INSPECTOR GENERAL (IG) COMPLAINTS RESOLUTION PROGRAM

The Inspector General Complaints Resolution Program is prescribed by DAFI 90-301, *Inspector General Complaints Resolution, 04 January 2024.* The Air Force complaints resolution program is well-established, independent of the chain of command, and designed to resolve problems quickly and fairly. You can make your complaint at any IG level without fear of reprisal. Complaints will be dealt with independently, fairly, and confidentially. **Air Force military and civilian members have a duty to promptly report fraud, waste, and abuse (FWA) or gross mismanagement;** violations of law, policy, procedures, or regulations; an injustice; abuse of authority; misconduct; inappropriate conduct; and deficiencies, or like conditions, to the appropriate supervisor or commander, to an IG or other appropriate inspector, or through an established grievance channel. Before contacting the IG, you are encouraged to try to resolve problems at the lowest level possible within your chain of command. This method is often the fastest and most efficient way to resolve your complaint. Threatening or taking unfavorable personnel action or withholding a favorable personnel action for talking to the IG is strictly prohibited.
