Incirlik Air Base
Equal Opportunity Office

The equal opportunity program promotes a positive human relations climate, free from harassment **(including sexual harassment, bullying, and hazing)** and unlawful discrimination based on **race, color, national origin, religion, sexual orientation, sex (including pregnancy, gender identity), age (40 or older), disability (mental or physical), equal pay, genetic information, and retaliation for civilian employees.** The EO program is a function of leadership and command. We assist commanders at all levels in identifying factors impacting the human relations climate of their unit.
