Procedures for Processing Complaints of Discrimination in the Federal Government

Applies to Active Duty Airmen & Guardians, DoD Civilians, USAF Academy Cadets, AF Reserve and Air National Guard under Title 10.

Filing an Informal Complaint:

CIVILIANS: To file an informal complaint, contact with an EO Counselor must be made within **45 calendar days** of the date the matter alleged to be discriminatory occurred to begin the process.

MILITARY: Military members may contact the EO Office with no time limit to file an informal complaint. The informal resolution process is available as an **alternative** to filing a formal military complaint. The informal process allows individuals to handle their grievance themselves or through their chain for command. Electing to use the informal process **does not prevent** one from filing a formal complaint if a resolution was not possible at the informal level.

Filing a Formal Complaint:

CIVILIANS: If a complaint has not been resolved through EO Counseling or Negotiation & Dispute Resolution (NDR), a complainant may file a formal complaint of discrimination. The EO Counselor assigned to the complaint provides the complainant a Notice of Right to File a Formal Complaint (NOFI) during the final interview. This notice initiates the time limit for formal complaints which must be filed within **15 calendar days** of the receipt of the NOFI. The EO counselor may assist complainants in filling out the DD Form 2655, Complaint of Discrimination in the Federal Government. Formal complaints are forwarded to the DoD Investigations and Resolution Division (IRD), and the Equal Employment Opportunity Commission (EEOC) with the 47 FTW/EO office interfacing as required.

MILITARY: A member may elect to file a complaint of discrimination without using the informal process. To be accepted as a formal complaint, allegations of discrimination must have occurred within **90 duty days** of contacting the EO office. The Installation Commander's **approval is required for allegations beyond 90 days**. The role of the EO staff in military formal complaints is to assist the complainant with completing the required paperwork.

NDR through facilitation/mediation is available and encouraged at any time throughout the EO complaint process! Non-Equal Opportunity facilitation/mediation is also available upon request! Contact your local EO office for details.
