SUMMARY OF CHANGES

This publication is substantially revised and must be completely reviewed. It establishes the Air Force key and mission essential positions for organizations at Robins AFB. Key and essential positions are designated when there is a compelling need for a member in that position to live on-base.

2.20. (Added-RAFB) Key and Essential (K&E) and Command Housing Positions

2.20.1. **(Added-RAFB)** Incumbents of certain key and essential positions known as Command Positions are required to reside in specific privatized homes as a matter of military necessity or as a condition of employment. The positions are identified by the Installation Commander (**Attachment 2**).

2.20.2. **(Added-RAFB)** The Installation Commander determines those positions considered as key and essential (**Attachment 2**). Although specific homes are not designated for these positions, certain areas or groups of homes may be reserved for them as determined by the HMO. Homes reserved for key and essential positions will not be held vacant greater than 90 days in anticipation of their arrival. Hunt Military Communities will work closely with the HMO with regard to key and essential personnel and will accept rent at the Basic Allowance for Housing (BAH) "without dependent" rate less a utility allowance should the individual be drawing BAH at the without rate. Personnel assigned to key and essential positions who do not have a home available for them upon arrival to the base will move to the top of the appropriate waiting list. Occupancy of an identified General Officer Home by any resident other than a General Officer must be approved by the Installation Commander.
