Pages: 17

This Addendum is an extension of and is incomplete without Headquarters Department of the Air Force Mission Directive (HQDAFMD) 1-24, *Assistant Secretary of the Air Force (Manpower and Reserve Affairs) Mission Directive.* It provides specific re-delegations of authority/re-assignments of responsibility from the Assistant Secretary of the Air Force for Manpower and Reserve Affairs (SAF/MR) to the Air Force Review Boards Agency (AFRBA/SAF/MRB), Superintendent, United States Air Force Academy (USAFA/CC), Major Command (MAJCOM) commanders, Field Command (FLDCOM) commanders, General Courts Martial Convening Authorities (GCMCAs) and others. SAF/MR retains oversight of authority/responsibility as defined in these re-delegations/re-assignments. This Addendum provides for re-delegation of these authorities within specified limits. These matters are enumerated in paragraphs **7 through 13** of this document. It also identifies authority in other matters, enumerated in **paragraphs 5** that are reserved for the Secretary and Under Secretary, and **paragraph 6** that are retained by the SAF/MR. Re-delegations of authority/re-assignments of responsibility made prior to the date of issuance of this Addendum remain effective insofar as such re-delegations are not inconsistent with the terms of this Addendum. The Secretary of the Air Force (SecAF) provided the specific direction and authority contained in this Addendum; therefore, any ambiguities regarding delegated authority arising from HQDAFMD 1-24, HAFMD 1-32, *Deputy Chief of Staff of the Air Force, Manpower, Personnel and Services*, and this document will be resolved with deference to the more specific direction found in this Addendum. Additionally, in the event of any inconsistency between this document

and any delegated authority described in a Department of the Air Force (DAF), Air Force (AF), or Space Force instruction, or other subordinate publication, the authority described here will take precedent.

Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the DAF Form 847, *Recommendation for Change of Product*; route DAF Forms 847 from the field through MAJCOM functional chain of command. Ensure all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and are disposed in accordance with the Air Force Records Disposition Schedule, which is located in the Air Force Records Information Management System.

SUMMARY OF CHANGES

This document has been revised and should be completely reviewed. Attachment 1—GLOSSARY OF REFERENCES AND SUPPORTING INFORMATION 16

1. Purpose and Applicability. This Addendum re-delegates authority/re-assigns responsibility conveyed by the Secretary of the Air Force to SAF/MR in HAFMD 1-24. The authorities enumerated in paragraphs **7 through 13** are hereby re-delegated with any limitations on re-delegation specified. The authorities enumerated in **paragraph 5** reserve authority in specific matters that will be exercised by the Secretary and Under Secretary. Except as expressly stated herein, the direction in this Addendum does not apply to any action affecting the sentence of a court-martial.

2. Re-Delegation and High Interest Notification. Unless expressly allowed by this Addendum, authority to further re-delegate authority delegated by this Addendum is prohibited. Further delegation of authority delegated by this Addendum will specify the official(s) to whom, and the intermediate officials (if any) through whom, the re-delegation is made. When a subordinate official further re-delegates authority addressed in this Addendum, it will be done in the form of a memorandum and a copy will be promptly provided to SAF/MR. The Secretary of the Air Force, the Under Secretary, SAF/MR and any other official through whom delegation has been made, may withdraw authority from any subordinate official to whom delegation or re-delegation has been made, to any higher level in the chain of delegation and re-delegation, on a case by case basis, or by categories of cases, or otherwise. To ensure that this authority to withdraw may be exercised in appropriate cases, all officials exercising delegated or re-delegated authority under this Addendum will notify the Secretary of the Air Force and SAF/MR, in writing through the procedures specified by SAF/MR and any re-delegation instruments, before taking action in any matter identified as being of high sensitivity or having the potential for significant Congressional, media, or public interest. Any such notification will be coordinated through SAF/GC with an information copy to the Chief of Staff.

3. General Officers. Except as expressly set out in **paragraph 10**, all re-delegations of authority conveyed in this Addendum exclude the authority to take any action in which the subject of such action is a general officer.

4. Collateral Determinations and Personnel Board Consideration.

4.1. Decisions in some matters covered by this Addendum may necessitate a collateral determination. Collateral determinations include, but are not limited to, determination of the highest grade satisfactorily held by the affected member, whether to waive or reduce the member's active-duty service commitment, establishing and adjusting effective dates of delegated actions, and whether to recoup from the member the unearned portion of special pays, bonuses, and/or the cost of advanced education or training. Except as otherwise required by law, Department of War policy, or an express provision of the direction in this Addendum or a re-delegation under it, the delegation and / or re-delegation under the direction in this Addendum of authority to decide any matter includes the authority to make any such related collateral determinations. The exceptions to this general collateral determination authority include paragraphs 7..r., 7.s., and 9.c. The authority to make such collateral determinations may be separately withdrawn under **paragraph 2** of this Addendum.

4.2. Certain matters covered by this Addendum must, under governing law or policy, be considered by the Air Force Personnel Board (AFPB) (one of the boards comprising the Secretary of the Air Force's Personnel Council), which must make a recommendation to the decision authority. Withdrawal or reservation of authority to a higher level does not affect the requirement for AFPB consideration in matters where that requirement exists. Matters requiring AFPB consideration are identified in this Addendum. Deciding officials have the discretion to refer a matter for AFPB consideration when it is not otherwise required.

5. Matters Reserved to the Secretary and Under Secretary. The authority to act in the following matters is not re-delegated and will be reserved for and exercised by the Secretary or Under Secretary, as appropriate.

Specific fiscal year force shaping directions and authorities will be approved by the Secretary of the Air Force and separately announced when applicable. Such force shaping guidance will take precedence over this direction.

If the recommendations of the MAJCOM, FLDCOM or equivalent, AF/JA and SAF/GC are unanimous with respect to acceptance of the resignation or application and characterization of discharge, but the proposed action of the decision authority is not consistent with those recommendations, the decision authority must notify SAF/MR before taking action. If the determination of SAF/MR results in a decision consistent with the recommendations of the MAJCOM, FLDCOM or equivalent, AF/JA and SAF/GC, notification to the Secretary of the Air Force is not required; otherwise SAF/MR must notify the Secretary of the Air Force before action is taken.
