AIR FORCE PERSONNEL CENTER
INSPECTOR GENERAL COMPLAINTS RESOLUTION

Mr. Jon 'Mike' Vela
Inspector General

SMSgt Sabine Bell
Inspector General
Superintendent

The United States Air Force has a well-established Inspector General (IG) system that is charged with maintaining good order, discipline, readiness, and war-fighting capability. The IG provides an autonomous, neutral perspective in accordance with Department of Defense and Air Force Policy Directives and Instructions. These documents direct a credible, fair, and impartial IG system able to provide the commander and AFPC an independent voice to assist in assessing matters equally and fairly.

The Inspector General Complaints Resolution Program is prescribed by DAFI 90-301, *Inspector General Complaints Resolution*. Air Force military and civilian members have a duty to promptly report fraud, waste, and abuse (FWA) or gross mismanagement; violations of law, policy, procedures, or regulations; an injustice; abuse of authority; misconduct; inappropriate conduct; and deficiencies, or like conditions, to the appropriate supervisor or commander, to an IG or other appropriate inspector, or through an established grievance channel.

You have a right to file an IG complaint at any level, but experience has shown that many complaints can be resolved through the chain of command. For this reason, although not required, you are encouraged to discuss your concerns with your chain of supervision and/or your commander before reporting to the IG. No one may act against you simply because you contacted or prepared to contact the IG. If you believe someone acted against you because you complained to or prepared a complaint for the IG, please contact the AFPC/IG.
