Supersedes: AFI36-2903_JBSANANTONIOSUP, 15 May 2023 Pages: 9

This publication implements and extends the guidance of DAFI 36-2903, *Dress and Personal Appearance of United States Air Force and United States Space Force Personnel.* This supplement applies to all uniformed members of the Regular Air Force assigned to JBSA-Fort Sam Houston, JBSA-Lackland, JBSA-Randolph, or JBSA Camp Bullis. Additionally, it applies to Air Force Reserve and Air National Guard members in the training pipeline and/or assigned to perform duties in support of the training pipeline or other JBSA missions. Ensure that all records generated as a result of processes prescribed in this publication adhere to Air Force Instruction 33-322, *Records Management and Information Governance Program*, and are disposed of in accordance with the Air Force Records Disposition Schedule which is located in the Air Force Records Information Management System. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using Air Force Form (AF) 847, Recommendation of Change of Publication; route AF Forms 847 from the field through the appropriate functional's chain of command. The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply

endorsement by the Air Force. This publication may not be supplemented or further implemented/extended.

SUMMARY OF CHANGES

This document has been revised and requires a full review. Key updates include appropriate attire for JBSA Dining Facilities and Fitness Centers, "No Hat, No Salute" areas, Watch Cap wear, and 502 Security Forces Group uniform wear.

7.2.7.4. **(Added) Watch Caps Wear.** Authorized from 1 November – 31 March or as extended by the installation commander.

8.2. (Added) JBSA Fitness Center Customer Attire. Appropriate clothing must be worn to maintain a proper image in a military and family fitness facility.

8.2.1. Attire should be conservative, modest in nature, and without obscene and offensive language or graphics.

8.2.2. Athletic attire and athletic-type shoes will be worn in all activity and equipment areas. Military utility uniforms are authorized to be worn during workouts and members may remove their utility uniform coat (shirt); however, t-shirts are worn.

8.2.3. Only court shoes with non-marking soles will be worn on hardwood floors; boots are not authorized on treadmills or hardwood floors.

8.2.4. Casual slacks, shorts and jeans are considered non-exercise attire. Due to safety concerns (including an increased risk of dehydration and heat illness), garments made of plastic, rubber, nylon, etc., that are specifically designed to increase the amount of perspiration, are not authorized in any fitness facility, to include outdoor running tracks and fields.

Chapter 16 (Added)

DININIG FACILITY

16.1. Dining Facility Dress Codes. The following dress code policy will be enforced in all Joint Base San Antonio dining facilities as applicable:

16.1.2. Shirts and footwear must be worn. Headgear, du-rag/wave caps, sleeveless shirts, and pajama bottoms are prohibited.

16.1.3. Fitness clothes drenched in sweat, filthy or tattered clothing, swimwear, shorts/skirts not to exceed 3 inches from top of knee, or clothing with obscenities will not be permitted inside the dining facility. All clothing should be in good taste and appropriate for all military and civilian citizens.

16.1.4. Personnel will not wear any unauthorized military uniform combinations (i.e. flip flops with coyote brown socks and Physical Training Gear shirt, mixing other uniform items) and all other combinations not specifically prescribed.

16.1.5. Personnel not dressed appropriately will be asked to leave and change to appropriate attire.

RANDY P. OAKLAND
Brigadier General, USAF
Commander

A3.3.5. Joint Personnel Processing Center deck area.

Attachment 15 (Added)

502 SECURITY FORCES GROUP UNIFORM WEAR

A15.1. Combat Shirts. Combat shirts are issued by the Security Forces Group for wear during hot weather and/or while in performance of flight operations.

A15.1.1. Combat shirts may only be worn when performing flight operations and training (excluding Professional Military Education and Formal Training). Staff personnel will not wear the combat shirt without a blouse unless armed and supporting flight operations.

A15.1.2. The combat shirt is authorized for wear when transiting from home to and from duty locations. Additionally, Security Forces personnel are authorized to wear the combat shirt without a blouse for short convenience stops (e.g. Shoppettes, Child Development Center pickups and drop-offs) and should not exceed 15 minutes. Combat shirts will not be worn in off-base facilities or establishments without the blouse.

A15.1.3. The combat shirt must be worn in serviceable condition, including correct patches on the sleeves IAW DAFI 36-2903. Morale patches are not authorized. Combat shirts will be tucked in. Sleeves will not be pushed up the arm.

A15.2. Headgear. The Security Forces beret is the authorized headgear for all Security Forces personnel assigned to the Security Forces Group. The following exceptions are authorized:

A15.2.1. Security Forces personnel are authorized to wear the coyote brown watch caps during cold weather from 1 November to 31 March. If temperatures exceed 65 degrees Fahrenheit, regardless of the month, the watch cap will be replaced with the beret.

A15.2.2. Patrol and Ball Caps. Security Forces personnel will only wear Air Force-approved ball or patrol caps when conducting training to include range operations. Enlisted personnel will not have patches on the front of the ball cap or patrol cap. Officers will wear rank insignia on the front of the ball cap or patrol cap.

A15.3. SF Modular Scalable Vest (MSV).

A15.3.1. When performing flight operations, Security Forces personnel will wear the 502 SFG-issued name tag and applicable rank on the front of the vest. No other patches are authorized without consent from the Defense Force Commander or Senior Enlisted Leader. **NOTE:** Exceptions should only be made while individuals are awaiting their issued name tag.

A15.4. Cold Weather Fleece and Rain Gear.

A15.4.1. Security Forces personnel will wear cold weather fleece and rain gear under the Modular Scalable Vest. Fleece should not be worn if temperatures exceed 65 degrees Fahrenheit. Defense Force Commanders and Senior Enlisted Leaders may make exceptions on a case-by-case scenario during extreme weather events and scenarios.
