This mission directive implements DAFI 38-107, *Air Force Mission Directives*, and defines the mission of the Air Force Installation and Mission Support Center (AFIMSC). This publication applies to all AFMC Regular Air Force. This publication does not apply to United States Space Force (USSF), Air Force Reserve, or Air National Guard units. Ensure all records created as a result of processes prescribed in this publication are maintained in accordance with AFI 33-322, *Records Management and Information Governance Program*, and disposed of in accordance with the Air Force Records Disposition Schedule located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the OPR using the DAF Form 847, *Recommendation for Change of Product*; route DAF Forms 847 from the field through the appropriate functional chain of command. HQ AFMC/A1 is the waiver authority for compliance items in this publication. Submit requests for waivers through the chain of command to the publication OPR for consideration. This mission directive may not be supplemented.

SUMMARY OF CHANGES

Updates to this publication were made to refine the mission and clarify the roles and responsibilities of the Air Force Installation and Mission Support Center (AFIMSC).

1. Mission. AFIMSC delivers globally integrated and threat-informed combat support and shapes the foundation of America's Air, Space and Cyberspace power. AFIMSC, through its headquarters staff, detachments, and primary subordinate units (PSU), serves as the single intermediate-level headquarters, providing installation and mission support (I&MS) capabilities to eight major commands, two direct reporting units, the USSF, and all Air Force and Space Force installations. AFIMSC effectively and efficiently manages and oversees the planning, programming, budgeting, and execution processes and deliverables for I&MS. AFIMSC provides I&MS for administration, base communications, chaplain, contracting, financial management programs, installation engineering services, logistics readiness, public affairs, security forces, and services.

2. Command. The Commander, Air Force Installation and Mission Support Center:

2.1. Is responsible to the Commander, Air Force Materiel Command (AFMC).

2.2. Exercises administrative command and control authority over assigned and attached forces, to include four PSUs:

2.2.1. Air Force Civil Engineer Center (AFCEC).

2.2.2. Air Force Installation Contracting Center (AFICC).

2.2.3. Air Force Security Forces Center (AFSFC).

2.2.4. Air Force Services Center (AFSVC).

2.3. Provides installation and mission support to Air Force and Space Force commanders world-wide.

3. Responsibilities. The Commander, Air Force Installation and Mission Support Center shall:

3.1. Provides I&MS capabilities to eight major commands, two direct reporting units, the USSF, and all Air Force and Space Force installations.
