YOUR RIGHTS AGAINST DISCRIMINATION

56 FW POLICY: ***Equal Opportunity and treatment for our military and civilian personnel is the responsibility of each member of the 56th Fighter Wing. We will not tolerate any acts of discrimination or sexual harassment in the wing. I expect commanders and supervisors at every level to take swift and firm action to prevent and eliminate discrimination and facilitate an environment where all members of Luke AFB can flourish.***

IT IS IMPORTANT THAT EACH MEMBER: conduct all affairs free from discrimination based on protected classes; take immediate action to eliminate inappropriate behavior, comments, and jokes; know avenues to address discrimination and try to resolve issues at the lowest possible level.

The Equal Opportunity Office (EO) is available to assist in filing formal or informal complaints of discrimination or to simply provide guidance about potentially harassing or discriminatory behavior. Military EO complaints must be filed within 60 duty days after the alleged incident occurred. For Civilian EO complaints, the aggrieved individual must contact an EO Practitioner within 45 calendar days of the matter alleged to be discriminatory or, in the case of personnel action, within 45 calendar days of the effective date of the action. The use of Negotiation and Dispute Resolution avenues is highly encouraged.

"Equal Opportunity (EO) is straightforward: treating Airmen across the wing with fairness, dignity, and respect. Mission success demands that every Thunderbolt actively rejects and stamps out prejudice, bias, and harassment. That standard applies at every level, on and off duty, from the flight line to the back offices. Discriminatory behavior, whether through words, actions, or exclusion, has no place in this organization and runs contrary to who we are as Airmen. If you witness it, step in and take immediate action. Maintaining this standard isn't a solo effort—it requires full buy-in and vigilance from the entire team."
