PROGRAM OVERVIEW

1.1. This instruction provides guidance for all personnel that procure, sell, serve, or consume alcoholic beverages on AF installations or aircraft: and empowers commanders with the authority to permit the consumption of alcoholic beverages by Airmen (regular AF, Air Reserve Component, Department of Defense (DoD) civilians, and DoD contractors) and adult guests on a limited basis.

1.2. Commanders must: Deglamorize behavior associated with excessive drinking and ensure all personnel avoid inappropriate and disorderly conduct. **(T-0).**

1.3. It is the intent of this instruction to ensure bystander Airmen are: Not negatively affected by alcohol consumption and the unit does not become vulnerable to an unprofessional or hostile work environment. Commanders of all units ensure that Airmen never feel express or implied pressure to consume alcohol and that non-alcoholic beverage options are available at all official social functions. **(T-1)**. Moreover, commanders will ensure their team possesses a culture of professionalism where alcohol is not consumed during the performance of official duties. **(T-1).**

Chapter 2

ROLES AND RESPONSIBILITIES

2.6.2. Will supplement this instruction accounting for the installation's mission, morale, areas where alcohol is served, deglamorization and additional guidance ensuring consumption of alcohol will not negatively impact the installation's mission **(T-1)**.

2.6.3. Ensure the Force Support commander or director holds annual training programs, as detailed in **paragraph 3.5**, to familiarize beverage supervisors and servers with AF alcohol policies. **(T-1)**

2.6.4. Ensures implementation of the AF alcohol deglamorization program. **(T-0).** Refer to **paragraph 3.7**

2.7. The Vice President of the AAFES region along with the AFSVC commander. Shall settle disputes between the installation commander and AAFES. **(T-1).** See AFI 34-211(I), *Army and Air Force Exchange Service General Policies.*

If the incident occurs in a 96th Force Support Squadron (96 FSS) facility, the 96 FSS duty manager will report individuals involved in the alcohol-related incident (fights, destruction of property, etc.) to Security Forces for investigation. When appropriate, the 96th Mission Support Group Commander will issue letters to activities that sell alcoholic beverages denying privileges to those involved in alcohol-related incidents.

Chapter 3

REQUIREMENTS OF THE ALCOHOLIC BEVERAGE PROGRAM

3.1. General Requirements.

3.1.1. Alcohol must only be consumed in government facilities at approved times and locations, ensuring mission and unit readiness are not negatively affected. Refer to **paragraph 4.2** **(T-1).** Alcohol will not be consumed by individuals in the performance of official duties, except when attending, or speaking at, a social gathering as part of official duties **(T-1).**

3.1.2. Alcohol consumption within squadron or unit government facilities is permitted for Airmen and their adult guests during commander approved sessions, celebrations, or social events. Alcohol consumption at periodic or recurring command social functions should not become a routine expectation. Refer to **paragraphs 4.3**-**4.5**

3.1.3. Airmen and their adult guests should maintain professional relationships and proper decorum at all times while consuming alcohol in government facilities.

3.1.4. Consuming alcohol in government facilities under the aforementioned guidelines is a privilege and all personnel should do so responsibly in every situation. Commanders must always ensure a safe and professional environment for all Airmen. **(T-1).**

3.1.5. Commanders will ensure the minimum age for purchasing, serving, selling, possessing, or drinking alcoholic beverages on AF installations as defined by Federal law and/or provisions of the state, territory, possession, or foreign country in which the installation is located. **(T-0).**

3.1.5.1. **(Added-EGLINAFB)** All persons must be at least 21 years of age to purchase or consume alcoholic beverages. This age is consistent with the legal drinking age in the State of Florida. Individuals who have alcoholic beverages in their dorm rooms must be at least 21. Those over the age of 21 who choose to possess and consume alcoholic beverages in the dormitory must ensure those beverages are not provided to or consumed by anyone under the age of 21.

3.1.6. The sale of powdered alcohol is prohibited on AF installations. **(T-1).** Airmen under the prescribed legal age (by the law of the state, territory, possession, or foreign country) for consumption of alcoholic beverages are likewise prohibited from consumption (inhaling, ingesting or inoculation) of powdered alcohol, whether in liquid or powdered form. **(T-1).** Underage Airmen may not possess, sell, consume, or distribute powdered alcohol. **(T-1).** **Military members failing to obey the provisions in this paragraph are in violation of *Article 92 UCMJ*, *Failure to Obey Order or Regulation*.**

3.1.7. Servers and sellers, including volunteers and personnel at squadron events, of alcoholic beverages must verify the purchaser's age with a photo identification card (e.g. common access card, driver's license, passport, or family identification and privilege card). **(T-0).**

3.1.8. Adults must not provide alcoholic beverages to minors except in accordance with applicable state laws. **(T-0**). **Failure by military members to obey the provisions in this paragraph is a violation of *Article 92 UCMJ*, *Failure to Obey Order or Regulation*.**

3.1.8.1. **(Added-EGLINAFB)** No person will serve alcoholic beverages to persons they consider to be underage. Unit commanders and authorized servers of alcoholic beverages must make sure no alcoholic beverages are served to individuals who are underage.

3.1.9. Military personnel 18 years old or older may purchase, serve, sell, possess, and consume alcoholic beverages outside the United States, its territories, and possessions unless a higher drinking-age requirement exists in accordance with applicable status of forces or country-to-country agreements. A higher drinking age requirement (up to 21 years) may also be imposed based on the local situation as determined by the installation commander. **(T-3).** Coordination with host nation commander is required. **(T-3).** Establishment of a drinking age over the age of 21 years requires Air Force Services concurrence. **(T-1).**

3.1.10. As states enact new drinking-age laws, installation commanders must make corresponding changes for installation drinking-age guidance. **(T-0).**

3.1.11. The AF, consistent with mission needs, will cooperate with federal, state and local officials in the execution of the alcoholic beverage program; however, there is no legal obligation to submit to state or local control or regulation. **(T-0).**

3.1.12. Force Support, AAFES managers, and commanders at all levels should ensure proper safeguards and controls to protect the welfare of an intoxicated person.

3.1.13. Force Support managers selling or serving alcohol must implement an annual training program to familiarize beverage supervisors and servers with AF alcohol consumption policies. **(T-0).** The training must cover the principles of Dram Shop liability, bystander intervention methods for identifying intoxicated patrons, and procedures to prevent individuals from driving under the influence of alcohol. Completion of training must be documented in the employee's official personnel file. **(T-1).** AF nonappropriated fund employees working in AAFES facilities also receive training on "Techniques for Alcohol Management" which is documented in the employee's official personnel file.

3.2. Program Exceptions.

3.2.1. The installation commander, with legal review from AFSVC Office of Counsel, may approve exceptions to standard guidance if state and federal law permit. For example, when an entire unit marks a unique or non-routine military occasion on a military installation, the minimum drinking age for attendees at a particular unit gathering may be lowered. The minimum drinking age for the entire unit unique or non-routine military occasions must be 18 or above. **(T-0).** The minimum drinking age for non-service members at CONUS events may not be lower than 21 years of age.

3.2.2. The installation commander may not delegate the approval authority for exceptions to the minimum drinking age. **(T-1)**

3.2.3.2. Low-alcoholic beverages with less than seven percent alcoholic content by volume.

3.2.3.3. Beer and wine only.

3.2.4. The installation commander shall reevaluate the exceptions annually and send an information copy of the continued exceptions to AFSVC commander. **(T-2).**

3.3. Dram Shop Liability. Dram Shop is a legal theory of liability in many states which imposes financial liability upon the owner, operator and/or employees of any establishment for serving alcoholic beverages to persons who cause injuries or damages because of their intoxication. When an establishment continues to serve alcoholic beverages to a customer who has reached or appears to be reaching the point of intoxication and the customer subsequently departs and causes harm to themselves or others, the owner, operator and/or employees of the establishment may be held liable for damages. To protect the assets and interests of nonappropriated fund instrumentalities and the AF, personnel must adhere to the following:

3.3.1. Employees are prohibited from serving alcoholic beverages to individuals who appear intoxicated or close to being intoxicated. **(T-1).**

3.3.1.1. **(Added-EGLINAFB)** No person will serve alcoholic beverages to persons they consider to be intoxicated or close to intoxication. Unit commanders and authorized servers of alcoholic beverages must make sure no alcoholic beverages are served to individuals who reach or appear to be reaching the point of intoxication.

3.3.2. Servers of alcoholic beverages on AF installations must record their understanding of Dram Shop policy in the employee's official personnel file by signing underneath this statement: "I understand my responsibility under the Dram Shop theory of liability not to sell or serve alcoholic beverages to persons who appear to be intoxicated or nearing intoxication and not in complete control of their faculties." **(T-1).** AAFES prescribes the statement to be signed by all AAFES employees **(T-1).** Volunteers serving alcoholic beverages must also have Dram Shop awareness training and sign a statement identical to that signed by employees. **(T-1).**

3.3.3. **(Added-EGLINAFB)** In addition to initial training, all employees selling or serving alcoholic beverages shall be trained annually. The training must cover Dram Shop liability, the Air Force Alcohol Deglamorization Program, the methods of identifying intoxicated patrons and recommended procedures to prevent individuals from driving under the influence. For "self-serve" events there is no requirement for Dram Shop Training.

3.4. Drunk and Drugged Driving Program. In accordance with DoDI 1330.21, *Armed Services Exchange Regulations*, paragraph E5.2, AAFES managers and DeCA managers should be familiar with the spirit and intent of all AF initiatives to eliminate drunk or drugged driving incidents involving patrons of installation Force Support, AAFES, and DeCA establishments, and support Force Support Squadron initiatives accordingly. **(T-0).**

3.4.1. **(Added-EGLINAFB)** All activities serving alcoholic beverages for on-premises consumption will have in effect an active Designated Driver Program (DDP). For unit events, the DDP is approved by the unit commander. For retail activities, the minimum requirements in support of the DDP are:

3.4.1.1. **(Added-EGLINAFB)** The DDP will be in effect during all activity operating hours whenever and wherever alcoholic beverages are served and consumed.

3.4.1.2. **(Added-EGLINAFB)** Patrons in groups of two or more will be eligible to participate in the DDP.

3.4.1.3. **(Added-EGLINAFB)** The event host will provide the designated DDP driver with tickets/food for events in addition to non-alcoholic beverages at no charge.

3.4.1.4. **(Added-EGLINAFB)** All activity employees will be fully briefed and trained concerning the DDP.

3.4.1.5. **(Added-EGLINAFB)** A copy of the activity's DDP operating instruction will be prominently posted.

3.5. Bystander Intervention Training. The Force Support Commander or director will ensure all Force Support personnel who serve alcohol receive bystander intervention training within 90 days of employment. Installation VPIs will assist in facilitation of bystander intervention training. Refer to AFI 90-5001, *Integrated Resilience* **(T-1).** Volunteers serving alcohol at Force Support events approved by the installation commander, either on or off the installation, must receive bystander intervention training prior to the event. **(T-1).**

3.5.1. **(Added-EGLINAFB)** Any server of alcohol must complete Bystander Intervention Training as described by AFI 34-219, paragraph 3.5., and must acknowledge understanding of Dram Shop liability. Volunteer servers will document training and understanding by signing a memorandum (see **Table A4.1**). For "self-serve" events, there is no requirement for Bystander Intervention Training.

3.6. Alcohol Operation Instructions. Operating instructions for activities serving alcoholic beverages must be used. **(T-3).** Operating Instructions should cover the following:

3.6.1. Importance of curtailing alcohol or drug influenced incidents.

3.6.2. Principles of Dram Shop liability, drunk and drugged driving program.

3.6.3. Importance of encouraging patrons to use a designated driver or buddy system.

3.6.4. The provisions of the alcohol deglamorization program.

3.6.5. **(Added-EGLINAFB)** Each authorized sales outlet and authorized location for consumption listed in **Attachment 3** of this supplement will keep a current copy of AFI 34-219 and this supplement available for review by all prospective customers.

3.7. Alcohol Deglamorization. In accordance with DoDI 1330.21, paragraph E5.2, installation commanders, tenant unit commanders, AAFES, DeCA, and Force Support commanders or directors and managers at all levels must make every effort to deglamorize alcohol. **(T-0).** To deglamorize alcohol, installation commanders will ensure:

3.7.1. Force Support programs serving alcoholic beverages do not promote excessive drinking. **(T-1).**

3.7.2. Force Support programs serving alcoholic beverages also offer nonalcoholic beverages. **(T-1).**

3.7.3. The hours during which alcoholic beverages (dispensed and pre-packaged) are sold by the drink on the installation is established in writing. **(T-1).**

3.7.4. The hours of operation for alcoholic beverage sales are coordinated between Force Support, AAFES and DeCA to provide reasonable service, meet local conditions and recognize the unique mission of military personnel. **(T-1).**

3.7.5. Ensure there is no issuance of coupons for reduced prices on alcoholic beverages. **(T-1).**

3.7.6. Ensure alcoholic beverages are not provided free of charge except for promotional tasting as approved by the installation commander. **(T-1).**

3.8. Social Hours. The following social hour guidance applies at all AF installations. Social hour is a designated period in which alcoholic beverages are offered at reduced price. All Force Support programs and AAFES stores must observe the following procedures when offering alcoholic beverages, by the drink, at reduced prices for social hours: (**T-3).**

3.8.1. Keep designated social hours periods to 10 hours or fewer per week and no more than two hours per day.

3.8.2. Make food available for purchase.

3.8.3. Reduce prices no more than 50 percent except for beverages offered as complimentary with a meal.

3.8.4. Do not serve two-for-one (or higher ratios) drinks.

3.8.5. The installation commander may provide waivers on a case-by-case basis; the waiver authority cannot be delegated.

3.9. Bar Operations. When opening bars Force Support programs will:

3.9.1. Not operate pro rata bars that require non-drinkers to share the cost of alcoholic beverages unless a pay-as-you-go bar is not practical or all the members of a group volunteer to share the cost. **(T-3).**

3.9.2. Not include the cost of alcoholic beverages in a package price for a meal, party or other function (includes dining-in or out) without offering a comparable nonalcoholic option at the same or reduced prices. **(T-3).**

3.9.3. Not use terms that glamorize alcoholic beverages or their consumption ("sick calls," "attitude adjustment hours," etc.). **(T-3).**

3.9.4. Not use the term “happy hour.” Use the term "social hour" in all written advertisements and provide a range of programs that include more than just reduced prices on alcoholic beverages. **(T-3).**

3.9.5. Reduce prices for nonalcoholic beverages when reducing prices for alcoholic beverages. **(T-3).**

3.9.6. Make a complimentary alcoholic beverage part of a meal only in appropriate cases (for example, with birthday or anniversary meal programs). In all cases, make nonalcoholic beverages available as an optional complimentary drink. **(T-3).**

3.9.7. Prohibit drinking contests. Do not use "last call" or other countdown events designed to promote last-minute sales. **(T-3).**

3.9.8. Do not increase the alcoholic content of a drink beyond the standard bar recipe without increasing the price. **(T-3).**

3.9.9. Complimentary nonalcoholic beverages should be offered in association with a designated driver program.

3.9.10. Establish a standard shot size not to exceed 1.5 ounces.

3.10. Registration and Taxation. Force Support programs that buy and sell alcoholic beverages must observe federal regulations. **(T-0).** Information and forms may be obtained for wholesale or retail alcoholic beverage permits and tax stamps from the Department of the Treasury, Internal Revenue Service, Bureau of Alcohol, Tobacco, Firearms and Explosives, 99 New York Avenue, NE, Washington, DC 20226.

3.10.1. In the United States, a Force Support program cannot transfer alcoholic beverages to another Force Support program for reimbursement unless the transferring Force Support program has a Federal Liquor Wholesaler's Occupation Tax Stamp issued by the Bureau of Alcohol, Tobacco, Firearms and Explosives. **(T-0).**

3.10.2. A Force Support Program that transfers alcoholic beverages to another Force Support program on a reimbursable basis must post a sign that can be seen from outside the building that reads "Wholesale Liquor Distributor." **(T-0).**

3.10.3. In the United States, each Force Support program that sells retail alcoholic beverages must be registered with the Alcohol and Tobacco Tax and Trade Bureau. **(T-0).** AFSVC maintains a central registration for each Force Support Program. Only one registration is needed regardless of how many annexes or retail outlets the Force Support program operates on the installation. However, a Force Support program operating retail outlets at a geographically separated off-installation location (for instance, at an off-installation recreation area) must have a separate registration for each off-installation outlet. **(T-0).**

3.10.4. A Force Support program that holds a valid federal wholesaler's occupation tax stamp does not need a federal retail occupation tax stamp.

3.10.5. The Force Support program must provide Bureau of Alcohol, Tobacco, Firearms and Explosive officers with purchase orders, invoices, stock record cards, inventories, and other related documents upon request. **(T-0).**

3.10.6. If a Force Support Program contracts with a concessionaire to sell alcoholic beverages at Force Support events, the concessionaire operator is required to purchase, at no cost to the government, a Federal Liquor Wholesaler's or Retailer’s Occupation Tax Stamp issued by the Bureau of Alcohol, Tobacco, Firearms and Explosives. **(T-0).**

3.10.7. Force Support Programs are exempt from all non-federal regulations and direct state and local taxes. If a state or local government attempts to tax or regulate alcohol purchases or sales by a non-AAFES nonappropriated fund instrumentality, contact AFSVC Office of Counsel (AFSVC/JA), 2261 Hughes Avenue, Joint Base San Antonio-Lackland, Texas 78236-9854, for assistance in resolving the matter with the state or local authorities. AAFES may also request the assistance of the Commander, AAFES, P.O. Box 660202, Dallas Texas 75266 to resolve any attempt to tax or regulate an AAFES activity.

3.11. Breath analyzers. Breath analyzers are devices for estimating blood alcohol content from a breath sample. The use of any type of breath analyzers in Force Support programs where alcohol is served or sold is prohibited. **(T-1).**

Chapter 4

SERVING OR SELLING ALCOHOLIC BEVERAGES FOR ON-PREMISES CONSUMPTION

4.1. Governing Criteria. Force Support programs are the primary providers of alcoholic beverages for on-premises consumption. No other installation organization or Non-Federal entity is permitted to sell alcoholic beverages unless contracted through Force Support. **(T-1).** The installation commander determines in writing which Force Support programs, AAFES, and DeCA facilities and locations sell alcoholic beverages to authorized adults by the drink or in single-serving containers. **(T-1).** Force Support programs may also contract with concessionaires to sell alcoholic beverages at Force Support events.

4.1.1. The AF prohibits alcoholic beverages in any youth program building and outdoor area, or at any function sponsored by or for the youth program. **(T-1).** Refer to AFI 34-144, *Child and Youth Programs*.

4.1.2. Alcoholic beverages for on-premises consumption in all lodging facilities is authorized. If lodging does not provide this service, another Force Support program may do so. Lodging staff must have documented Dram Shop and bystander intervention training for all staff selling and/or serving alcoholic beverages. Refer to **paragraph 3.3.2**, and **3.5** Lodging must not operate bars **(T-1),** but may sell the following kinds of packaged alcohol:

4.1.2.1. Distilled spirit miniatures (or, if not available, 200 milliliter sizes).

4.1.2.2. Wine coolers and other premixed, commercially packaged alcoholic beverages with less than seven percent alcoholic content by volume (not to exceed 375 milliliters).

4.1.2.3. Wine (no larger than 1 liter containers).

4.1.2.4. Beer (by the bottle or can).

4.1.2.5. **(Added-EGLINAFB)** The lodging desk clerk may assign a guest under the age of 21 to a room with a mini-bar system or honor bar. The mini-bar will be locked or the alcohol will be removed. A notation will be placed in the guest's folio that reads "Guest is under 21."

4.1.3. AAFES may sell beer, wine and premixed commercial drinks less than seven percent alcoholic content by volume for on-premises consumption.

4.1.4. AF medical and religious facilities may dispense alcoholic beverages in accomplishing their mission.

4.1.5. AAFES operated name brand fast food outlets may not regularly sell alcoholic beverages. **Exception:** The installation commander may allow:

4.1.5.1. AAFES operated name brand fast food outlets to sell beer, wine coolers and premixed commercially packaged alcoholic beverages with less than seven percent alcohol content by volume if the chain offers the same products in the local community.

4.1.5.2. AAFES operated full service restaurants to sell wine and beer by the glass with meals.

4.1.6. An AAFES facility that is not authorized to sell alcoholic beverages may request a waiver from Air Force Director of Services. The request should explain how permitting the facility to sell alcoholic drinks is beneficial to both consumers and the AF.

4.2.1. **(Added-EGLINAFB)** For the purposes of this instruction, "base housing" includes the dorms and the following Corvias housing communities: Hidden Oaks, Indian Trail, Warrior Landing, Capehart, and Poquito Bayou.

4.2.2. **(Added-EGLINAFB)** Requests to serve alcoholic beverages for special events at locations not specified in **Attachments 2** or **3** must be submitted for installation commander approval. The request must be submitted at least 6 weeks prior to the event using the template in **Table A4.1**.

4.2.2.1. **(Added-EGLINAFB)** FSS will route a completed request through 96 TW/JA. After these organizations have coordinated on the request, the request must be submitted to the 96 FSS for staffing to the 96 TW.

4.3. Alcoholic Beverage Consumption within a Squadron or Unit. Consumption of alcohol within a squadron or unit must follow the guidance in **Chapter 3. (T-2).** Alcoholic beverage consumption within a squadron or unit may be considered for approval in a designated space on a limited basis for Airmen and their adult guests during the following enumerated functions: hail and farewell recognition, promotion and retirement celebrations, final-flight celebrations, squadron or unit heritage anniversary celebrations, family day celebrations, and picnics. Other functions or events may be approved by the installation commander upon request if the event is determined to be in the best interest of the AF and the installation's mission. These requests must have installation commander written approval. **(T-1).** The requestor (squadron or unit commander, civilian leader or equivalent authority) should include the following:

4.3.1. A plan how alcoholic beverages will not be consumed by, available or provided to individuals under the legal drinking limit of local laws. **(T-1)**

4.3.2. Confirmation alternative non-alcoholic beverages will be offered at times and food and snacks available to users of the room. **(T-1)**

4.3.3. Develop and submit a safe transportation plan for Airmen and their adult guests who may consume alcoholic beverages while attending the approved function.

4.3.4. Date(s) of the event and the time alcohol is available. Having sustained ongoing events featuring alcohol is not authorized. **(T-1).** Designating an entire building when multiple units share the building is not authorized **(T-1).**

4.3.5. Confirmation servers will complete Dram Shop and bystander intervention training. This training must be documented. **(T-1).**

4.3.6. Why the proposed event is in the best interest of the AF and installation mission.

The use of breathalyzers by hosting squadron or unit are prohibited. **(T-1).** Refer to **paragraph 3.11**

4.5. Vending Machines. Do not use vending machines to sell alcoholic beverages in the United States, its territories, or possessions. **(T-0).**

4.5.1. Outside the United States, its territories and possessions, installation commanders may approve vending machine sales of beer in transient quarters, dormitories and dining facilities for on-premises consumption.

4.5.2. AAFES operates their own overseas vending machine program. An installation supplement must prescribe the following minimum controls for facilities with vending machines **(T-0)**:

4.5.2.1. Hours of operation that comply with mission requirements.

4.5.2.2. Supervision of machines during operating hours.

4.5.2.3. Authorized use of the machines.

4.5.2.4. Safeguarding of machines during non-operating hours.

4.6. Private Organizations. Private Organizations cannot sell or serve alcoholic beverages on AF installations **(T-1)**.

4.6.1. At the discretion of the installation commander, Force Support programs may secure the aid of volunteers or persons providing gratuitous services to assist in the sale of Force Support procured alcoholic beverages. Force Support programs may also enter into contractual agreements with spouses clubs or other private organizations associated with military units or other on-installation private organizations, under which the private organization provides qualified personnel to assist the Force Support program in selling alcoholic beverages at Force Support events in exchange for a fee. Units will not require Airmen to participate in the event. **(T-3).** This arrangement may be used during family day events, Air Force Open Houses and other community relations. All personnel assisting the Force Support program to sell alcoholic beverages at such events will receive appropriate training as outlined within this instruction, **Paragraphs 3.1.4** and **3.5**. **(T-1).**

4.6.2. **Exception:** Alcoholic beverages may be consumed and shared among adult members of a private organization (and their adult guests) in a potluck fashion at private organization social (non-business) events.

4.7. Air Force Sponsored Aircraft. Authorized distinguished visitors and their adult guests may consume alcoholic beverages on AF sponsored aircraft. Submit a log to AFSVC for headquarters oversight. If alcoholic beverages are sold, the Force Support unit must create a special nonappropriated fund instrumentality to manage the funds in accordance with AFMAN 34-201, *Use of Nonappropriated Funds (NAFs).* **(T-1).**

4.8. Unauthorized Beverages.

4.8.1. Personal supplies of alcoholic beverages are not authorized in Force Support facilities or on the grounds of Force Support programs selling or serving alcohol. **(T-3).**

4.9.2. Any agreement entered with a contractor under a concessionaire contract must provide remuneration to the Force Support program. **(T-1).**

4.9.3. The Food 2.0 contractor is required to follow registration and taxation policy as detailed in **paragraph 3.10**.

4.9.4. Contractor employees must have all training as detailed in **paragraph 3.5**. Upon a Force Support program request, the contractor shall provide proof of relevant employees' training and certification.

Chapter 5

SELLING ALCOHOLIC BEVERAGES FOR OFF-PREMISES CONSUMPTION

5.1. Off-Premises Alcohol Sales. AAFES is designated as the primary manager of packaged alcoholic beverage (Class Six) stores and the prime wholesaler of alcoholic beverages. Refer to Air Force Joint Instruction 34-203.

5.2. Force Support Programs Non-Compete. Force Support units and other AF programs must not compete with AAFES to sell packaged alcoholic beverages. **Exception:** Lodging, as provided in **paragraph 4.1.2**. **(T-0).**

5.2.1. When approved by the installation commander, Force Support programs may sell beer, wine coolers, and other commercially packaged alcoholic beverages with less than seven percent alcoholic content by volume for off-premises consumption, but should restrict these sales to time periods when AAFES operated retail outlets on the installation are closed. Force Support programs must not offer packaged alcohol for lower prices than AAFES charges for the same item. **(T-1).**

5.2.2. Packaged beer or wine sales that Force Support offers as part of a catering contract or takeout food and beverage operation are exempt from this restriction. Takeout operations normally can sell no more than 12-pack containers and similarly packaged products to include keg beer.

5.2.3. Force Support programs may sell bottled wines and champagnes listed on the dining room wine list for off-premises consumption under these conditions:

5.2.3.1. Force Support programs may not set up rooms separate from the dining room to display or sell for off-premises consumption.

5.2.3.2. Force Support programs ensure that dining room list prices comply with the pricing policy detailed in **paragraph 5.2**. **(T-3).**

5.2.4. Force Support programs and Class Six outlets must ensure that package alcohol sales are made only to patrons authorized to use the Force Support programs or Class Six store. **(T-0).** Refer to **paragraph 5.4**

5.2.5. Authorized AF alcohol resale stores selling alcohol for off-premises consumption must inform patrons of the maximum quantities that an individual may legally transport into or through the state, district, territory, or country where the installation-of-purchase is located. **(T-3).**

5.3. Establishing Class Six Outlets. In the United States, installations may operate Class Six outlets when approved by the Secretary of the Air Force. **(T-1).** AFI 34-211(I) contains procedures for establishing a Class Six store. In foreign areas overseas, installations shall operate Class Six outlets where there is no contradictory status-of-forces or other country-to-country or local government agreement. **(T-0).** AFSVC commander with Major Command concurrence approves such operations if requested by AAFES.

5.4. Authorized Patronage. Inter-service publication AFI 34-211(I) contains AAFES Class Six patronage restrictions and identification procedures. Authorized patronage in overseas areas must comply with the provisions of the status-of-forces or other country-to-country agreement. **(T-0).**

5.5. Controlling Sales. Authorized patrons will not sell, exchange, or otherwise divert packaged alcoholic beverages to unauthorized personnel or for purposes that violate federal, state or local laws, or status-of-forces or other country-to-country agreements. **(T-0).**

5.6. Pricing. Force Support programs ensure their prices for packaged alcoholic beverages are not lower than those charged by AAFES **(T-1)** and are substantially uniform with other military service outlets in the same geographic area.

5.7. Wholesale Sales. AAFES is the prime wholesaler of alcoholic beverages on AF installations **(T-0)** and may provide all requested alcoholic beverage products to authorized Force Support and non-appropriated fund supported installation activities. If AAFES has stock shortages, activities selling alcoholic beverages by the drink should have first priority.

5.7.1. AAFES sets wholesale prices based on the landed cost. Landed cost includes the purchase price adjusted for vendor and invoice discounts, plus costs incurred to bring goods to the point of sale. AAFES assesses no additional transportation, warehousing distribution or handling charges and other costs up to the destination. AAFES should consult with the AFSVC commander if exceptional conditions (national disasters, transportation strikes, etc.) arise that affect wholesale prices.

5.7.2. Force Support programs and other nonappropriated fund supported activities may purchase alcoholic beverages from sources other than AAFES, when more competitive prices exist from a commercial supplier.

5.8. Labeling Packaged Alcoholic Beverages. 27 USC § 213, *Alcoholic Beverages Labeling Act of 1988*, requires all packaged containers of alcoholic beverages for resale on military installations bear this statement: "GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery and may cause health problems." **(T-0).** This requirement also applies to foreign packaged beverages that AF activities serve or sell overseas. The selling activity's manager must label all beverages that the producer doesn't label. **(T-0).** Follow these labeling requirements.

5.8.1. Design all labels to make the health warning statement readily legible under ordinary conditions on a contrasting background. **(T-0).**

5.8.2. Containers of 237 milliliters (8 ounces) or less: must be labeled with 1 millimeter (0.04 inches) sized lettering. **(T-0).**

5.8.3. Containers of more than 237 milliliters (8 ounces): must be labeled with 2 millimeters (0.08 inches) sized lettering. **(T-0).**

5.8.4. Affix labels on the container so they cannot be removed without thorough application of water or other solvents. **(T-0).**
