Major changes include : (1) adding designated housing by position in **Table 2.2**; (2) adding designated housing for 305 AMW/CC and 621 CRW/CC in **Table 2.3**; (3) adding **Table 2.4** with 621 CRG/CD as a new K&E position; (4) moving JB MDL/CD-A and 514 AMW/CC to **Table 2.6**; (5) changing 87 ORMS/CC to 87 AMDS/CC in **Table 2.7**; (6) deleting five 174th InfBde positions in **Table 2.7**; (7) moving ASA/CSM to **Table 2.8**; (8) deleting Paragraphs **4.5.2.1.4** and **4.5.2.1.5** due to new AFI; (8) adding **paragraph 2.10.6** due to new AFI; and (9) adding **Attachment 2**. (10) Renumber paragraphs to align with new AFI. Reworded Request Waiver to Reside Off-Base to align with new AFI. (11) Added glossary section and renumbered section 12 Prescribed and Adopted Forms. (12) Removes reference Air Force Manual (AFMAN) 33-363, Management of Records as it does not align with current AFI.

2.10.6. **(Added)** Commanders may assign a member, other than the intended resident, to a designated housing unit. (T-1) Assigned members acknowledge, in writing, they may be required to relocate at government expense to another on-base or off-base housing compatible with their grade and bedroom requirement when the unit is required by designated incumbent.

2.10.6.1. **(Added) . K&E Designated Housing Areas at JB MDL.** Mission partner commanders should strictly limit nominations for K&E positions to those necessary to reside on the installation to perform their mission. The Installation Commander establishes a K&E position only when there is a compelling need for a member, based on position, to live on base. For example, the incumbent is required to respond to continual operational requirements or emergencies, or off-base residency would adversely impact the installation readiness, safety, security, or health and welfare of the base population. Listed below in Tables **2.2**, **2.3**, and **2.4** are housing areas designated for any member within specific groups of K&E positions, and are required to live on the installation.

2.10.6.3. **(Added)** There is value added to the missions of JB MDL by having members of different services interspersed throughout the different housing areas and neighborhoods; therefore, consideration should be given to ensure that areas do not become service specific.

2.10.6.4. **(Added)** Positions noted in Tables **2.2**, **2.3**, and **2.4** are required to live on the installation. These K&E personnel must notify the Government Housing Office as soon as they receive orders to the Joint Base if they intend to request a waiver to live off the installation. Incumbents should share this information with their replacements/relief so the expectation is known and understood. Waiver requests (**Attachment 2**) must be approved prior to arrival at the Joint Base to ease household good shipments. Waiver requests must include all pertinent information to justify hardship conditions. The waiver request must also be endorsed by the first O-6 in the requestor's chain of command or first general officer/flag officer for O-6 waivers.

2.10.6.5. **(Added) Single or Unaccompanied Members.** K&E military members who come to the Joint Base unaccompanied (either with dependents living elsewhere or without dependents entirely), are still required to live on the installation. If these unaccompanied members occupy privatized housing, these members will pay the without dependent Basic Allowance for Housing (BAH). Unaccompanied military members who hold positions assigned to designated housing areas must live in those designated areas, choosing a smaller unit is not allowed. Only the Installation Commander can waive their requirement to live on the installation. For officer's senior in rank to the Installation Commander, officer housing determination will be the USAF EC/CC or higher, as appropriate.

2.10.6.6. **(Added) Application for Privatized Family Housing for K&E Personnel.** For planning purposes, personnel who will be filling a K&E position may submit an advance notification and application to the Government Housing Office and the Privatized Housing Office no earlier than 90 days prior to their projected arrival. This application will place them on the waiting list for the category of housing they are authorized. However, the arrival date for K&E positions takes precedence over length of time on the wait list. The first available quarters will go to the earlier K&E arrival, even if they signed up at a later date. The Privatized Housing Office will not offer a lease on a designated housing unit without first receiving approval from the Installation Commander.

2.10.6.7. **(Added)** For designated housing areas, outbound senior leaders should expect to clear the house two weeks prior to Change of Responsibility/Change of Command. Inbound senior leaders should expect to move into the designated housing area on or about the Change of Responsibility/Change of Command date. If the outbound senior leader is retiring, separating, or PCSing, those orders would pay for the move from housing. For general or flag officer senior to Installation Commander, housing determination authority will be the USAF EC/CC or higher, as appropriate.

3.4.12.1.1. **(Added)** Waiting lists will be executed in the following order:

SUBJECT: Request Waiver to Reside Off-Base*

1. **State position and request waiver**. I'm currently inbound to JB MDL projected to fill the (state position). It is my understanding this position is currently listed in AFI 32-6000 JB MDL Supplement as Key and Essential and I'm required to live on-base. I respectfully request a waiver to this directive.

2. **Provide justification.** I'm requesting a waiver to obtain housing in the local community in lieu of housing located on-base. Approval of this waiver (justification).
AFI 32-6000, para 2.10.5. states "The Commander may waive the requirement for an incumbent of a K&E, command or SCP to reside on the installation under the following conditions:
2.10.5.1. Adequate FH is not available, or will not be available, to meet incumbent's family size and composition.
2.10.5.2. The only suitable, adequate FH for incumbent is geographically separated from the installation at which the K&E position is assigned.
2.10.5.3. The incumbent owns or is purchasing housing in the local community at the time of assignment to the position. Incumbents with this waiver who subsequently apply for government housing are placed on the waiting list, compete with other members in their grade and bedroom category, and are not given priority assignment."
