Report UXO to your Unit Control Center using the 'EOD 9-Line Report' (See Airman's Manual for Form)

Execute the '5-C's upon initial observation of a UXO

Confirm - The presence of a suspect UXO item
Clear - Clear all personnel to a tactically safe position and location
Cordon - Restrict all foot and vehicular movement
Check - Look for other UXOs
Control - Only authorized personnel in area (Medical, Firefighting, EOD)
