This instruction implements Air Force Policy Directive (AFPD) 90-1, *Policy Formulation* as it applies to the Air Force (AF) Memorial. This instruction establishes the overarching guidance and authority for the Air Force District of Washington (AFDW) to execute roles and responsibilities for the operation and maintenance of the AF Memorial. Specifically, this instruction describes the AFDW responsibilities for AF Memorial overarching guidance, policy development, funding and budgeting requirements and external customer and mission partner relationship management. This instruction applies to the management of the AF Memorial and ensures a safe environment for visitors. It also applies to all staff and subordinate units of the AFDW as well as users of the AF Memorial to include but not limited to mission partners, Department of Defense (DoD), other federal agencies, veteran service organizations, community partners, Air Force Reserve Command units and the Air National Guard. All records created as a result of processes prescribed in this publication are to be maintained in accordance with (IAW) Air Force Manual (AFMAN) 33-363, *Management of Records* and disposed of IAW Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS). Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the AF Form 847, *Recommendation for Change of Publication*. The waiver approving authority for this publication is the Administrative Assistant to the Secretary of the Air Force (SAF/AA) for non-tiered requirements in this publication. Waiver requests to this instruction will be submitted using the AF Form 679, *Air Force Publication Compliance Item Waiver Request/Approval,* to the AFDW Director of Staff (AFDW/DS). The AFDW/DS will provide the waiver request and staff analysis to the SAF/AA for consideration and adjudication. The use of the name or mark of any

specific manufacturer, commercial product, commodity or service in this publication does not imply endorsement by the AF. See Attachment 1 for a glossary of references and supporting information.

SUMMARY OF CHANGES

This document has been substantially revised and must be completely reviewed. Major changes include the removal of items dealing with operations for inclusion in a 11 Wing (11 WG) Operating Instruction; further amplification and clarification of Headquarters (HQ) AFDW roles and responsibilities and the addition of a section outlining the Executive Steering Council (ESC) policy, procedures and guidance for oversight of the AF Memorial. Specific additions to this version include but are not limited to the responsibilities for the Secretary of the Air Force or their representative and for the AFDW Commander in accordance with the Secretary of the Air Force Delegation of Authority Memorandum, dated 28 Feb 18. The 11 WG responsibilities are expanded to include the overall guidance for the daily operational management of the AFM. The remaining operational elements in this publication are described from a HQ AFDW oversight point of view. This includes the oversight through the ESC; compliance with Public Law 107-107, Section 2863(e) Access and Management of the Air Force Memorial; maintaining HQ level oversight of the 50-Year Permit (1 January 2012) plus outlining the AFDW/DS's continued responsibility of oversight for high-visibility event management and approval authority for non-military nexus event requests.

Chapter 1

OVERVIEW

1.1. Background:

1.1.1. The AF Memorial was dedicated on October 14, 2006 to honor the men and women of the AF and its heritage organizations. It is located in Arlington, Virginia, adjacent to Arlington National Cemetery and the Pentagon. Since its opening, it has been a place of honor and remembrance offering a place for the community to learn and appreciate the rich history of the AF through displays, AF Band performances, Memorial/Veterans Day commemorations and veteran-related events.

1.2. Funding:

1.2.1. The AF operation and maintenance funds are executed from memoranda of agreements and used to maintain the original structure.

1.3. Secretary of the Air Force Delegation:

1.3.1. The Secretary of the Air Force's (SecAF's) Delegation of Authority Memorandum dated 28 Feb 2018, delegates responsibility to the AFDW Commander (AFDW/CC) to oversee general operations and management including the daily operational, security and usage matters.

1.4. Purpose:

1.4.1. The purpose of the AF Memorial, as described in Public Law 103-163, 2 Dec 1993 is "… to honor the men and women who have served in the United States Air Force and its predecessors."

1.5. Vision and Mission:

1.5.1. In 2017, the daily operations of the AF Memorial transitioned to the AF from a non-profit organization, but the operational vision remained unchanged—exalting aerospace pioneers, honoring those who served in the AF and beckoning those yet to serve. The AF Memorial mission is to perpetuate the advancement of aerospace power, both its history and future, while presenting the AF story to the American people and foreign visitors.

1.6. Instruction Intent:

1.6.1. The intent of this instruction is threefold: (1) define chain of command, lines of communication and coordination for strategic and operational AF Memorial issues; (2) clearly delineate roles and responsibilities of the Headquarters (HQ) AFDW staff and the 11th Wing (11 WG) staff regarding policy development, funding/budget/program objective memorandum (POM) activities and external mission partner relationships; and (3) provide overall guidance for the management of the AF Memorial.

1.7. Further Information:

1.7.1. Information on the AF Memorial can be accessed on the AFDW's public website under the AF Memorial link: **http://www.afdw.af.mil/afmemorial**.

OPERATIONS

3.1. Hours.

3.1.1. The AF Memorial staff will coordinate hours of operation to ensure public access to the AF Memorial in accordance with Public Law 107-107.

3.2. Infrastructure Protection and Emergency Response.

3.2.1. Infrastructure protection will be in compliance with AF instructions focused on the safety and security of the federal employees and facility. Coordination with the Arlington National Cemetery security procedures will guide the protection and security plans for the AF Memorial in the future. Existing service agreements with Joint Base Myer-Henderson Hall will remain active until that time. Existing protocols for Arlington County provision of emergency medical support and fire response to AF Memorial will remain in place.

3.3. Real Property Funding.

3.3.1. The AF Memorial is real property owned by the Army and operated by the AF with an agreed upon procedure where the AF will earn sustainment funding to be used for facilities, sustainment, restoration and modernization costs. The annual operating and maintenance budget is to be used only on maintaining the condition of the property. It is not authorized for expenditure on civilian personnel, support to the general public or support to memorialize the fallen. If an event supports military or DoD civilians and it meets the definition of official representation funds, that funding source will be used. The AF Memorial staff will build annual budget requirements with support from the 11 WG staff and will provide and defend unfunded requests and justifications for those items exceeding the annual AFM budget to the AFDW/FMB.

3.4. Parking and Transportation.

3.4.1. Due to limited parking/transportation, use of government vehicles to transport visitors is only authorized for designated AF Band concerts with 11 WG Commander approval and IAW AFI 24-301, *Vehicle Operations* and HAF/A4L Memorandum, *Government Vehicle Official Use Policy Clarification Request,* 29 Mar 2018.

3.5. Volunteer Docent Program.

3.5.1. A docent program supports the AF Memorial vision and mission of communicating the mission of the AF to visitors. Any volunteer support will comply with 10 U.S.C. 1588(a)(2), *Authority to Accept Volunteer Services* and DoD Instruction (DoDI) 1100.21, *Voluntary Service in the Department of Defense*. In addition, volunteers who work in any capacity with children under the age of 18 must adhere to specific requirements regarding background investigations IAW DoDI 1402.5, *Criminal History Background Checks on Individuals in Child Care Services.*

3.6. AF Memorial Federal Employees.

3.6.1. Three federal general schedule employees support the AF Memorial operations and are under the supervision of the 11 WG. The billets were initially HQ AFDW permanent overhire positions. HQ AFDW Transition Program Plan 18-02 dated 14 Sep 2018 supporting the AF

Memorial included submission of the three positions in the HAF Fiscal Year (FY) 2020 POM which were approved and subsequently appended to the 11 WG unit manning document. AFDW/A1C will provide civilian personnel office support for these federal employees.

3.7. Event Scheduling.

3.7.1. Official events for senior AF and National Capital Region senior staff (other Service Chiefs and their equivalent in federal agencies) have priority when scheduling official events and ceremonies. See attachment 2 for official event tasking authorities. Requests to hold AF events take priority over events requested by non-AF organizations with the exception of any task from the MDW. Cancellations, modifications or downgrades may occur when a Presidential or MDW (or higher) precedence requires AFDW resource support. In this case, AFDW/CCP will coordinate with all affected units and personnel. Any displaced requests due to these official events will be accommodated to the maximum extent possible.

3.7.2. The AFDW Staff and the 11 WG staff will notify the AFDW/DS of high-visibility events as soon as the request is made to the AF Memorial staff or is known by a member of the AFDW staff or the 11 WG staff.

3.7.2.1. The AFDW/DS is the overall AFDW approval authority for unofficial events or events without a military nexus. Military nexus events are defined as events sponsored or hosted by an Active Duty, Reserve or National Guard member or unit. Events without a military nexus include but are not limited to events held by non-profit and for-profit associations or community groups even if they are celebrating military aviation historical events. The AFDW/DS will inform the AFDW/CC and the SAF/AA on any unusual event requests or those events requiring broad AF support. All events held at the AF Memorial must meet all of the following criteria: 1) the event is not otherwise prohibited by law, regulation, or policy; 2) the event will not reflect poorly on the federal government, Department of Defense, the AF or Arlington National Cemetery; and 3) the event will not diminish the hallowed and reverential stature of the AF Memorial and the nearby Arlington National Cemetery, and should be respectful of the AF Memorial's purpose to honor the service and sacrifice of Airmen and their families.

3.7.3. The AF Memorial is on federal land. All applicable federal regulations for use of federal land applies. The following list of activities are prohibited on the AF Memorial grounds without prior written approval from the AFDW/CC. Approval waivers must be submitted through the AFDW/DS.

3.7.3.1. Eating and drinking, other than bottled water.

3.7.3.2. The use and possession of alcohol.

3.7.3.3. Recreational activities (e.g., sports, athletics, etc.).

3.7.3.4. In-person soliciting or requesting money or funds for donation.

3.7.3.5. Vending and sales of merchandise or other items.

3.7.3.6. Leaving unattended bags, backpacks, containers or other packages anywhere on the AF Memorial grounds.

3.7.3.7. The use or possession of privately-owned weapons.

3.8. Executive Steering Council.

3.8.1. The AF Memorial will continue to be an AF asset requiring critical decisions into the foreseeable future. The ESC provides additional oversight and a forum for recommendations to the AF leadership regarding the longevity of the AF Memorial operations and its role as outreach to the public and a place of honor for aviation pioneers and Airmen past, present and future. The ESC's primary goal is as a vehicle for making recommendations to AF leadership on AF Memorial matters now and into the future. ESC responsibilities include: setting, maintaining or reshaping the vision/mission; developing a long-term strategic plan; creating and recommending strategies and organizational concepts/policies; ensuring compliance with statutes/DoD policy and AF instructions; exercising financial stewardship oversight; and reviewing progress on existing projects or advising on or encouraging new projects. The ESC is comprised of both voting and non-voting members. The members are active duty, Reserve, National Guard or civilian federal employees. Additional military or federal civilian subject matter experts provide critical information for the vetting of recommendations and are non-voting members. The ESC voting members will endorse recommendations and/or courses of action after gathering information including but not limited to considering individual public suggestions.

3.8.2. Many of these decisions will affect the community and entities outside of the AF. Thus a second goal of the ESC is to create an opportunity for diverse voices to be heard and raise issues and concerns with the aim of fostering an effective dialogue between the AF and other stakeholders regarding issues surrounding the AF Memorial. The ESC will brief non-DoD stakeholders and members of the public periodically on the AF Memorial status. Voluntarily submitted written suggestions and comments from individuals will be collected by the Executive Secretary and periodically reviewed by the ESC.
