## 1. Responsibilities.

1.1. All religious services conducted at Minot AFB will be cleared with and scheduled through the Wing Chaplain.

1.2. Religious services will begin at the time established. Services will be scheduled to permit a minimum of 30 minutes between services to provide orderly exit and entrance of worshippers and for reappointment of the chapel for the next service.

1.3. All facility requests will be accomplished on a Chapel Facility Request form.

1.3.1. Chapel sponsored activities will be coordinated with the sponsoring chaplain prior to entry on the calendar. These requests are then forwarded to the Facility Scheduler.

1.3.2. Forward non-chapel sponsored activities to the Facility Scheduler for coordination through the Wing Chaplain for approval.

1.4. Any individual or group working or interacting with minor children (under 18) in the chapel facilities is responsible for following DoDI 1402.05, *Background Checks on Individuals in DoD Child Care Services Programs*. Any deviation from that Instruction is grounds for immediate termination of their chapel facility usage.

**2. Priorities.**

2.1. Worship services conducted by chaplains or auxiliary chaplain personnel have priority. These include scheduled activities conducted weekly on an established basis. Changes to the weekly worship schedule will be made only with proper justification and prior approval of the Wing Chaplain.

2.2. Chapel Sponsored Activities: Chapel lay organizations, special missions, seminars, religious training programs, and assorted Bible Studies. Religious rites (i.e. weddings, baptisms, etc.) must be scheduled around regularly planned activities. Performance of religious rites will be concluded and facility vacated at least 30 minutes prior to the beginning of any other scheduled activity. Chaplains will ensure parishioners are aware their activity must be performed within the scheduled timeframe. Everyone should be considerate of others using the facility. Major faith group chaplains approve chapel activities.

2.2.1. Funerals and memorials for active duty members and dependents will be prioritized at the discretion of the Wing Chaplain or designee. Other funerals/memorials must be scheduled around regularly planned activities. The requestor is responsible for the setup and cleanup of the space before and after these services in accordance with the Chapel Facility Request Form. Chaplains may be requested to officiate based on availability and their requirements for ecclesiastical endorsement. Any civilian clergy officiating services must provide ministerial credentials (proof of ordination and letter of good standing from ordaining body) before facility request is granted.

2.2.2. Weddings must be scheduled around regularly planned activities. The requestor is responsible for the setup and cleanup of the space before and after these services in accordance with the Chapel Facility Request Form. Chaplains may be requested to officiate based on availability and their requirements for ecclesiastical endorsement. Any civilian clergy officiating services must provide ministerial credentials (proof of ordination and letter of good standing from ordaining body) before facility request is granted.

2.3. Non-chapel sponsored activities: These activities may be scheduled on a space-available basis and must be approved by the Wing Chaplain. Precedence will be given to the activity which first requested use of the facility. Non-chapel facility usage may be preempted for chaplain scheduled activities.

**3. Usage.**

3.1. Chapel sanctuaries are used for religious services only.

3.2. While the activity may be directed toward a particular group or segment of the community, it must be open to all without regard to race, creed, sex, or other basis for discrimination. No personal parties or events more appropriately held in the Jimmy Doolittle Center, Community Center or Rockers will be scheduled in chapel facilities. Wedding receptions will not be scheduled in the chapel facilities. Unit functions and official military ceremonies, such as promotions and retirements, may be scheduled in rooms other than the sanctuary.

3.3. No personal revenue of funds may be generated through the use of the facilities. Private organization may use facilities (kitchens, basement, annex, etc.) for preparation for fundraisers with approval from the Wing Chaplain or designee and in accordance with base fundraising policies but no fundraisers will take place at the chapel facilities.

3.4. No alcoholic beverages may be used or consumed.

3.5. Buildings and equipment will be left clean and in good order: trash cans will be emptied (and a clean plastic liner inserted), lights off, doors and windows secured, and the posted, room closeout checklists completed.

3.6. Formal requests will be made using a Chapel Facility Request form indicating name of the event, the organization, and name and phone number of the person responsible for securing the building.

3.7. Chapel staff will not provide after duty hours support for non-chapel activities. If after-hours access is needed for a scheduled event, a key must be signed out and returned the day following the activity
