This publication supplements Air Force Instruction (AFI) 33-332, *Air Force Privacy and Civil Liberties Program*. It outlines guidance and procedures on Beale Air Force Base's (AFB) Privacy Program processes. This publication applies to all Air Force personnel, supported tenant organizations, and mission partners to include the Air Force Reserve and Air National Guard. Adherence to the Privacy Act (PA) and protection of Personally Identifiable Information (PII) is the responsibility of every federal employee, military member, and contractor assigned to Beale AFB. This publication may not be supplemented at any level. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) listed above using the Department of the Air Force (DAF) Form 847, *Recommendation for Change of Publication*; route DAF Forms 847 from the field through the appropriate chain of command. Submit requests for waivers through the chain of command to the publication OPR for non-tiered compliance items. Ensure that all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and are disposed in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System (AFRIMS). The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

2.8.1.1. **(Added)** The Beale AFB Installation Commander will appoint a primary and alternate Base Privacy Manager (BPM), who will also serve as the Civil Liberties Point of Contact (POC). Unit Cybersecurity Liaisons (CSLs) will conduct monthly scans of all shared drives within their organizations. If unprotected PII data is discovered during the scan, delete and/or safeguard the PII to ensure only authorized personnel have access and follow instructions outlined in paragraph 2.8.3 and Chapter 3 of AFI 33-332.

2.8.3.2. **(Added)** Site Content Managers will document monthly scans, annotate any findings and provide a copy to their UPM for their records. Members may reach out to the BPM for a template via email at **knowledge.operations@us.af.mil**.
