CAUTION

AUTHORIZED FOR
REPRODUCTION OF
CLASSIFIED MATERIAL
UP TO _____

Classified reproduction rules are as follows:

- ☑ Approval for classified reproduction required by local operating instructions.
- ☑ Reproduce only the number of copies required for official purposes.
- ☑ Operator must remain at the machine.
- ☑ Retrieve all copies and original.
- ☑ Double check the machine and surrounding area for classified material before leaving.
- ☑ Ensure image-carrying parts are cleared after reproduction.
  - Run ___ blank sheets through the equipment to determine the presence of latent images.
  - Destroy blank sheets as classified waste.
