This publication supplements Department of the Air Force Instruction (DAFI) 36-2903, *Dress And Personal Appearance Of Department Of The Air Force Personnel*. This publication applies to all units on Kirtland Air Force Base (KAFB), including attached and associate units as depicted in host tenant support agreements. This publication does apply to the Air National Guard (ANG). This publication does apply to the Air Force Reserve Command (AFRC). This supplement is designed to establish authorized wear for military personnel. The omission of a specific item or appearance standard does not automatically permit its wear. Refer recommended changes and questions about this publication to the Office of Primary Responsibility (OPR) using the AF Form 847, Recommendation for Change of Publication; route AF Form 847s from the field through the appropriate functional's chain of command. This publication may not be supplemented or further implemented/extended. Submit requests for waivers through the chain of command to the Publication OPR. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) Air Force Instruction (AFI) 33-322, *Records Management and Information Governance Program*, and disposed of IAW Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS).

2.12. Appropriate protective equipment (and/or reflective garments during night). Is required when operating bicycles, motorcycles, or all-terrain vehicles (ATV), and performing duties requiring safety considerations. Personnel must adhere to proper dress and appearance standards when no longer operating a two-wheeled vehicle, ATVs, or performing duties that require safety equipment.

5.1.1. **OCP Coat.** The OCP coat may be removed in the immediate work area as determined appropriate by local leadership. However, the OCP coat will be worn while interacting with customers/clients.

5.1.7. **Friday Morale Undershirt.** Morale Undershirts are authorized for wear on Friday, as established by the unit commander under the guidelines of their respective wing commander.

5.1.12. **Flightline/Maintenance Cold-Weather Outerwear.** Commercial cold-weather outerwear that does not comply with the standards outlined in DAFI 36-2903 are not permitted, even if issued by prior commanders. Unauthorized items will not be worn unless a waiver has been granted or approved by the Installation Commander.

7.2.7. The installation commander authorizes watch caps for wear when worn with outer garments, service dress, Physical Training Gear (PTG), and may be worn on the flightline IAW DAFI36-2903, Paragraphs 7.2.7 through 7.2.7.3. However, watch caps may only be worn between 1 October and 31 March.

7.3.6. **Authorized Flightline Badges and Passes.** All personnel must wear lanyards, access passes, identification badges, and Common Access Cards in accordance with DAFI 36-2903, Paragraph 7.3.6. This guidance requires passes to be worn only as needed in designated areas, positioned on the front of the body between the neck and waist and pose no safety hazard. Lanyards should have a conservative design (dark colors, small silver chains, or clear plastic).

7.3.6.1. **(Added)** For flightline use, strict control is required to prevent FOD hazards: all personnel (including aircrew, maintenance, and security force, etc.) must secure badges and passes using a non-metallic breakaway lanyard/armband or a non-metallic clip. All personnel will adhere to both DAFI36-2903, Paragraph 7.3.6. and DAFI 21-101, Paragraph 11.8.3.6, badge and pass display requirements and uniformed members must also comply with the specific color and design requirements.

7.3.6.2. **(Added)** Wear of the Department of Veteran Affairs/United States Air Force (VA/USAF) Health Care System Identification badge is authorized for wear anywhere on the medical campus, both indoors and outdoors.

8.1.2. **PTG Heritage Morale Shirts.** PTG Heritage Morale Shirts are authorized for wear on Friday, as established by the unit commander under the guidelines of their respective wing commander.

8.1.7. **Headgear.** Installation Commander authorizes wear of an optional solid black, white, or dark blue baseball/sport cap and/or sweatband with the Air Force symbol or U.S. Air Force printed/embroidered on the front during organized PT. This is also authorized during individual PT, caps will be worn outdoors only.

9.1.1. The wear of organizational gear, such as cold weather items, is authorized when issued IAW prescribed allowance standard (AS) codes, DAFI 36-2903, and are authorized for wear during cold weather and on the flightline. Cold weather wear items in **Table 9.1** are authorized for wear while performing official duties:

Table 9.1. (Added) Authorized Cold Weather Wear.

Description:	**Wear Times:**
Cold Weather Coveralls (General Services Administration (GSA) Approved Black or OCP)	1 October - 30 April
Authorized Parkas, Massif, or Extended Cold Weather Clothing System (ECWCS)	1 October - 30 April
Protective hair/head coverings (these coverings are authorized only when work is being performed which requires the protection from the elements of work, (e.g., paint, oil, grease, sprays))	All year
Reflective tape, jackets, arm bands	All year
Note: Trips to the Base Exchange (BX), Commissary, Military Personnel Section (MPS), clinic, as well as trips in transit to and from place of residence and going to and from vehicles in parking lots, are not considered "in performance of official prescribed duties."	

9.6. Head Gear / Hot Weather Flightline Headgear . Personnel are permitted to wear the OCP boonie hat as Personal Protective Equipment (PPE) for sun protection exclusively on the flightline and within the 377 MXS Munitions Storage Area (MSA). To comply with uniform standards IAW DAFI 36-2903, Paragraph 9.6., the boonie must not be worn outside these immediate work zones. The hat must be worn level on the head, with the brim and band forming a straight line parallel to the ground and should fit snugly without bulging or distorting. No hair should be visible on the forehead beneath the brim. Its chin strap must be secured under the chin—not behind the head—and tightened during windy conditions to mitigate loss and potential FOD hazards. While the hat may rest on the back of the neck/upper-back when outdoors or inside hangars, and the boonie hat must be removed when indoors/non-industrial areas. There is no requirement for officer rank insignia on the boonie hat.

9.7. Friday Morale Undershirt. Morale Undershirts are authorized for wear on Friday, as established by the unit commander under the guidelines of their respective wing commander.

10.7.12. **2X-Series AFSCs Shorts** . Airmen designated under these AFSCs are ***not authorized*** to wear the dark blue shorts specified in DAFI 36-2903 and must instead utilize OCP trousers, Maintenance Duty Uniforms (MDUs) (both on and off the flightline) or locally issued or GSA-purchased coveralls (Strictly flightline use only).

10.7.13. **Flight Line/Maintenance Local Coveralls** . All active-duty maintenance personnel assigned, to include those attached to the 150 SOW, are permitted to wear locally issued, GSA-purchased coveralls as a substitute for the MDU when their duties may result in significant soiling or wear. Maintenance personnel may only wear coveralls within designated immediate work areas, which are defined as industrial zones (within the specified flight line areas, such as hangars, back shops, maintenance yards and dock areas). Beyond these immediate areas, personnel are required to wear the uniform of the day (either OCPs or MDUs) and must report for duty dressed accordingly in compliance with DAFI 36-2903. Local commanders may distribute unit-issued coveralls, which must adhere to a dark blue color scheme, maintaining uniformity in terms of material and appearance throughout all maintenance activities. Exception: Unit-issued and GSA approved cold-weather OCP or black coveralls only, may worn between 1 October and 30 April.

10.7.13.1. Coveralls must not be tied or wrapped around the waist, nor hung from the body outside of immediate work areas. The centerline zipper should be fastened up to at least the level of the nametag or the upper stitch line of a chest pocket when not engaged in active work, including while in offices and breakrooms. Blousing of coveralls is not mandatory, and alterations including cutting of sleeves and legs of unit-issued coveralls are not authorized.
