This supplement implements and extends the guidance of ***AIR FORCE INSTRUCTION 32-6001 FAMILY HOUSING MANAGEMENT.***

AFI 32-6001, 20 August 2006 is supplemented as follows. This Joint Base Langley-Eustis (JBLE-Langley) Supplement to AFI 32-6001 defines Key and Essential (K&E) positions and housing requirements for JBLE-Langley. This supplement applies to active duty incumbents of K&E positions identified by the 633 ABW/CC. Ensure that all records created as a result of processes prescribed in this publication are maintained IAW Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS). Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR).

2.20.1.1. **Background.**

2.20.1.1.1. Key and Essential (K&E) Command and Special Command Positions (SCPs): Personnel in these positions are required to respond to continual operation requirements or emergencies and off-base residency would adversely impact installation readiness, safety and security or health and welfare of the base population.

2.20.1.2. **Roles and Responsibilities.**

2.20.1.2.1. The Installation Commander, 633d Air Base Wing, and the Commander, Air Combat Command (COMACC) may require K&E personnel, including incumbents of command positions, to reside on the installation as a condition of employment. 633 ABW/CC and COMACC should strictly limit K&E positions to those necessary to reside on the installation to perform their mission.

2.20.2.1. **Designated Housing Units.** The Housing units that are specifically designated by position are published in the Privatized Housing Transaction Documents, Rental Rate Management Plan.

2.20.3.1. **Holding Housing Units.** K&E and command housing may be held vacant for 90 days pending arrival of incumbent if approved by the Privatized Housing (PH) Project Owner (PO).

2.20.4.4. **K&E List.** Identified K&E positions will be maintained by the 633 CES and will be coordinated/updated annually with all stakeholders. All K&E identified personnel are required to reside in main base housing unless exempted in writing. K&E personnel desiring to live off base must submit a written request for a waiver through the 633 CES/CEIH to the 633 ABW/CC for approval (see **Attachment 2**).

2.20.4.5. **K&E Waivers.** The 633 ABW/CC may waive the requirement for an incumbent of a designated position to reside on the installation under the following conditions:

2.20.4.5.1. Adequate Family Housing (FH) on main base is not or will not be available to meet incumbent's family size and composition, or housing is geographically separated from the installation and is the only suitable housing available.

2.20.5.1. **K&E Position Additions/Deletions.** If a position needs to be added or removed from the JBLE-Langley K&E list, submit a memo through the 633 CES/CC to the 633 ABW/CV for approval (see **Attachment 3**).
