SUMMARY OF CHANGES

This publication has been significantly modified and must be reviewed in its entirety.

3.1.5.1. **(Added)** Consistent with the New Mexico Liquor Control Act, an adult is a person 21 years of age or older. Persons must be 21 years of age to purchase or possess alcoholic beverages on CAFB. This applies to CAFB and base housing areas.

3.1.8.1. **(Added)** Consistent with New Mexico Liquor Control Act, an adult may not provide alcoholic beverages to individuals who have not attained the age of 21 years.

3.1.13.1. **(Added)** Employees of the 27 SOFSS who dispense alcohol are required to receive Dram Shop training prior to performing any duty that includes dispensing alcohol. The activity manager will thoroughly brief and document the CAFB Dram Shop policies prior to the employee performing duty. Dram Shop training will be updated annually and documented in the employee's training records.

3.1.13.2. **(Added)** New Mexico has a Dram Shop Law imposing legal liability for serving alcohol to a person who is intoxicated (New Mexico Statues, Chapter 41, Article 11-1). Facility managers will report individuals involved in alcohol-related incidents; e.g., fights, destruction of property, etc., to the 27th Special Operations Security Forces Squadron for investigation. Unit commanders will take appropriate action in these incidents to include referral to the substance abuse clinic for evaluation of alcohol-related issues.

3.1.14. **(Added)** Volunteers serving alcohol at Force Support functions or at Squadron functions will receive just-in-time Dram Shop training through the Community Services Flight, 27 SOFSS/FSW. This training will be documented in the request to 27 SOW/CC using the template at **Attachment 3**, *Example of Request to Serve Alcoholic Beverages Letter* of this supplement.

3.5.1. **(Added)** The 27 SOFSS/CC directs all Force Support personnel serving alcohol to receive Bystander Intervention training within 90 days of employment. Volunteers serving alcohol at Force Support events or at Squadron functions must complete Bystander Intervention training prior to the event. Squadrons will confirm volunteers serving alcohol at functions have completed Bystander Intervention training on the 27 SOW request form at **Attachment 3** of this supplement.

3.7.3.1. **(Added)** See **Attachment 2**, *Alcoholic Beverage Resale Facilities.*

4.1.8. **(Added)** The Landing Zone Catering Office may be contacted at 784-2804 to have beverage catering at events to assist organizers with AFI 34-219 compliance.

4.2.1. **(Added)** The below paragraphs contain guidance concerning other CAFB areas designated for alcohol consumption:

4.2.1.1. **(Added)** Malt beverages may be sold at 27 SOFSS sponsored sporting events. Concession-type operations controlled by the Non-appropriated Fund Instrumentality (NAFI) are authorized for these activities. Alcoholic beverages other than malt beverages may not be sold or consumed before or during play of high risk sports; e.g., football, softball, etc. Alcoholic beverages may be sold or consumed in other government activities as specified in **Attachment 2**.

4.2.1.2. **(Added)** A full service bar is only authorized for special functions as approved by the installation commander. Force Support programs are the primary providers of alcoholic beverages for on-premises consumption. No other individual, installation organization, or Non-Federal entity is permitted to sell alcoholic beverages unless contracted through Force Support.

The 27 SOFSS has sole authorization to sell alcoholic beverages at wing events; e.g., wing picnics, air shows, open houses, etc.

4.3.3.1. **(Added)** Individual requestors are responsible for controlling alcohol service to underage personnel and must provide the number of adults and number of children attending the event in the request to the 27 SOW/CC. Based on the attendance, there will be one designated driver for every ten (10) participants who is 21 years of age or older. See **Attachment 3** for template letter.
