SUMMARY OF CHANGES

This is the third publication of AFI 90-401. The initial publication superseded AFR 11-7, 22 December 1983, eliminating the requirement to file reports for congressional committee investigations, hearings, or visits. This revision establishes the Office of Legislative Liaison, Congressional Action Division, SAF/LLZ, as the OPR to provide support to wing commanders during visits with members of Congress and their staffs. SAF/LLZ will provide support to wing commanders in coordination with the Office of Budget and Appropriations Liaison, SAF/FMBL, as appropriate. This document also establishes the appropriate routing for Congressional Correspondence. Refer recommended changes and questions about this publication to the Office of Primary responsibility (OPR), SAF/LLZ, using the AF Form 847, Recommendation for Change of Publication; route AF Form 847s from the field through the Major Command (MAJCOM) publications/forms managers. Ensure all records created as a result of processes prescribed in this publication are maintained in accordance with Air Force Manual (AFMAN)

33-363, Management of Records, and disposed of in accordance with the Air Force Records Disposition Schedule (RDS) located at **https://www.my.af.mil/afrims/afrims/afrims/rims.cfm**.

(ACC) This document has been substantially revised and must be completely reviewed. The most significant change is the transfer of office of primary responsibility (OPR) for this supplement from SAF/LLX to ACC/CCX.

The Secretary has designated the Security and Policy Review office (SAF/PA) as the approval authority for release of Air Force classified information to the Congress. Refer congressional requests for classified information to SAF/PA through SAF/LL or SAF/FMBL. Air Force officials may not disclose classified information to the Congress for release to a congressional constituent.

1.1.1. **(Added-MOUNTAINHOMEAFB)** 366 FW/PA will clear release of classified information to high-level inquiries through the appropriate installation functional manager (e.g., 366 FW/IP (Information Protection), 366th Operations Group (366 OG), etc.) for use by 366 FW/IGQ.

However, the Air Force may release such information to chairpersons or ranking members of congressional committees or subcommittees if the information relates to matters within their jurisdiction. An Air Force official who decides the information should not be released to the congressional committee must staff the congressional request for information with a recommendation to the Secretary of the Air Force through SAF/LL or SAF/FMBL as appropriate. Requests from Members of Congress not seeking records on behalf of a Congressional Committee, Subcommittee, either House sitting as a whole, or made on behalf of their constituents shall be considered the same as any other requester.

The Air Force may, however, disclose an individual's records without the individual's consent when requested by a chairperson or ranking member of a congressional committee or subcommittee if the information relates to matters within their jurisdiction. When making such a disclosure, the Air Force should tell the committee or subcommittee members about any sensitive information and the need to safeguard it.

Therefore, Air Force officials must not release any information governed by AFI 10- 503, Strategic Basing, September 27, 2010, without the proper authorization. For any other information not governed by AFI-10-503 basing actions concerning changes in status of AF units, installations, and industrial facilities that might have an impact (positive or negative) on the local community/congressional district; local commanders should check with SAF/LL or SAF/FMBL prior to release.

3.5. Status of Forces Agreements. Because of their sensitive nature, process all inquiries about cases dealing with Status of Forces Agreements, individual privileges or rights while stationed outside the continental United States, legal or policy problems, or issues that may become sensitive or controversial in the same manner as all other Congressional Inquiries.

4. TRAVEL

4.1. Invitation to Travel. The Secretary of Defense or Secretaries of the Military Departments may extend invitations for sponsored travel within the United States to Members and employees of Congress. DoD 4515.12 assigns the responsibility for approving and coordinating requests for transportation from the Congress to the Assistant Secretary of Defense for Legislative Affairs (OSD/LA). DoD 4515.12 also describes the procedures for travel at the invitation of the SECDEF or Service Secretaries.

4.2. Visiting Bases. Members of Congress and their staffs may need to visit Air Force activities. The Air Force fully supports and encourages these visits. With Secretary of the Air Force (SECAF) approval, the Air Force may provide transportation for congressional visits.

4.2.1. Requests for travel by SECAF invitation should be based on significant interest/benefit to the Air Force. Examples of valid requests would be to visit a base to assess the capabilities of a Composite Wing or to visit HQ Air Combat Command for updates on fighter upgrades. Travel to joint organizations or locations of interest to other services may not be completed under SECAF invitation.

4.3. Travel Support. Congress may request DoD support for worldwide travel under the auspices of public law (31 USC 1108 (g)).

4.4. Transportation Approval. Do not commit the Air Force to providing transportation until SAF/LLO provides notification transportation is approved. SAF/LLO will issue invitational travel orders authorizing travel and expenditure of funds related to congressional travel.

4.5. Trip Progress. Escorts will email or call SAF/LLO on a regular basis to provide updates on trip progress and receive any message traffic from home station.

4.6. Schedule Changes. Escorts will coordinate each schedule change with SAF/LLO (and SAF/FMBL, if applicable) and with all affected facilities, activities, and personnel to avoid unannounced arrivals. Cancellations should be reported immediately to SAF/LLO.

4.7. Government Funds. Through coordination with SAF/LLO, escorts will be issued government funds to be used in support of congressional travel. For CONUS travel, member and staffer expenses directly related to official trips (meals, hotels, airline tickets, etc.) will be paid by the escort. Base support agencies or private organizations that provide meals or other authorized services must be reimbursed for those expenses. Expenses related to travel (or Congressional Visits) completed without invitational travel orders will not be paid using funds issued through SAF/LL.

4.8. Unescorted Trips. Unescorted trips completed under invitational travel orders will be by exception only. For unescorted trips, the host commander notifies SAF/LL or SAF/FMBL of pending visits, itinerary changes, and any new or changed requests. The host will coordinate directly with all affected facilities, activities, and personnel regarding briefings, transportation, quarters, or other support.

4.8.1. Upon completion of unescorted trips, the host commander should inform SAF/LL or SAF/FMBL about the outcome of the visit or investigation. Field commanders should also provide information to other interested echelons at their discretion.

4.8.2. Convey the following information to SAF/LL or SAF/FMBL: the site and length of the visit, names of visiting Members of Congress and staff representatives, deficiencies disclosed by the visit, requests for information, and corrective action.

5. CONGRESSIONAL FIELD HEARINGS AND INVESTIGATIONS

5.1. Hearings and Investigations. SAF/LL or SAF/FMBL is the commander's liaison with the Secretary of the Air Force on all congressional requests for inspection, investigation, and summary reports that require the Secretary's attention.

5.2. Controlled Area Access. Commanders must ensure all personnel fully cooperate with committees during hearings and investigations. Allow access to controlled areas in accordance with DoD 5200-1.R and AFI 31-401. Proper identification admits Members to any base, field installation, or facility and allows them to use private working space and facilities at a central location.

5.3. Official documents. When a committee wants to examine official documents, files, or records within its area of interest or pertinent to its investigation, provide the material in a room set aside for the committee unless release of these materials is not allowed under paragraph 1.1 Assign an Air Force representative to assist if needed.

5.3.1. Refer any requests from a congressional committee to copy, remove, or retain official files, documents, or records (or copies of these documents) to SAF/LL or

SAF/FMBL. SAF/LL or SAF/ FMBL, as appropriate, will coordinate requests to remove files with the appropriate agencies.

5.3.2. Coordinate with Office of the General Counsel (SAF/GC) concerning release of documents related to congressional investigations when there are legal issues involved such as the Privacy Act and claims of privilege.

5.4. Deficiencies. If a committee notes any deficiencies in Air Force operations or procedures during its field investigation and if the Air Force can take immediate corrective action, do so and advise the committee and either SAF/LL or SAF/FMBL.

5.5. Unescorted Investigations. If SAF/LL or SAF/FMBL personnel do not escort members of the Congress or their staffs, field commanders should inform SAF/LL or SAF/FMBL about the outcome of the visit or investigation. Field commanders should also provide information to other interested echelons at their discretion.

5.5.1. Convey the following information to SAF/LL or SAF/FMBL: the site and length of the visit, names of visiting Members of Congress and staff representatives, deficiencies disclosed by the visit, requests for information, and corrective action.

6. CONGRESSIONAL VISITS

6.1.1. Notify SAF/LL or SAF/FMBL when local plans or activities generate significant community interest and may interest Members of Congress.

6.2. Commander Invitation. Commanders may extend an invitation to visit their respective installation to the District Congressional Office. Invitation to DC Congressional offices should be worked through the Air Force Senate Liaison office (SAF/LLS), Air Force House Liaison Office (SAF/LLH), and the Air Force Congressional Action Division (SAF/LLZ).

6.3. Congressional Travel. When initiated by the Congress, SAF/LL or SAF/FMBL will immediately notify affected MAJCOM's when a Congressional visit is expected.

6.4. Extending Invitations. When inviting Members, staff or employees of Congress, the Executive Office of the President, or the Office of the Vice President, send SAF/LL the signed invitation and a cover letter explaining the details of the event 60 days in advance. If 60 days' notice is not possible, call the SAF/LLH or SAF/LLS to determine the best way to extend the invitation to Members of Congress. Call the Air Force Congressional Inquiry Division (SAF/LLI) for the best way to extend the invitation to the Executive Office of the President or the Office of the Vice President.

6.4.1. MAJCOM/CCs may extend invitations to members and their staffs to join them on a planned base visit in their respective Congressional district. These invitations must not include the promise of transportation. The MAJCOM Legislative Affairs function will provide a copy of these invitations to SAF/LL. Make no public announcement until SAF/LL or SAF/FMBL confirms the guests will attend. Do not mention transportation of members, employees, or spouses in the invitation.

6.4.2. Coordinate with SAF/LL or SAF/FMBL and parent MAJCOM when Members of Congress or staff plans to visit an Air Force activity. At Joint Bases where the Air Force is not the lead agency, SAF/LL or SAF/FMBL will also notify the appropriate sister service legislative affairs office. When a request for a Congressional visit is received at the installation level, the affected MAJCOM will forward the details of the request to SAF/LL. SAF/LL will forward the information to SAF/FMBL if applicable.

6.5. Candidates. Commanders should encourage and welcome visits by candidates seeking to receive briefings, tours, or other official DoD information. However, DoD personnel acting in their official capacity may not engage in activities that associate DoD with any partisan political campaign or election, candidate, cause, or issue. Interaction with candidates for political office must not imply or appear to imply sponsorship, approval, or endorsement of any such candidates or political views; including, the use of installation facilities by any candidate for political campaign or election events. This prohibition does not apply to the President, Vice President, or Speaker of the House of Representatives. Contact SAF/LL or the Office of Public Affairs (SAF/PA) with questions regarding these restrictions.

6.5.1. For unescorted trips, the host commander will notify SAF/LL or SAF/FMBL of pending visits, itinerary changes, and any new or changed requests as soon as possible. The host will coordinate directly with all affected facilities, activities, and personnel regarding briefings, transportation, quarters, or other support.

6.5.2. For unescorted trips, the host commander should inform SAF/LL or SAF/FMBL about the outcome of the visit or investigation. Field commanders should also provide information to other interested echelons at their discretion.

6.5.3. Convey the following information to SAF/LL or SAF/FMBL: the site and length of the visit, names of visiting Members of Congress and staff representatives, deficiencies disclosed by the visit, requests for information, and corrective action.

6.6. Photographic Documentation. Photographic documentation of Congressional visits to Air Force installations and facilities is required. When photography is completed, the host PA organization must send a digital copy of each image to SAF/LL or SAF/FMBL within 24 hours. Images must include caption and Visual Information Record Identification Number (VIRIN) information in accordance with AFI 35-109 and DoDI 5040.02. Captions should include Congressional Delegation/Staff Delegation (CODEL/STAFFDEL) designation, occasion, location, dates, names, and duty titles of individuals in the photograph, and contact information for the individual responsibility for the photograph. SECAF (or designated OPR) is the authority for public release of such imagery.

6.6.1. Original imagery must be accessioned in accordance with AFI 35-109 and DoDI5040.02 with caption and VIRIN information. The Air Force may print copies of the images by Air Force government-owned or government-contracted facilities, or arrange for printing by commercial entities.
