1. General

1.1. Acceptance of Post Season Invitation.

1.1.1. USAFA is a member of the Mountain West Conference (MWC) and 8 other affiliate Conferences, as such, USAFA is required to participate in scheduled conference athletic events. To participate in these events, USAFA is obligated to send athletic teams to away contest locations and to pay associated costs. The requirements and rules for participation in these events are established by the MWC, affiliate conferences and/or

NCAA and are binding on all of USAFA's intercollegiate programs. The MWC or affiliate Conferences negotiate and execute bowl contracts or other post season championship agreements, with individual bowls, Bowl Alliances, or affiliate Conferences. Teams selected to participate are bound by those contracts or agreements. When a team is selected or invited to a bowl game/post season championship, the acceptance is merely an acknowledgement of the obligation to participate. This acknowledgement is the same as the acknowledgement of obligations to compete in regular season schedules issued by the Conference. The acknowledgement (acceptance) of USAFA's obligation to participate in a post season game is not a procurement action. This is an institutional agreement; as such, agreements to participate in bowl contests shall be negotiated by, agreed to, and signed by USAFA/AD government personnel, and may be assisted by Air Force Academy Athletic Corporation (AFAAC) personnel when required IAW USAFA's Cooperative Agreement (CA) or other authorize contracting instrument. Contracting actions or travel expenses will be executed to support post season competitions IAW procurement authorities established under 10 USC 9462, AFNAFPO, and JTR.

1.1.2. The Senior Associate Director of Athletics (USAFA/ADE) will brief the Athletic Director and Executive Director of Athletics on all football post season invitations. For USAFA acceptance, the USAFA/ADE will obtain Superintendent approval via Task Management Tool e-staffing coordination with applicable headquarters staff elements.

2. USAFA Football Team Bowl Participation

2.1. **Mode of Travel.**

2.1.1. It is the policy of USAFA AD to travel by chartered aircraft (Football only) because of the size of the USAFA contingent and the difficulty of making scheduled airline reservations during the holiday season. For all other programs, there may be cases where using the government's Travel Management Company (TMC) or the AFAAC for the purchase of individual team airfare as outlined below.

2.1.2. The Directorate of Athletics' Chief of Football Operations (USAFA/ADSL) and the AFFAC Director of Football Operations will coordinate with the Senior Associate Athletic Director to obtain bids for charter aircraft if required. A charter aircraft will only be required if the cadets remain at USAFA prior to departing on holiday leave. If the bowl game date is during the date leave period and the cadets depart for holiday vacation, ADSL will use the TMC or AFAAC to procure commercial tickets for the cadet players (only). Coaching and Administrative staff will use either the AFAAC (for their coaches), or DTS (for government staff) to procure their travel. USAFA/ADSL will coordinate with the TMC or AFAAC Business Office IAW substantial involvement authorized by Cooperative Agreement on the procurement of tickets for football players, cadet managers and members of the Spirit Team. The cost of the commercial ticket will not exceed the General Services Administration (GSA) City Pair Program (CPP). That cost will be identified as a roundtrip ticket from Colorado Springs to the bowl game location and return to Colorado Springs. For cadets who obtain airfare over the authorized amount, reimbursement will be made to the Air Force Academy Athletic Association (AFAAA) NLT 5 business days after returning from the Bowl or leave status. In these instances, ADSL will be responsible for tracking and reconciling all AFAAA payments

with ADF NLT 10 business days after the competition. Only authorized personnel will travel via military air when transportation is provided by HQ AMC in accordance with AFI 24-602, V1, *Passenger Movement*, and USAFAI 24-101, *Airlift Support for USAF Academy Activities*.

2.1.3. If a sponsoring agency (NCAA, Bowl, Conference) provides charter airlift, the traveling contingent will use this mode of travel for the official traveling party. In these cases, the traveling party may not exceed the allocated seats available. Additional athletic funding will not be made available to accommodate more travelers where charter space is not available.

2.1.4. The Vice Superintendent (HQ USAFA/CV), in coordination with the Athletic Director, may approve the use of more than one charter and only when supported by cost comparison outlined in **Paragraph 2.1.5** This approval may not be delegated below the HQ USAFA/CV.

2.1.5. When the team, coaching staff, and key (logistics, communications, sports info) government personnel are required to be on location at the bowl site by a specific date prior to the bowl game, their travel requirements have priority on the scheduled charter over other support personnel. If a substantial number of official travel party members do not have to arrive when the team does, a cost comparison will determine whether it is more economical to take more than one charter or to rely on scheduled air carriers. HQ USAFA/CV is the approving authority when a second charter is contemplated.

2.2. **Travel by the Official Travel Party.**

2.2.1. The official travel party includes football players and coaches, football support personnel (i.e., equipment managers, trainers, a team physician, cadet video technicians), and personnel as outlined in USAFAI 24-103, *Football Team Charter Aircraft Management.* In cases where civilians or non-federal staff are designated as part of the official travel party, they will be responsible for their travel expenses and reimbursing the government (AFAAA) as identified in this instruction.

2.2.2. Football coaches, football support personnel, players, and spirit team will travel IAW the cooperative agreement (CA) or JTR as applicable. All travel arrangements will comply with applicable NCAA rules.

2.2.3. All other members of the official travel party will travel under appropriated fund orders or at AFAAC expense. Funding to cover these travel expenses will be in accordance with **Attachment 2** of this instruction. Active duty official travelers must inform Commanders Support Staff (CSS) of their TDY departure and return.

2.2.4. All members of the official travel party are expected to travel to and from the bowl game using the chartered aircraft if available. USAFA AD will authorize commercial air on a case-by- case basis. An additional charter will not be authorized solely to satisfy seating for official travel party, donors, or commercial sponsors not directly needed to support the execution of the competition or Bowl.

2.2.5. All members of the official party traveling in an appropriated fund status will pay for their charter seat in advance of travel. A paid receipt will be provided to the traveler

by the AFAAA for submission with their final travel settlement voucher. ADSL will track and reconcile payment to the AFAAA for these travelers.

2.2.6. Members of the official travel party will be entitled to per diem to cover their meals; however, any meals provided as part of official bowl events will be identified as government-provided meals on their travel voucher. AFAAC members may be paid per diem in accordance with their travel policy or terms and conditions outlined in the Cooperative Agreement.

2.2.7. Military and civilian members of the official travel party below the grade of colonel (or civilian equivalent) are expected to share a room unless they are traveling with their spouse; gender considerations do not permit the sharing of a room, or when a room with two beds is not available.

2.2.8. All requests for additional rooms must be submitted at least 7 days prior to departure to USAFA/ADSL to ensure an accurate room count, or as required by the host hotel. In coordination with the Chief, Football Operations, these will be reviewed by the Athletic Director (USAFA/AD) and approved by the Executive Director of Athletics when federal funds are used. Individuals requesting additional rooms for non-mission purposes must pay for these rooms at the time of the reservation, and they are personally responsible for all expenses incurred.

2.2.9. Official travel party members traveling in an appropriated fund status will be individually responsible for checking out of the hotel and settling their hotel bill prior to departure and retain appropriate receipts to file with their post trip DTS voucher.

2.2.10. Official travel party members traveling in a non-appropriated fund status will be individually responsible for settling any charges to their room, other than the basic room charge, prior to departure and retain appropriate receipts to file with their post trip NAF voucher.

2.2.11. All members of the official travel party who are required to submit travel vouchers will do so within 5 duty days of their return to the USAFA.

2.3. **Travel by the Advance Party.**

2.3.1. Bowl arrangements normally require travel to the bowl game location by an advance party to prepare for the arrival of the official travel party. The advance party may consist of: the Chief, Football Operations (USAFA/ADSL); Head Equipment Manager (USAFA/ADSME); Athletic Ticket Manager (AFAAC); Associate Athletic Director of External Affairs (USAFA/ADEM); and the Associate Athletic Director of Communications (USAFA/ADSI). The advance party is expected to make arrangements for hotel rooms, ground transportation, airport arrival requirements, meals, special events, practice location, ticket marketing, advance media events, and promotional events.

2.3.2. The advance party will arrive at the bowl game location no sooner than is necessary to prepare for the arrival of the official travel party and ensure that necessary arrangements have been made.

2.3.3. Advance personnel from the Commandant of Cadets (USAFA/CW) will travel in accordance with USAFA/CW procedures and will be funded by USAFA/CW.

2.4. **Drum and Bugle Corps, Spirit Teams and Falcon Handlers.**

2.4.1. These cadet attendees and related staff members are performing an official USAFA mission and are authorized appropriated funding. However, in the event appropriated funds are not available to fund this travel, AFAAC gift funds may be considered IAW both AFAAC and Air Force gift policy. Cooperative Agreement funding may only be used by teams designated in the award to include Spirt Teams. All gift funding must be coordinated through USAFA/JA prior to acceptance. Transportation will be provided from Colorado Springs to the bowl game location and return to Colorado Springs. Itineraries will be developed in accordance with the Joint Travel Regulation (JTR) and will consider cadet morale, holiday vacation time lost, and economic factors.

2.4.2. Lodging will be arranged by USAFA/ADSL, in coordination with the AFAAC IAW the bowl directives for lodging. All rooms will be double occupancy or greater except when gender considerations prevent double occupancy. Charges to rooms beyond the cost of the room itself (e.g., movies, phone calls) are not reimbursable and will be the responsibility of the room occupants. Any such charges must be settled with the hotel prior to departure.

2.4.3. Cadets and related staff members will be reimbursed in accordance with applicable Joint Travel Regulations. Travel vouchers must be submitted within 5 days following return to USAFA.

2.5. **Ground Transportation in Support of the Bowl Contingent and Guests.**

2.5.1. Ground transportation requirements will be determined during the pre-planning meetings and provided for official travelers only. Arrangements will be made by USAFA/ADSL.

2.5.2. USAFA Motor Coach support will be provided if available and cost effective. All personnel in the categories listed in **Table 1** below are authorized transportation on government-owned, operated, and leased motor coaches. Transportation will be provided for necessary and official bowl functions.

2.5.3. In cases involving non-government travelers, ADSL will be responsible for obtaining a waiver of liability as a condition for receiving this transportation support and maintain these records for audit purposes.

2.6. **Travel of Others.**

2.6.1. Travel by Spouses.

2.6.1.1. Official Representation by Spouses. Pursuant to guidance contained in DoDD 4515.13-R, *Air Transportation Eligibility*, DoDD 4500.56, *DoD Policy on the Use of Government Aircraft Air Travel*, and AFI 24-602, V1, *Passenger Movement*, spouses may travel with their sponsor at government expense only when there is an unquestionable official requirement in which the spouse will actually participate in the function requiring the travel, or it is deemed by proper authority in the national interest because of a diplomatic or public relations benefit to the country. A request for a spouse to travel at government expense must be submitted through HQ USAFA/CC for approval by the Chief Staff Air Force (CSAF) or Vice Chief of Staff (AF/CV). If approved, each spouse is issued an invitational travel order which authorizes funded travel only; no per diem or other reimbursements are authorized.

2.6.1.2. Contractually obligated travel for spouses and guests of contract coaches will be in accordance with terms of the contract.

2.6.1.3. Unofficial Spouse Travel. Members of the official travel party may request approval to have their spouse accompany them on the trip. The primary travel member will pay the cost of travel by a spouse in an unofficial status. Seating for a spouse in an unofficial travel status will be on a space available basis. Travel and lodging arrangements are coordinated with USAFA/ADSL by the member of the official party. USAFA/ADS will submit these requests to the Vice Director of Athletics for approval by HQ USAFA/CV. The spouses of key USAFA personnel (Commandant, Dean of Faculty, Director of Athletics, and Faculty Athletic Representative) who can perform representational or development functions for the USAFA will be given preference.

2.6.2. Family members, other than spouses, of an official travel party member may be approved to travel on a fully reimbursable basis if space is available on the charter aircraft. The Athletic Director will approve priority for who will travel for all excess charter capacity.

2.6.3. The Association of Graduates (AOG), USAFA Endowment, or other USAFA-affiliated 501(c)(3) organizations' President, Chief Executive Officer (CEO) and/or Board of Directors' Chairman may be invited by HQ USAFA/CC or the Athletic Director to travel to the bowl as guests of USAFA. If this invitation is approved and extended,

USAFA/AD may provide space on the charter aircraft and lodging for these individuals. Spouses of these organizational officials may travel on a space available, reimbursable basis and will not be allowed to take resources reserved for those who are making monetary and in-kind gifts to support the athletic program.

2.6.4. Any excess seats on the charter aircraft that are not filled by members of the official travel party can, at the discretion the Athletic Director, be allocated among the individuals mentioned above or be made available to members of the following groups: USAFA personnel, AD Staff, AFAAC staff, Blue and Silver Club, other affinity groups, associations or foundations that provide support to USAFA athletics, parents and family members of players and coaches, season ticket holders, etc. These seats will be made available only on a space available, reimbursable basis.

2.6.5. The cost for all reimbursable seats on the charter aircraft will be established on a per capita basis (total cost of charter divided by number of seats). USAFA/ADSL will, in coordination with the TMC, determine current rates for airline tickets. If the prevailing industry rate is lower than the per capita cost, the Associate Athletic Director for Support (USAFA/ADS) may set rates as long as they are economically advantageous to the government (AFAAA). All travel costs must be fully paid in advance of travel.

2.7. **Travel Limitations.**

2.7.1. NCAA Standards – USAFA/AD will not deviate from NCAA standards in regards to post season travel.

2.7.1.1. Excess personnel – Teams will only travel the required personnel to achieve mission accomplishment NTE the traveling party used during the regular season. Deviation from this standard requires approval of the Athletic Director as submitted by USAFA/ADSL.

2.8. **Game Tickets.**

2.8.1. All bowl game contracts require participating institutions to purchase large blocks of game tickets. The AFAAC will purchase these tickets and all tickets required for official travel party members. Official travel party members traveling on appropriated fund orders will reimburse AFAAC for the ticket provided to them. AFAAC will provide the following bowl game tickets:

2.8.1.1. Six tickets to each football player and cheerleader (per NCAA rules).

2.8.1.2. One ticket to each member of the official travel party who requires a ticket in order to attend the game. Any personnel in the official or authorized travel party who have a working credential to enter the stadium will not receive a ticket.

2.8.1.3. One ticket each to the AOG CEO and President if traveling as guests of the HQ USAFA/CC or Athletic Director.

2.8.1.4. Any contractually obligated tickets pursuant to terms of a commercial sponsorship or partnership agreement.

2.8.1.5. Any contractually obligated tickets pursuant to football coaches' contracts.

2.8.1.6. One ticket to any USAFA cadet (not in the official travel party) attending the game, based on availability. Cadets must pick up tickets in person at the game location and will not be distributed in advance.

2.8.2. The AFAAC must ensure they procure all tickets and account for the purchase in their official accounting records. Only tickets, under this subsection, which comply with requirements set in 2 CFR 200 may be charged to the CA. All others may be gifted IAW the AFAAC's policy.

2.8.3. The AFAAC will develop a comprehensive marketing plan to encourage good representation and attendance by USAFA fans. The plan will be briefed to the AD for approval. The AFAAC will be responsible for all ticket distributions IAW their policies and terms and conditions set in the Cooperative Agreement. (**NOTE:** Members of the official travel party may purchase adjacent seats for spouses and family members. Otherwise, these seats will be sold to the general public. Under no circumstances will adjacent seating tickets be "reserved" for free distribution to official travel party members; they may only obtain free tickets under the same conditions and from the same distribution outlets as the general public; they will not be given any preferential treatment in the distribution of free tickets).

2.9. **Bowl Memorabilia.**

2.9.1. Any bowl memorabilia provided to USAFA/AD pursuant to USAFA participation in the bowl, after review by the USAFA Staff Judge Advocate (HQ USAFA/JA), may be distributed to eligible personnel identified in **Attachment 2**. If necessary and fiscally appropriate, the AFAAC may purchase sufficient additional sets of the bowl memorabilia to ensure all football players, coaches, and football support personnel identified in **Attachment 3** receive a set. The AFAAA or the AFAAC may also purchase a reasonable number of bowl memorabilia sets, or portions thereof, suitable for display in appropriate athletic facilities or the Director of Athletics' and Superintendent's offices.

2.9.2. Team awards may be funded with AFAAA NAFs funds in accordance with NCAA rules, AFI 34-201, *Use of Nonappropriated Funds*, USAFA Supplement 1 to the players, coaches, and support personnel identified in **Attachments 3** and **4**.

2.9.3. USAFA/AD may purchase Conference Championship awards with AFAAA funds and provide a Conference championship award, in accordance with NCAA rules and AFI 34-201, USAFA Supplement 1, to the football players, coaches, and football support personnel identified at **Attachment 5.**

2.9.4. AFAAC may also purchase bowl memorabilia and promotional items (e.g., ball caps, T-shirts) for distribution in accordance with marketing plans to encourage attendance and demonstrate AF and (or) USAFA representation at the bowl game. Cost of these items should not exceed $25 per item and the distribution plan will be approved in accordance with **Paragraph 2.9.5** below.

2.9.5. A detailed procurement and distribution plan for bowl memorabilia, promotional items, and awards discussed above will be prepared by the AFAAC CEO and CFO for review by the USAFA/AD and Executive Director of Athletics for approval.

2.10. **Special Events.**

2.10.1. The Bowl Game Committee sponsors a series of events that may include breakfasts, luncheons, dinners, receptions, and entertainment events that require participation of USAFA travel party.

2.10.2. For each event, the Bowl Committee provides a designated number of tickets. USAFA/AD must provide these bowl-furnished tickets to official travel party members who are required (by bowl agreement) to attend such functions or to other official travel party members. If the HQ USAFA/CV determines certain USAFA staff must perform a representational role at the event, the AFAAA or the AFAAC may purchase additional tickets to satisfy the requirement. Spouses who accompany staff designated with a representational role may be provided a government-furnished or paid-for ticket to these events only if on authorized orders IAW AF policy.

2.10.3. Spouses, dependents, and other individuals who accompany the official travel party, who are not on official orders, will be required to pay for tickets at their own expense.

2.10.4. The AFAAA or AFAAC may also purchase tickets included in travel packages sold to parents, season ticket holders, and other supporters.

2.10.5. If the event includes a meal, government personnel who attend these events will claim government meals provided on their travel voucher.

2.11. **Aircraft and (or) Charter Manifest.**

2.11.1. USAFA/ADSL is responsible for the aircraft manifest, lodging arrangements, bowl week scheduling, and publishing a bowl information pamphlet for all travelers.

2.11.2. A charter manifest listing all personnel will be prepared in advance of travel and submitted in accordance with USAFAI 24-103 within 2 days of departure. A sample charter manifest list is at **Attachment 6**.

2.12. Resolution of NCAA Conflicts.

2.12.1. USAFA/AD will ensure bowl participation complies with all NCAA rules and regulations as well as the applicable bowl operations manual. To the extent there is a conflict between NCAA rules and regulations and DoD and Air Force regulations, directives, and instructions regarding the conduct of USAFA personnel in association with the bowl game, the more stringent guideline will be followed.

3. USAFA Intercollegiate Sports (Non-Football)

3.1. **Acceptance of Post Season Contest Invitation.**

3.1.1. USAFA intercollegiate athletic teams belong to various conferences and are eligible to participate in conference and NCAA championships in representation of USAFA. To participate in these events, USAFA is obligated to send athletic teams to away contest locations and may be required to pay associated costs. The requirements and rules for participation in these events are established by the conference and (or) NCAA and are binding on all conference members. The conferences may negotiate and execute post-season contracts. When a team is selected or invited to a post-season contest, that acceptance is merely an acknowledgement of the obligation to participate, which arises out of membership in the NCAA or the various conferences. This

acknowledgement is the same as the acknowledgement of obligations to play regular-season schedules issued by the conference. The acknowledgement (acceptance) of USAFA's obligation to participate in a post-season contest is not a procurement action requiring the approval of a contracting officer; furthermore, there is often little, if any, opportunity to negotiate with vendors providing goods or services contingent to post-season contests. This is an institutional agreement; as such, agreements to participate in bowl contests shall be negotiated by, agreed to, and signed by USAFA/AD government personnel with the assistance of AFAAC personnel, as required.

3.2. **Mode of Travel.**

3.2.1. The athletic team will travel to the post-season competition by bus, charter aircraft, or commercial airlines. Teams will initiate all travel through USAFA/ADSL and the AFAAC travel provider to coordinate all travel IAW ADOI 65-103, *Financial Management Policy*. In some instances, travel will be scheduled by the Conference or NCAA-designated travel agent, but in all cases those arrangements must be coordinated first with USAFA/ADSL to ensure funding limits are not exceeded using these other travel providers.

3.2.2. The final travel manifest is consolidated by each sport program and forwarded to the Sports Administrator for review prior to approval by the Associate Athletic Director for Support (USAFA/ADS) responsible for reporting summary travel manifest and costs to the Athletic Director at organizational staff meeting prior to the event. Only mission essential changes will be made to the manifest less than 36 hours prior to departure. The team travel manifest is based upon team travel sizes identified in the USAFA ADOI 24-101, *Intercollegiate Team Travel, and post-season NCAA directives* (see **Attachment 7** for an example manifest).

3.2.3. Each sport will coordinate travel arrangements based upon the guidelines of the conference and (or) the NCAA. Sport participants will submit travel manifests as identified in ADOI 24-101 for lodging and transportation as applicable based on the travel timeline. Blanket Team travel orders will be used or a routine travel order will be accomplished if required.

3.3. **Travel by the Official Travel Party and Reimbursement of Expenses:**

3.3.1. The official travel party for Bowl events will include the athletes, coaches, support personnel, cheerleaders, and USAFA and USAFA/AD personnel required to participate in official functions and activities as outlined in **Table 2** below. For non-Bowl post season competitions, the official travel party may be substantially reduced from **Table 2** as approved by USAFA/ADS to ensure the smallest contingent authorized to ensure the most cost effective means for mission accomplishment.

Table 2. Official Travel Party.

Superintendent of the United States Air Force Academy
Director of Athletics (Government or AFAAC)
Executive/Vice Director of Athletics
Division Chief, as applicable (ADE, ADP)

Medical and Trainer Staff

Ticket Office Staff
AFAAC Support Personnel Required by CA (as approved by CA Grants Officer)
Cadet Athletes
Media (Radio Broadcasting Crew)
Tutors (When Required)
Officer Representatives
Athletic Equipment Staff and Cadet Managers

3.3.2. The official travel party will ensure all travel arrangements comply with applicable NCAA rules.

3.3.3. Members of the official travel party who normally travel with the team will be in group travel status and expenses incurred with the travel will be funded on the team travel card. Members of the official travel party who are under contract with AFAAC will be reimbursed according to the terms of their contract. Members of the AFAAC, as authorized in **Table 2**, will be reimbursed or paid IAW the CA or AFAAC travel policy. Members of the official travel party who are not normally part of the team travel party may travel on individual TDY orders only when approved by the Executive Director of Athletics. Military and civilian members of the official travel party below the grade of colonel (or civilian equivalent) are expected to share a room unless they are traveling with their spouse or gender considerations do not permit the sharing of a room.

3.3.4. All requests for additional rooms must be submitted 7 days prior to departure to USAFA/ADSL to ensure an accurate room count. These will be reviewed and approved by the Executive Director of Athletics. Individuals, not on official orders, who request additional rooms must pay for these rooms at the time of the reservation, and they are responsible for all expenses incurred. Individuals traveling on orders will pay for these rooms at the time of reservation and claim the expense on their travel voucher in accordance with the Joint Travel Regulation (JTR).

3.4. **Drum and Bugle Corps, Cheerleaders, Dance Team, and Falcon Handlers.**

3.4.1. The Drum and Bugle Corps, Cheerleaders, Dance Team, and Falcon Handlers may be required to attend conference championships and NCAA Championships. If their attendance is required, USAFA/AD will be notified in enough time to help coordinate their travel. Drum and Bugle Corp travel expenses may not be paid for with AD funds. These cadet attendees and related staff members are performing official USAFA missions and are authorized appropriated funding based on fund availability. In the event appropriated funds are not available to fund this travel, non-appropriated AFAAA funds may be used to support AD's teams only. However, the AFAAC may gift the travel to the government as long as the gift conforms to Air Force and AFAAC policy. Transportation will be provided from Colorado Springs game location and return to Colorado Springs. Itineraries will be developed in accordance with the JTR and with consideration for cadet morale, holiday vacation time lost, and economic factors.

3.4.2. All rooms will be double occupancy or greater except when gender considerations prevent double occupancy. Charges to rooms beyond the cost of the room itself (e.g., movies, phone calls) are not reimbursable and will be the responsibility of the room occupants. Any such charges must be settled with the hotel prior to departure.

3.5. **Ground Transportation in Support of the Contingent and Guests.**

3.5.1. USAFA Motor Coach support will be provided if available and cost effective. If USAFA Motor Coach is unavailable, USAFA/ADSL will submit a transportation request through 10th Logistical Readiness Squadron (10 LRS), 333-2230, in advance of the AFAAC procuring ground transportation IAW the CA.

4. Travel of Others

4.1. Travel by Spouses

4.1.1. Official Representation by Spouses. Pursuant to guidance contained in DoDD 4515.13-R, DoDD 4500.56, and AFI 24-602, V1, spouses may travel with their sponsor at government expense only when there is an unquestionable official requirement in which the spouse will actually participate in the function requiring the travel, or it is deemed by proper authority in the National interest because of a diplomatic or public relations benefit to the country. A request for a spouse to travel at government expense must be submitted through HQ USAFA/CC for approval by the CSAF or AF/CV. If approved, each spouse is issued an invitational travel order which authorizes funded travel only; no per diem or other reimbursements are authorized.

4.1.2. Official Spouse Travel. The spouses of key USAFA personnel (Superintendent, Commandant, Dean, Director of Athletics, and Faculty Athletic Representative) who can perform representational or development functions for USAFA will be given preference when approved IAW Air Force policy.

4.1.2.1. Contractually obligated travel for AFAAC spouses and guests of contract coaches will be in accordance with terms of the contract and paid by the AFAAC at no cost to the government.
