5. Consideration and Selection Requirements.

5.1. Members are identified for nomination for BTZ on the SrA Below-the-Zone Unit List. CCs are advised that eligibility based on TIS and TIG alone does not entitle an Airman to BTZ consideration.

5.2. All eligibles must be notified of their consideration, however it does not mean they must be nominated. Those individuals appearing on Part III of the eligibility listing are "considered" for promotion but cannot be selected since they are ineligible for promotion IAW DAFI 36-2502, Table 1.1.

6. CBB Procedures. A small unit is defined as a unit with six or less eligibles for BTZ consideration and nominees will meet the CBB.

Board members will document their scores on the SrA BTZ CBB Board Member's 1206 Score Sheet (**Attachment 8).** The board president will document the board members' order of merit on the SrA BTZ CBB Consolidated Ranking Score Sheet (**Attachment 7**).

6.6. At the conclusion of the CBB, the board recorder will collect and validate all score sheets before providing them to the 28 BW/CCC who will produce the CBB Promotion Board Results Memorandum (**Attachment 4**).

7. Large Unit Board Procedures. A large unit is defined as a unit with seven or more eligibles for BTZ consideration.

7.1. Unit commanders will utilize the SrA Below-the-Zone Unit List provided by MPF Promotions to determine nominees.

7.2. Units are responsible for preparing selection folders for nominees to include, at a minimum, computer-generated SrA BTZ RIP, AF Form 1206, current fitness score sheet, and decoration citation(s). A SrA BTZ RIP will be provided by the MPF NLT than one week after the SrA Below-the-Zone Unit List suspense date.

7.3. The board must consist of at least three voting members. Each member must be in the grade of Master Sergeant (MSgt) Select or above with the board president being a Chief Master Sergeant (CMSgt) or delegated to the most senior enlisted in the squadron. The recorder must be a SrA or above. **Note**: The board president is a non-voting member except in the case of a tie.

7.4. The board president must ensure fair and equitable consideration of each nominee. If the situation arises where the board may have been prejudiced in any way, the board president will immediately halt the board proceedings and report the incident to the unit commander. Based upon the information provided, the unit commander will determine whether the board may be continued or reconvened with new members.

7.5. After completion of the board, the board president will send the Board Results for Large Units memorandum (**Attachment 5**) to the unit commander, including all nominees listed in order of merit, the SrA BTZ CBB Board Member's Consolidated Score Sheets (**Attachment 7**), and the SrA BTZ CBB Consolidated Ranking 1206 Score Sheet (**Attachment 8**).

7.6. Unit commanders will approve the board's order of merit by signing the Board Results for Large Units memorandum (**Attachment 5**) and forwarding to the MPF within two days following the board or the suspense date set by the MPF.

7.7. In the event the unit commander disapproves the board's proceedings, a discussion between the unit commander and board will occur or a new board will be convened with new board members.

7.8. Unit commanders will make their selections and announce the BTZ results once the CBB has convened, and selection has been made and the 28 BW/CC has signed the selection letter.

8. Records Scoring Procedures (CBB and Large Unit Boards).

8.1. Scoring will be based on a whole-person concept, to include all categories on AF Form 1206 and the in-person evaluation when applicable.

8.1.1. Board members independently assign a score of 6 to 10 to each nominee in each category using 0.5 increments. All four categories will be added together to determine the final score for the package. See below for example:

8.1.2. EXECUTING THE MISSION - 40%. Score from 6-10 is awarded to the category and then multiplied by 4. Ex. 8 x 4 = 40.

8.1.3. LEADING PEOPLE - 20%. Score from 6-10 is awarded to the category and multiplied by 2. Ex. 9 x 2 = 18

8.1.4. MANAGING RESOURCES - 20%. Score from 6-10 is awarded to the category and multiplied by 2. Ex. 9 x 2 = 18

8.1.5. IMPROVING THE UNIT - 20%. Score from 6-10 is awarded to the category and multiplied by 2. Ex. 9 x 2 = 18

8.1.6. All four results are added together to determine the overall package score. In the above example, the overall score is 40 + 18 + 18 + 18 = 94/100.

8.1.7. When no face-to-face board is used, each board member will score packages only as described above and then determine an overall order of merit with #1 being the nominee with the highest score. Each member will break their own ties so that each nominee has a unique score. The board president will use SrA BTZ CBB Consolidated Ranking Score Sheet (**Attachment 8**) to compile the order of merit assigned by each board member. The nominees with the highest score(s) will be selected for BTZ within the stripe quota rewarded. The two alternates will be identified by the next highest scores in order of merit.

9. Face-to-Face (In-Person) Board Procedures.

9.1. Nominees will appear before the board. If nominees are unable to be physically present before the in-person board, then arrangements may be made to meet the board digitally (FaceTime, Zoom, etc.) if board location has the capabilities. If a nominee is unable to meet before the board, both physically and digitally, then the individual will receive the average face-to-face board score of the nominees meeting the board.

9.2. The CBB and large unit boards will conduct a face-to-face board as part of the overall BTZ selection board process at the discretion of the 28 BW/CCC or respective unit commander.

9.3. Nominees meeting the face-to-face board will wear their Service Dress Uniform in accordance with AFI 36-2903, *Dress and Personal Appearance of Air Force Personnel*. Board members will meet the same uniform requirements as nominees.

9.4. Nominees meeting the face-to-face board will study standardized study material. The standardized study material is as follows:

9.4.1. Air Force Handbook 1*, Airman*

9.4.2. The Airman's Creed

9.4.3. **Chapter 1**, Air Force Heritage

9.4.4. **Chapter 2**, Enlisted History

9.4.5. **Chapter 8**, Customs, Courtesies, and Protocol for Special Events

9.4.6. **Chapter 17**, Dress and Appearance

9.4.7. Official Air Force Approved Media Sources

9.4.8. **https://www.ellsworth.af.mil/news/**

9.4.9. **https://www.af.mil/news/aspx**

9.4.10. **http://airforcemag.com/drarchive/pages/default.aspx**

9.4.11. Bullets from nominee's AF Form 1206

9.5. The board president will assign each board member with a specific subject area NLT five duty days prior to face-to-face board. The subject areas will be selected from world, base, and military current events as well as selected chapters from the Air Force Handbook 1. Each board member will ask one question from the subject area assigned.

9.5.1. The face-to-face evaluation is as follows: Dress and Appearance, Military Bearing, and Communication Skills. Grading scale will be the following:

9.5.1.1. Dress and Appearance: 0-5.

9.5.1.2. Military Bearing: 0-5.

9.5.1.3. Current Events Question: 0-5

9.5.1.4. 1206 Question: 0-5

9.5.1.5. Customs and Courtesies Question: 0-5

9.5.1.6. Air Force Heritage Question: 0-5

9.5.1.7. Dress and Appearance Question: 0-5

9.5.2. The total face-to-face score is determined by adding each category scores. This result is added to the 1206 scores described in **paragraph 8**.

10. Tie-Breaking Procedures.

10.1. Following completion of the SrA BTZ CBB Consolidated Ranking Score Sheet, the Board President will identify the nominees with the highest scores within the promotion quota plus two alternates. In the event there is a tie score at the cut-off, the board president will discuss the affected records with board members to select a winner between the ties.

10.2. The board will also identify first and second alternates to fill the quota must selected nominees subsequently become ineligible (disqualified). The board president will ensure the order of merit for the first and second alternates to avoid a tie between the alternates.

11. Removal from Select List:

11.1. If a unit commander determines that a selected nominee will not be promoted, he or she must notify MPF Promotions in writing immediately (prior to the effective date). Refer to DAFI 36-2502, Table 1.1. The unit commander will utilize a Non-Recommendation Letter.

11.2. If a SrA-select is removed from the promotion list, the MPF Promotions will refer to the board results memorandum to verify the order of merit and select the first alternate. Once selected a *Promotion Recommendation Letter* will be requested from the unit commander.

12. Supplemental Consideration. Unit Commanders may request supplemental BTZ consideration for individuals who have been considered by a previous board and the error was not discovered until after selections are announced or promotions are updated. After obtaining unit CCs recommendation, the Career Development (FSPD) office forwards fully documented supplemental requests to 28 BW/CC and 28 BW/CCC for consideration via e-mail. It is imperative supplemental BTZ consideration is requested only when unit CC concurs with consideration. Additionally, if the basis for the supplemental request is because the individual did not receive fair consideration, the unit commander must provide justification for the request and forwards fully documented supplemental request to MPF for consideration. If the individual was not considered

at all at their last duty station, contact the losing unit and MPF before requesting supplemental consideration, and forward this information along with the supplemental request. This will assist the 28 BW/CC and 28 BW/CCC in determining if supplemental BTZ consideration is appropriate. **Note**: If selected, members are authorized retroactive change to their effective date according to Retroactive Promotion Effective Date Correction Requests and the MPF must send a message to Headquarters Air Force Personnel Center (HQ AFPC).

12.1. It is the responsibility of the individual, supervisor, and commander to ensure that the individual has been properly identified as eligible for BTZ consideration and is nominated IAW program guidance. Additionally, ensure personal data is accurate, obtain study references, and ensure the data on the BTZ RIP is accurate and complete.

12.2. IAW DAFI 36-2502 supplemental BTZ consideration will not be granted for the following reasons:

12.2.1. Incorrect data reflected on the BTZ RIP.

12.2.2. Denied BTZ nomination due to incorrect data reflected on the BTZ output products.

12.2.3. BTZ eligibility list not returned to the FSPD office or individual was “overlooked” on the listing.

12.2.4. Nomination package or approved military decoration not completed, turned in, or approved in time to meet the board.

12.3. Supplemental BTZ must be requested and approved prior to the next convening BTZ board. The supplemental nominee will be considered along with the other eligibles in the next quarter.
