided to cadets throughout the year to give cadets an opportunity to taste potential new products for inclusion in the cadet menu.
