SUPPORT FUNDING GUIDANCE

Section 8M—Resource Management Systems (Added)

8.47. (Added) Overview. Resource Management Systems (RMS) will establish and prioritize requirements, obtain and maximize the use of scarce resources, measure actual to planned performance, and achieve cost effective results.

8.47.1. **(Added)** RMS includes the financial plan, participatory and committee management, the Resource Management Team (RMT), and resource management training.

8.48. (Added) Participatory Management. Committees are established to review programs and the financial funding of the 944 FW. These committees determine the financial constraints the 944 FW will operate. A reduction in the scope of certain programs and the deferment or elimination of others may become necessary to accomplish the mission within these constraints. There will not be any unilateral management of programs when all programs are competing for the same limited resources. However, during an emergency situation the 944 FW Commander may choose not to call a FMB meeting when time is of the essence.

8.48.1. **(Added) Financial Management Board.** The FMB is established to determine program priorities and ensure resources are allocated in the most effective way. The FMB reviews, approves, or disapproves recommendations made by the Financial Working Group (FWG) to ensure balanced valid financial programs and to consider all known or anticipated program requirements. Meetings will occur at least once per quarter until superseded. Membership to the FMB is stated below and additional membership is at the discretion of the chairperson.

8.48.1.1. **(Added)** Chairperson: 944 FW Commander (944 FW/CC)

8.48.1.2. **(Added)** Members: 944 FW Executive Officer (944 FW/CCE), 944th Mission Support Group Commander (944 MSG/CC), 944th Operations Group Commander (944 OG/CC), 944th Medical Squadron Commander (944 MDS/CC), 944th Aeromedical Staging Squadron Commander (944 ASTS/CC), 944 Maintenance Group Commander (944 MXG/CC), 414th Fighter Group Commander (414 FG/CC) and the 924th Fighter Group Commander (924 FG/CC).

8.48.1.3. **(Added)** Recorder: 944th Fighter Wing Finance (944 FW/FM) member.

8.48.1.4. **(Added)** Advisors: 944 FW/FM Officer.

8.49. (Added) Financial Working Group (FWG). The FWG is the working level FM group and consists of primary and alternate resource advisors (RAs). The primary purpose of the FWG is to validate and prioritize the 944 FW's funds and to present concerns to the FMB for their discussion and/or resolution. Membership to the FWG is at the discretion of the Group Commanders in the organization. New members should be appointed no later than 15 calendar days after a position becomes vacant. Cost center managers (CCMs) may attend FWG meetings, but are not required to do so.

8.49.1. **(Added)** Chairperson: FM Officer

8.49.2. **(Added)** Members: Primary/alternate RA for 944 FW Staff, 944 OG, 944 MSG, 944 ASTS, 944 MDS, 944 MXG, 924 FG, 414 FG, and 944th Recruiting.

8.49.3. **(Added)** Advisors: 944 FW/FM Analysts.

8.50. (Added) Appointment of Financial Managers. Appointment to the position of Resource Manager (RM) is by this instruction. RAs are appointed by the RM in writing to 944 FW/FM. The appointment letter will identify the Resource Advisor's name, rank/grade, duty title, office symbol, telephone number, and the appointment date.

8.51. (Added) Training. Training for new RMs is accomplished by the FM office, and must be completed within 90 days of appointment to the position. If the new RM has experience in Resource Management, a letter can be used to identify the experience in lieu of the training. Training of CCMs is the responsibility of the primary Group RA. Training folders for the primary and alternate RA will be maintained in the FM office. The Group RA will maintain training folders on their cost center managers.

8.52. (Added) RMT Services. The Financial Officer will offer RMT services to all organizations. The RMT will be comprised of FM members. Service in the areas of internal audit of management controls for resource management, problem solving, and recommendations for improving various processes will be offered.
