Misawa AB Tropical Cyclone Conditions of Readiness (TCCOR)

CONDITION	TIME/POTENTIAL	EMERGENCY MANAGEMENT RECOMMENDATIONS
TCCOR Storm Watch	There is a possibility of danger to personnel due to storm unpredictability or hazards created by high winds.	Monitor the Commander's Access Channel, internet, email & AFN radio broadcasts.
TCCOR 5	96 hours prior to possible arrival of sustained 50 knot (58MPH) winds.	Check and update disaster kits and monitor emergency broadcasting stations.
TCCOR 4	72 hours prior to possible arrival of sustained 50 knot (58MPH) winds.	Units take actions for warning notifications & prepare for UCC activation.
TCCOR 3	48 hours prior to possible arrival of sustained 50 knot (58MPH) winds.	Schools, AAFES facilities, Post office & nonessential work centers may be closed.
TCCOR 2	24 hours prior to anticipated arrival of sustained 50 knot (58MPH) winds.	All facilities may be closed & all personnel except mission essential personnel will be sent home.
TCCOR 1	12 hours prior to anticipated arrival of sustained 50 knot (58MPH) winds.	All nonessential activities will be closed.
TCCOR 1C (Caution)	Winds of sustained 50 knots or greater to occur within the next 3 hours.	Monitor the Commander's Access channel, internet, email & AFN radio broadcasts for weather updates.
TCCOR 1E (Emergency)	Winds of sustained 50 knots or greater are occurring.	All personnel will stay indoors away from windows. Outdoor movement will be restricted to lifesaving response actions only.
TCCOR 1R (Recovery)	Destructive winds of sustained 50 knots are no longer occurring; all personnel, except pre-identified emergency essential recovery personnel, remain in quarters.	Major clean up efforts by military personnel may be delayed until the winds have subsided to less than 20 knots sustained.
All Clear	Hazardous conditions and winds are no longer present; return to normal duties.	The wind speeds shown above for each TCCOR serve as a guide. Decisions on the TCCOR declaration rests with the 35 FW/CC based on wind speeds, weather forecast, operational/ mission concerns and the safety of all involved.
