PEER TIME-OFF AWARD FOR employee's name	

SUMMARY

1. I recommend (employee's name) for a PEER Time-Off Award in the amount of 8 hours.

2. Time-off awards are intended to be an alternate means of recognition in lieu of granting a monetary award. Time-off awards have the same criteria as other incentive awards, such as Notable Achievement Awards. Reference AFI 36-1004, The Air Force Civilian Recognition Program.

3. JUSTIFICATION:

(After you finish your justification, forward to nominee's supervisor to approve and forward to 366 FSS/FSMC for action.)

4. CERTIFICATION: I have considered the cost of the time-off award in lost production time and believe that the benefits to the Air Force from the employee's contributions justify the amount of time-off approved. I also considered the unit's workload and unit employee leave projections and certify that this employee can utilize this time-off in addition to other projected leave no later than 1 year from the effective date. I also considered other available forms of recognition and cash awards in determining the amount of the time-off award.

Supervisor approve by signing in block 1 above.

Note: Supervisors need to make certain employees do not exceed the time-off award limit of 80 hours awarded per leave year.

SUBJECT: TIME-OFF AWARD FOR employee's name — DATE:

SUMMARY

1. I recommend (employee's name) for a Time-Off Award in the amount of ___ (1 - 40 hours per contribution) hour(s).

2. The Time-Off Award is for employees who have made superior accomplishment that contributed to the quality, efficiency, or economy of government operations.

3. JUSTIFICATION: (Explain in a paragraph what the employee did that contributed to the "quality, efficiency, or economy of government operations." The accomplishment needs to be significant, over and above, normal duty requirements. Time-off awards are intended to be an alternate means of recognition in lieu of granting a monetary award. Supervisors need to base time-off awards on the same criteria or circumstances as for other incentive awards, such as Notable Achievement Awards. Ref. AFI 36-1004, The Air Force Civilian Recognition Program.)

4. CERTIFICATION: I have considered fully the wage costs and productivity loss in granting this time-off. The amount of time off granted is commensurate with the individual's contribution or accomplishment. I also considered the unit's workload and unit employees' leave projections and certify that the employee can schedule the time-off in addition to other scheduled leave no later than _____ (date not to exceed 90 calendar days from award effective date, if possible.) I also considered other available forms of recognition in determining the amount of this time-off award.
