## Complaints Processing

### Civilian

An aggrieved DoD Civilian Employee who believes she/he has been discriminated against must consult an EO Counselor within **45 calendar days** of the effective date when he/she becomes aware of the personnel or discriminatory action. The protected categories for DoD civilians include: race, color, religion, sex, national origin, age (over 40), genetic information, and disability. Additionally, their protection includes sexual harassment and/or retaliation for opposing discrimination or for participating in the complaint process.

### Military

An Active Duty Member (including their dependents) and retirees who believe that they have been discriminated against on the basis of race, color, religion, sex, national origin, or believe that they have been subjected to sexual harassment may seek the assistance of the EO office. There is no time limit for filing an informal complaint, however, if the alleged offense is older than **60 calendar days**, a waiver coordinated through the EO office and signed by the Installation Commander will be required.
