Sexual Assault Prevention and Response Victim Advocate

Eliminate Sexual Assault

~Sexual Assault is a crime. It is INTENTIONAL sexual contact through force, physical threat or abuse of authority or when the victim DOES NOT or CANNOT consent.

Know Your Part

~ Bystander Intervention is vital to identify & stop unsafe behavior.

~ Take steps every day to foster a culture of dignity and respect.

Do Your Part

~ Every member of the DoD Community must commit to promoting an environment where sexist behaviors, sexual harassment and sexual assault are not tolerated or condoned.
