This instruction implements Department of the Air Force Policy Directive (DAFPD) 36-20, *Accession of Air Force Military Personnel*, and prescribes procedures for the allocation of cadet time. It establishes the sources of authority for determining the specific uses of cadet time and for granting excusals from approved duties, activities, or events. It establishes eligibility requirements for excusals and the limitations on the amount of academic classes from which cadets may be excused. It includes a list of priorities that determine precedence when conflicts occur. Any United States Air Force Academy (USAFA) agency requesting cadet time will comply with the authorizations, precedence, eligibility requirements, and procedures contained in this instruction. In case of conflicts with other USAFAI or guidance, this instruction takes precedence. The authorities to waive wing/unit level requirements in this publication are identified with a Tier ("T-0, T-1, T-2, T-3") number following the compliance statement. See Department of the Air Force Manual (DAFMAN) 90-161, *Publishing Processes and Procedures*, for a description of the authorities associated with the Tier numbers. Submit requests for waivers through the chain of command to the appropriate Tier waiver approval authority, or alternately, to the Publication OPR for non-tiered compliance items. This publication does not apply to Air Force Reserve Command (AFRC) units or the Air National Guard (ANG). In collaboration with the Athletic Department, (USAFA/AD), Dean of Faculty, (USAFA/DF), and the Deputy Chief of Staff for Manpower, Personnel and Services (HQ USAF/A1) develops personnel policy for the allocation of cadet time. Refer recommended changes and conflicts between this and other publications to USAFA Cadet Wing Training, Scheduling Division (USAFA/CWTS), 2354 Fairchild Drive, Suite 4A4, USAFA, CO 80840, on Department of the Air Force (DAF) Form 847, *Recommendation for Change of*

Publication; route DAF Forms 847 from the field through the appropriate functional chain of command. Ensure all records generated as a result of processes described in this publication adhere to Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and are disposed of in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System.

SUMMARY OF CHANGES

This regulation has changed significantly and will need a complete review for all the changes.

CADET EXCUSAL AUTHORITIES

1.1. Commander's Intent:

1.1.1. Cadets spend 47 months at USAFA in a warrior-based leadership development program, culminating with a commission in the US Air Force or US Space Force. As a premier Military Service Academy USAFA employs military training, academics and athletics in harmony to develop future officers.

1.1.2. If conflicts arise with regard to cadet's time, the priority is:

1.1.2.1. Military training/duty with the cadet squadron

1.1.2.2. Academics

1.1.2.3. Athletics

1.1.2.4. USAFA-sponsored extra-curricular activities

1.1.2.5. Other

1.2. **Command, Time Allocation, and Excusals.**

1.2.1. The Superintendent (USAFA/CC) holds overall command of cadets and permanent party. USAFA/CC , via the Academy Board governs the Schedule of Calls (SOC). The Commandant of Cadets (USAFA/CW) through the Group Commanders (Gp/CC) and Squadron Commanders (Sq/CC) field forces to the other Major Units (MUs), The USAFA Scheduling Committee, per USAFAI 36-3540, *The Air Force Academy Board*, coordinates cadets' excusals across the Major Units (Dean of the Faculty (USAFA/DF), the Director of Athletics (USAFA/AD), and the 306th Flying Training Gp/CC. This instruction reinforces that USAFA is a 47-month leadership development program where cadets are expected to prioritize duty and remain engaged with their squadrons to the maximum extent possible.

1.2.2. SOC Structure – SOC accounts for cadet time daily and includes CW Time, Common Graded Reviews (GRs) six Academic periods, Mid-Day CW or DF time, Afternoon Athletic Time, Personal Development Time (PDT), Military Administration Time (MAT) and Academic Call to Quarters (ACQ).

1.2.2.1. Morning CW Time – Used for admin/military training (e.g., Ready Airman). If required, DF uses the same time block for GRs (GRs take precedence during this time).

1.2.2.2. Academic Periods – Six daily periods; PE occupies two per session, totaling three PE periods/day

1.2.2.3. Athletic Time – Prioritizes intercollegiate and intramural athletic training/competition and fitness to meet graduation requirements.

1.2.2.3.1. Cadets must engage in athletics/fitness three times weekly, this can include one season in intramurals, competitive athletic clubs, CW-approved clubs authorized LOS (must have AD approved fitness plan), or intercollegiate sports per USAFAI 36-3533, *Requirements for Graduation*, and unit PT should occur on non-intramural days

1.2.2.3.2. Unit Fitness and Fitness Improvement Program (FIP) is mandatory unless actively participating in a qualifying athletic program mentioned in 1.1.2.3.1.

1.2.2.3.3. Cadets on athletic probation or placed in the Fitness Improvement Program as directed by the Physical Education Review Committee must attend reconditioning or FIP in addition to regular fitness on alternating M/T Days.

1.2.2.4. PDT – Reserved for personal growth and all other clubs participation. SCAs are required for mandatory events during PDT.

1.2.2.5. Military Admin Time Evening Sq-level admin (e.g., briefings, accountability, meetings, feedback). PT/military training is allowed but must tie to the Course of Instruction (e.g., Ready Airman Training, TCCC training, landnav briefings, etc.) ; Knowledge Test/Bowls permitted. No permanent party required.

1.2.2.6. Academic Call to Quarters – Cadets are afforded time for studying in the evening.

1.2.3. USAFA Scheduling Committee

1.2.3.1. Acts on behalf of USAFA/CC to review requests impacting military, academic, athletic, airmanship, or personal time.

1.2.3.2. Chaired by USAFA/CWT or designee; voting members: CW, DF, AD reps. Advisors: 306 FTG/CC rep, USAFA/HC rep, CWTM Clubs Coordinator (non-voting). MU reps speak for their commanders to expedite decisions within established guidance.

1.2.3.3. Reviews cadet excusal and event requests weekly during academic year; special meetings convened as needed. Summer excusals follow Summer OPORD.

1.2.3.4. The Scheduling Committee must be notified as soon as possible when planning a major event that requires group participation. To avoid conflicts, a review of the Cadet Military Training Schedule (CMTS), program of record, must be part of the planning process. USAFA/CWTS, on behalf of the Scheduling Committee maintains the CMTS. The CMTS lists all major MU events for the academic year. Organized group activity SCAs will be posted in Campus Solutions/Student Information System (SIS) with the committee's decision.

1.2.3.5. The Scheduling Committee holds approval authority for cadet excusals; unanimous vote (3/3) required. Members weigh both MU-specific conflicts and institutional priorities (Military, Academics, and Athletics in priority order).

1.2.3.6. Major group events affecting an entire class of cadets (or more) must be coordinated early with CWT to avoid conflicts. CMTS (owned by CWTS) is the official source of major event de-confliction.

1.2.3.7. Group/Individual SCAs are posted in SIS following committee's decision. **NOTE:** There will be no authorization of funding (to include gift funds) without SCA approval. Non-refundable personal expenses incurred prior to SCA approval are made at the individual's risk and will not be reimbursed. Likewise, fund expenditure prior to SCA approval is not grounds for SCA approval or appeal.

1.2.3.8. All SCAs can be appealed to the USAFA/CC or the designated representative only using the chain of command in each MU structure. The MU leads will then ask the USAFA/CC for an appeal if they see fit to do so.

1.3. **Attendance and Excusal from Duty.**

1.3.1. Cadets requesting individual SCAs and staff requesting group SCAs will minimize absences. Sq/CCs and the Scheduling Committee will evaluate requests based on GPA, MPA, PEA, probation status, and event purpose.

1.3.2. Extracurricular activities will not occur during scheduled academic, military, athletic, airmanship, or ACQ periods.

1.3.3. The following are binding schedules:

1.3.3.1. Cadet Wing Schedule of Calls

1.3.3.2. Cadet Military Training Schedules

1.3.3.3. Individual Cadet Academic Schedules

1.3.3.4. Official supplementary schedules (LOIs, OPORDS or PLANORDS)

1.3.4. When schedule conflicts arise, cadets follow the order of precedence in **Attachment 3** and inform impacted parties.

1.3.5. Cadets must coordinate absences with or obtain approval from instructors before attending higher-precedence duties per SCA conditions communicated by the SCA committee. SCAs are required to miss class for non-duty events.

1.3.6. Cadets will attend formations and duties unless formally excused.

1.3.7. Cadets on official travel must attend scheduled duties if trips are canceled, delayed, or cut short.

1.3.8. Cadets returning from SCAs:

1.3.8.1. Before taps: sign in and resume duty after CQ.

1.3.8.2. After taps: resume duties within 8 hours.

1.3.9. For excused absences:

1.3.9.1. Cadets must coordinate with instructors and Sq/CCs.

1.3.9.2. All military/academic/athletic content must be made up within 24 hours or at instructor's/permanent parties' discretion.

1.3.9.3. GRs will be taken before departure or within 24 hours of return.

1.3.9.4. Cadets will attend partial classes if excusal overlaps.

1.4. **SCA Submission Procedures.**

1.4.1. Non-emergency SCAs must be submitted in SIS no fewer than 14 days before the event. Late requests may be disapproved. Coordination with Sq/CC is required.

1.4.2. Cadets on probation must obtain MU approval before SCA submission.

1.4.3. The Scheduling Committee posts decisions in SIS. Appeals follow **para 1.2.3.8**.

1.4.4. All group events require coordination across all MUs and with the MU representative on the SCA committee.

1.4.5. SCA requests must include cadet names, dates/times, destination, GPA/MPA/PEA, probation status, itinerary, and transportation. SCAs will not be approved until final rosters are updated.

1.4.6. SCA requests must include a clear, accurate event time and description explaining its significance (e.g., required for national qualification or course/graduation requirements) and rationale as to why a trip must occur during a specific timeframe (i.e. there were no other qualifiers offered on other weekends, there are no other opportunities that can be used to fulfill the Capstone requirement, etc.)

1.4.7. Cadets must align SCAs with SOC blocks. SIS must confirm eligibility per **para 1.5**.

1.4.8. Ticket purchases and fund expenditures do not guarantee SCA approval. See **para 1.2.3.7**.

1.4.9. Urgent SCAs must be submitted and coordinated via CWTS for immediate vote if warranted.

1.4.10. Cadet CICs/OICs are responsible for updating SCA rosters and ensuring non-participants attend duty.

Approval—The affected cadet(s) must have specific permission at least two duty days in advance to attend the requested event or activity from the appropriate Sq/CC/Instructor/OIC/Coach impacted by the cadet's absence.

Athletically At Risk Cadets—Cadets identified by USAFA/AD for Physical Enhancement Program (PEP), primarily based upon their Basic Cadet Training fitness performance.

Cadet Duties and Time—Includes academic, scheduled, personal, military, athletic, airmanship, and activities time, each managed by a ME.

Competitive Athletic Clubs—Those cadet club activities approved by AD and CWT as meeting the intent of competitive athletics IAW USAFAI 36-3533, *Requirements for Graduation*. This category of clubs are authorized to meet/practice during intramural time with a limited number of their roster to prepare for league, regional, and/or national competitions

Coordination—The affected cadet(s) must notify, in person, or receive a response from their Sq/CC/Instructor/OIC/Coach at least two duty days in advance of missing any class, training, or scheduled activity prior to signing out using an SCA.

Course Absence—An absence from one regularly scheduled meeting of a course that appears on a cadet's academic schedule. Absence from both periods of a double period course counts as only one course absence. Absence during an unscheduled academic period is not a course absence.

Last Military Duty—Point in the duty day after which a cadet has no further duty requirements.

Pass—Issued by commanders. They are privileges, not rights. They are authorizations for cadets to exceed limits after LMD.

Precedence—The specified program/activity takes priority and the cadet(s) involved must be present for that program/activity before engaging in another program/activity.

Mission Support Clubs—Those Cadet Club activities which promote and support USAFA mission or benefit the Cadet Wing and other recognized activities or teams.

Scheduling Committee Action—A cadet approval process required for any organized cadet activity that falls outside of the normal Schedule of Calls. An approved SCA is an authorization to deviate from the SOC but not from duty. An SCA may also authorize cadets to exceed limits.

Trip—Activities conducted off the Academy (unless authorized by pass or privilege) regardless of the time or number of days involved; requires coordination through the USAFA Scheduling Committee.

A2.3. Sick Call & Bedrest.—A2.3.1. Non-emergency excusals must be issued via ASIMS by authorized medical personnel.

A2.3.2. If non-emergency care is not immediately available, Sq/CCs or AMTs must consult with needed Helping Agencies (i.e. Medical, SAPR, MFLAC, PPC, Chaplains, etc.) before authorizing bedrest.

A2.3.3. Cadets should schedule an appointment/visit the clinic before missing any class; bedrest does not excuse duties beyond the appointment unless medically directed.

A2.3.4. Either the cadet or, if appropriate, the Sq/CC or AMTS will notify all instructors of the cadet’s bedrest status.
A2.3.5. Sq/CCs or AMTs must update SIS with quarters or rest status per CW guidance.
