SUMMARY OF CHANGES

Major changes to this document include adding A10X and Nuclear Oversight Council (NOC) Secretariat responsibilities. It also clarifies United States Air Force (USAF) lead of the Countering Weapons of Mass Destruction (CWMD) Enterprise responsibilities and Conventional Nuclear Integration (CNI) responsibilities. One delegated authority has been reassigned to the Air Force Surgeon General (AF/SG): Department of Defense Directive (DoDD) 5210.88, Safeguarding Biological Select Agents and Toxins (BSAT).

1. Mission. The Deputy Chief of Staff (DCS) of the Air Force for Strategic Deterrence and Nuclear Integration (AF/A10), pursuant to Title 10 United States Code (USC) Section 9040, *Oversight of Nuclear Deterrence Mission*, and as documented in Headquarters Air Force Mission Directive (HAFMD) 1-1, *Headquarters Air Force (HAF)*, and this HAFMD, assists the Secretary of the Air Force (SecAF), Office of the Secretary of the Air Force (Secretariat) officials and the Chief of Staff of the Air Force (CSAF) in carrying out the monitoring, oversight, and assessment activities regarding arms control international treaties and agreements, the CWMD Enterprise, Department of Defense (DoD) Foreign Clearance Program (FCP), and the safety, security, reliability, effectiveness, and credibility of the nuclear deterrence mission for the Department of the Air Force (DAF). SecAF retains ultimate responsibility for all DAF policies. Within his/her areas of responsibility, the AF/A10 prepares detailed instructions for the execution of approved plans, supervises the execution of those plans and instructions, policies for approval and issues

guidance/procedures, via official Air Force publications, to ensure implementation of those policies. AF/A10 also assists the CSAF in his/her duties pursuant to Title 10 United States Code Section 151, *Joint Chiefs of Staff*.

2. Organizational Relationships. Subject only to the authority, direction, and control of the Secretary of Defense, the SecAF is responsible for, and has all legal authority necessary to conduct, the affairs of the DAF. The Secretariat, Air Staff and Space Staff offices perform their DAF functions subject to the authority, direction, and control of the SecAF.

2.1. The AF/A10 furnishes professional assistance to the SecAF, Under Secretary of the Air Force, the Assistant Secretaries of the Air Force, and reports directly to the CSAF. The SecAF may delegate authority/assign responsibility to AF/A10, but the SecAF, through the CSAF and, as appropriate, Assistant Secretaries of the Air Force, retains ultimate responsibility for all matters listed in **Attachment 1** of this publication.

2.2. The AF/A10 is part of the Air Staff and as such works closely with other DAF offices to assist the SecAF and the CSAF in carrying out their responsibilities. AF/A10 works in cooperation with other DAF officials and their respective offices, pursuant to Title 10 USC Chapter 903 (§§ 9013-9024), and the Air Force Global Strike Command Commander, pursuant to Title 10 USC Chapter 905 (§§ 9031-9040), to assist the SecAF and the CSAF in fulfilling their responsibilities.

3. Responsibilities. AF/A10 is specifically responsible to:

3.1. Serve as the Air Staff accountable officer for the USAF nuclear mission.

3.2. Lead USAF strategic deterrence efforts.

3.3. Serve as the Air Staff lead for nuclear weapons operations policy, strategy, plans, and requirements.

3.4. Serve as the Air Staff lead for USAF nuclear capabilities.

3.5. Serve as the Air Staff lead for nuclear effectiveness and partnering with the Air Force Chief of Safety (AF/SE), which is the Air Staff lead for nuclear safety and surety policy, and with the DCS, Logistics, Engineering and Force Protection (AF/A4), which is the Air Staff lead for nuclear logistics and security, to ensure the credibility of nuclear forces from a holistic perspective.

3.6. Serve as the USAF lead for Nuclear Posture Review (NPR) integration.

3.7. Coordinate with Office of the Secretary of Defense (OSD), Joint Staff (JS), Combatant Commands (CCMDs), Services, and Interagency partners on all matters related to the USAF strategic deterrence.

3.8. Engage with Congress on USAF nuclear-related matters (e.g., questions for the record, testimony, reports and other inquiries, and congressional principals' and staff visits) in coordination with Secretary of the Air Force, Legislative Liaison (SAF/LL).

3.9. Serve as the Executive Agent for the DoD FCP.

3.10. Lead Air Staff coordination of USAF nuclear weapons capabilities, arms control implementation and compliance, and CWMD within the Air Force Corporate Structure

(AFCS) in coordination with OSD, JS, CCMDs, Services, and Interagency partners and serve as a voting member of the Air Force Group, Air Force Board, and Air Force Council.

3.11. Lead the advancement of doctrine, policy integration, strategic alignment, education, training, and capability development for USAF contributions to joint and combined CNI. As co-chair with the DCS, Operations (AF/A3), and in coordination with OSD, JS, CCMDs, Interagency partners, Service Staffs, and MAJCOMs/FLDCOMs, oversee the development, planning, and execution of initiatives that ensure, enhance, or complement the timely delivery of nuclear effects through conventional capabilities.

3.11.1. CNI encompasses doctrine, training, and education; preparation, posturing, survivability, and reconstitution following nuclear weapon use; and the planning and execution of integrated, multi-domain conventional and nuclear operations within a nuclear environment.

3.12. In support of 10 USC § 179 responsibilities, represent the USAF on the Nuclear Weapons Council (NWC), the primary inter-departmental body for coordination, oversight, and development of posture on nuclear deterrence activities. Serve as the USAF voting member on the NWC Standing and Safety Committee (SSC).

3.13. Lead NOC efforts by functioning as its Secretariat.

3.14. Develop and synchronize guidance, policy, and strategies for USAF nuclear weapons capabilities and implementation of, and compliance with, international treaties, agreements, and commitments related to arms control and nonproliferation programs in coordination with OSD, JS, CCMDs, Services, and Interagency partners. Activities include:

3.14.1. Conduct periodic comprehensive assessments of all aspects of the USAF nuclear mission and provide assessment reports to the SecAF and CSAF in accordance with (IAW) requirements found in 10 USC § 9040.

3.14.2. Evaluate, coordinate on, and advocate for nuclear doctrine.

3.14.3. Advise on and evaluate nuclear force structure.

3.14.4. Develop and publish USAF positions on national security policies related to the USAF nuclear mission.

3.15. Execute a strategy to communicate the essential value of the USAF contribution to strategic deterrence and the security of the U.S.

3.16. As appointed by the SecAF, serve as the USAF Nuclear Enterprise Functional Authority to advocate for and integrate cross-functional nuclear capabilities through human capital strategies.

3.16.1. Direct human capital requirements by identifying nuclear billets, establish nuclear competency levels and certification requirements, and coordinate with Career Field Managers (CFM) to determine the nuclear development needs of Airmen who perform nuclear-related duties.

3.16.2. In coordination with CFMs, provide guidance pertaining to nuclear-related career field management and human capital policies to other Functional Authorities with nuclear equities.

3.17. Serve as the Nuclear and Missile Operations (13N) career field Functional Authority to provide oversight and functional advisory services related to the 13N functional community.

3.18. Develop, implement, and evaluate USAF Personnel Reliability Assurance Program (PRAP) policy and procedures.

3.19. Serve as a member of the Air Force Civilian Force Development Panel to provide strategic guidance and programmatic requirements for force management and development of nuclear expertise in the civil service workforce.

3.20. Serve as the Air Staff lead for support of the Security Incident Accident Response Council (SIRC) in accordance with Presidential Policy Directive-35 and the SIRC Charter.

3.21. Serve as the DAF Restricted Data Management Official for the implementation of Title 10 CFR 1045.

3.22. Co-lead the CWMD Enterprise with the Director of Strategic Deterrence and Nuclear, Command, Control, and Communications Integration (SF COO/S10):

3.22.1. Serve as the DAF focal point for DoD, Joint, Combined, and Interagency plans, programs, and studies related to CWMD operations.

3.22.2. Establish and chair, and when appropriate co-chair with SF COO/S10, the DAF CWMD Council to oversee DAF CWMD policy, planning, programming, resource allocation and program evaluation activities.

3.22.3. Develop, integrate, and synchronize DAF CWMD concepts, strategy, policy, and doctrine.

3.22.4. Conduct CWMD-related, operationally focused studies and analyses. Appropriately incorporate results into USAF and Joint concepts, strategies, plans, programs, and operational requirements.

3.22.5. Serve as the USAF Operations Lead for Chemical, Biological, Radiological, and Nuclear (CBRN) Defense.

3.22.6. Serve as the USAF lead for support to the DoD Biodefense Council.

3.22.7. Serve as the USAF lead to the CBRN Survivability Oversight Group (CSOG).

3.22.8. Coordinate and integrate CBRN Survivability into the USAF Mission Assurance Construct IAW AFI 10-2400, *Mission Assurance.*

4. Delegations of Authority/Assignment of Responsibility. **Attachment 1** lists delegated authorities and assigned responsibilities to the AF/A10. The authorities delegated/responsibilities assigned to the AF/A10 by this HAF Mission Directive may generally be re-delegated or assigned to a subordinate official unless re-delegation is expressly prohibited by the attached delegation or by controlling law, regulation, or DoD issuance. While the authorities are delegated/responsibilities assigned to the AF/A10, the exercise of the authorities/responsibilities remain subject to the oversight and control of the SecAF, any Assistant Secretary of the Air Force having oversight, and the CSAF. Any re-delegation of authority/assignment of responsibility made shall not be effective unless it is in writing, reviewed by General Counsel of the Air Force (SAF/GC) and the Air Force Judge Advocate General (AF/JA), and signed by the AF/A10. Any

person re-delegating authorities IAW this HAF Mission Directive may further restrict or condition the authority being re-delegated.

5. Continuation of Prior Re-Delegations of Authority/Assignments of Responsibility: Re-delegations of authority/assignments of responsibility made prior to the date of issuance of this HAF Mission Directive remain effective insofar as such re-delegations are consistent with the terms of this HAF Mission Directive, unless superseded by new issuances.

DELEGATIONS OF SECRETARY OF THE AIR FORCE

AUTHORITY/ASSIGNMENTS OF RESPONSIBILITY

TO THE

DEPUTY CHIEF OF STAFF OF THE AIR FORCE FOR

STRATEGIC DETERRENCE AND NUCLEAR INTEGRATION (AF/A10)

A1.1. Responsibility and authority pertaining to providing direction, guidance, integration, and advocacy regarding the nuclear deterrence mission of the USAF; conducting monitoring and oversight activities regarding the safety, security, reliability, effectiveness, and credibility of the nuclear deterrence mission of the USAF; and conducting periodic comprehensive assessments of all aspects of the nuclear deterrence mission of the USAF as delegated to the SecAF pursuant to 10 USC § 9040 and Chairman of the Joint Chiefs of Staff Instruction (CJCSI) 3110.01L, *2023 Joint Strategic Campaign Plan (JSCP).*

A1.2. Responsibility and authority relating to Joint DoD-Department of Energy (DOE)/National Nuclear Security Administration (NNSA) nuclear weapon life-cycle activities as delegated to the SecAF pursuant to DoDD 3150.01, *Joint DoD-Department of Energy/National Nuclear Security Administration (DoD-DOE/NNSA) Nuclear Weapon Life-Cycle Activities*, and DoD Manual (DoDM) 5030.55, *DoD Procedures for Joint DoD-Department of Energy/National Nuclear Security Administration (DOE/NNSA) Nuclear Weapon Life-Cycle Activities*.

A1.3. Responsibility and authority relating to controlling the use of nuclear weapons as delegated to the SecAF pursuant to DoDI S-3150.07, *Controlling the Use of Nuclear Weapons (U)*.

A1.4. Responsibility and authority relating to the Nuclear Weapons Personnel Reliability Assurance Program as delegated to the SecAF pursuant to Department of Defense Manual (DoDM) 5210.42, *Nuclear Weapons Personnel Reliability Program (PRP) Regulation.*

A1.5. Responsibility and authority relating to the USAF CBRN Survivability Program and related activities as delegated to the SecAF pursuant to DoDI 3150.09, *The Chemical, Biological, Radiological, and Nuclear (CBRN) Survivability Policy.*

A1.6. Responsibility and authority relating to ensuring USAF compliance with, and development and implementation of, National Security Exclusion policies, procedures, and related integrated safeguards activities, as delegated to the SecAF pursuant to DoDI 2060.03, *Application of the National Security Exclusion to the Agreements Between the United States of America and the International Atomic Energy Agency for the Application of Safeguards in the United States of America.*

A1.7. Responsibility and authority relating to CWMD as delegated to the SecAF pursuant to DoDD 2060.02, *DoD Countering Weapons of Mass Destruction (WMD) Policy.*

A1.8. Responsibility and authority relating to arms control agreements as delegated to the SecAF pursuant to DoDD 2060.01, *Implementation of, and Compliance with, Arms Control Agreements.*

A1.9. Responsibility and authority relating to serving as the DoD Executive Agent for DoD FCP responsibilities and functions, as delegated to the SecAF, pursuant to DoDD 4500.54E, *DoD Foreign Clearance Program.*

A1.10. Responsibility to coordinate with AF/A3 and with the Air Force Flight Standards Agency, which is responsible for safety of navigation and implementation of freedom of navigation (FoN) responsibilities, on the USAF FoN program pursuant to Department of Defense Instruction (DoDI) S-2005.01, *Freedom of Navigation (FoN) Program (U)*.

A1.11. Responsibility and authority relating to coordinating with the Office of the Assistant Secretary of Defense for Nuclear Deterrence, Chemical, and Biological Defense (ASD(ND-CBD)) Policy and Programs on all matters related to assigned CWMD responsibilities and functions as delegated to the SecAF pursuant to DoDD 5134.08, *Assistant Secretary of Defense for Nuclear, Chemical, and Biological Defense Programs (ASD(NCB)).*

A1.12. Responsibility and authority as the operational lead for CBRN defense IAW Department of the Air Force Policy Directive (DAFPD) 10-26, *Countering Weapons of Mass Destruction* and for the DoD Chemical and Biological Defense Program as delegated to the SecAF pursuant to DoDD 5160.05E, *Roles and Responsibilities Associated with the Chemical and Biological Defense Program (CBDP)*, and DoDD 5101.17E, *Roles and Responsibilities Associated with the Recovery of Chemical Warfare Material.*

A1.13. Responsibility and authority relating to coordinating with Defense Threat Reduction Agency (DTRA) on identified programs and activities, assigning military personnel to DTRA, and supporting DTRA IAW applicable DoD issuances as delegated to the SecAF pursuant to DoDD 5105.62, *Defense Threat Reduction Agency (DTRA).*

A1.14. In coordination with SF COO/S10, responsibility and authority for ensuring DAF compliance with identified nuclear command, control, and communications (NC3) system policies and procedures and fulfilling assigned responsibilities/exercising authorities as delegated to the SecAF pursuant to DoDI S-3730.01, *Nuclear Command, Control, and Communications (NC3) System (U)* and DoDD S-5210.81, *U.S. Nuclear Weapons Command and Control, Safety, and Security.*

A1.15. Responsibility and authority relating to coordinating with ASD(ND-CBD) on all matters related to assigned responsibilities and functions as delegated to the SecAF pursuant to DoDI 4540.05, *DoD Transportation of U.S. Nuclear Weapons*.

A1.16. Responsibility to serve as a member of the Joint Nuclear Accident and Incident Response Team pursuant to CJCSI 3431.01E, *Joint Nuclear Accident and Incident Response Team*.

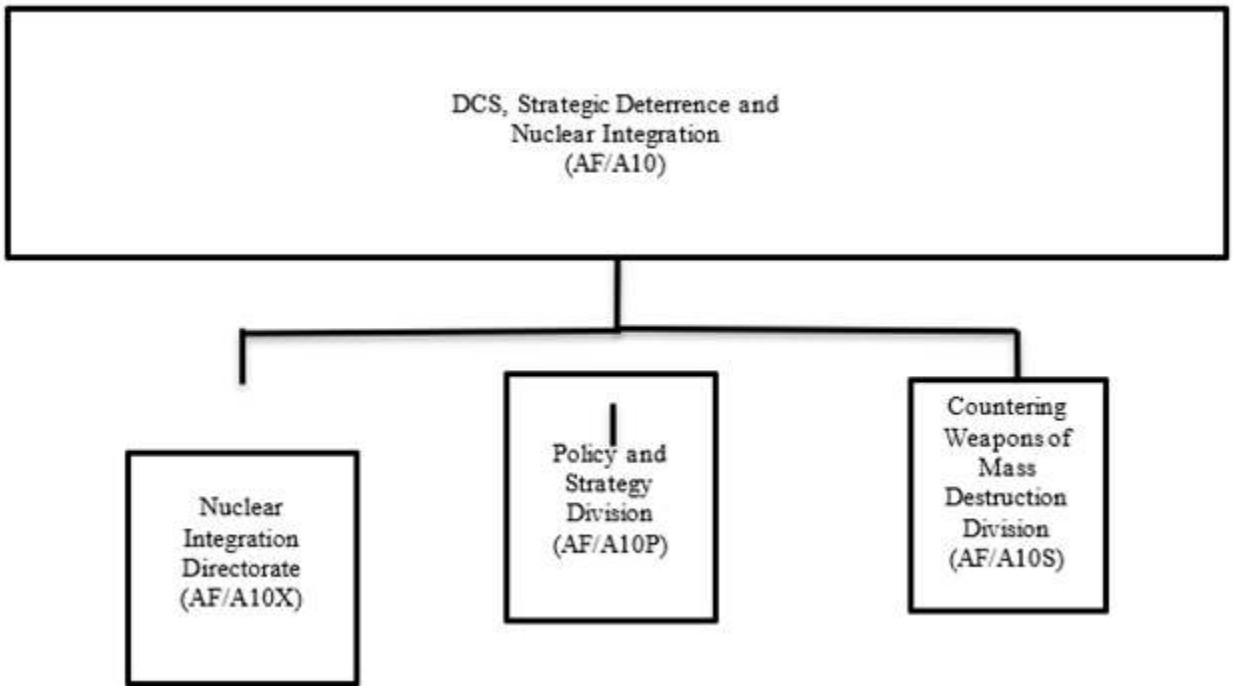

A1.17. Responsibility and authority to advocate for and assist with programing, budgeting, financing, acquiring, implementing, operating, supporting, and maintaining USAF-assigned fixed, ground, distributive, cyberspace, airborne, mobile, and transportable National Military Command System (NMCS) and National Leadership Command Capability (NLCC) systems pursuant to DoDD S-3710.01, *(U) National Leadership Command Capability (NLCC)*.

A1.18. Authorization to appoint one or more Associate Restricted Data Management Officials to organizations that have access to Restricted Data, Formerly Restricted Data, or Transclassified Foreign Nuclear Information per 10 CFR 1045.40(b). Responsibility and authority for protection

of Special Nuclear Material information as delegated to the SecAF pursuant to DoDI O-5210.67 *Special Nuclear Material Information, Security Classification Guidance.*

AF/A10 ORGANIZATIONAL CHART AND SUBORDINATE OFFICE RESPONSIBILITIES

A2.1. Description. The DCS Strategic Deterrence and Nuclear Integration is responsible for the overall supervision of all matters pertaining to USAF Headquarters-level monitoring, oversight, and assessment activities regarding the safety, security, reliability, effectiveness, and credibility of the Service's nuclear deterrence mission. In coordination with nuclear stakeholders (e.g., OSD, JS, CCMDs, Services, and Interagency partners), AF/A10 provides stewardship, direction, and guidance for nuclear professionals and integration of nuclear capabilities. AF/A10 ensures consistency and conformity of USAF nuclear policy, doctrine, strategy, and mission requirements. AF/A10 is the Service's central authority for activities related to international arms control, nonproliferation agreements, FCP, NC3, and CWMD.

A2.1.1. Strategic Deterrence. AF/A10 directs and guides Air Staff efforts pertaining to USAF nuclear-related capabilities producing strategic deterrence effects. These capabilities include nuclear warheads, land-based intercontinental ballistic missiles (ICBM), long-range dual capable heavy bombers, dual capable fighters, airlift; air refueling, nuclear command and control (NC2) aircraft, a robust USAF NC3 architecture, cyberspace, CWMD, and human capital.

A2.1.2. Nuclear Integration. AF/A10 leads the synchronization and integration of nuclear forces across the Service in coordination with OSD, JS, CCMDs, Services, and Interagency partners for the purposes of full spectrum stewardship of USAF nuclear capabilities. Effective nuclear integration involves bringing together different, often disparate but related, systems and people into a single comprehensive entity to fulfill CCMD requirements.

A2.2. Subordinate offices include:

A2.2.1. **Nuclear Integration Directorate (AF/A10X).** AF/A10X is responsible for all AF/A10 functions pertaining to nuclear capabilities and assessments, and USAF NC3 and shall:

A2.2.1.1. Serve as the Air Staff lead for issues impacting the USAF nuclear mission (e.g., Counter-Small Unmanned Aerial Vehicle policy implementation, Joint Integrated Lifecycle Surety Management, and Air Force Security Enterprise Executive Board).

A2.2.1.2. Serve as a member of the Joint Nuclear Accident and Incident Response Team.

A2.2.1.3. Capability Sustainment and Modernization.

A2.2.1.3.1. In coordination with DCS, Logistics, Engineering, and Force Protection's Directorate of Civil Engineers (AF/A4C), support MAJCOMs in the development and implementation of strategic deterrence-related military construction, operations, maintenance, defense access roads, recurring work programs, and facility sustainment projects. In coordination with DCS, Logistics, Engineering, and Force Protection's Directorate of Security Forces (AF/A4S), serve as a working group member for the development and implementation of USAF nuclear security procedures.

A2.2.1.3.2. Serve as the Air Staff office of primary responsibility (OPR) for management and planning of the USAF nuclear weapon stockpile.

A2.2.1.3.3. Nuclear Weapon Capability Modernization. Prepare AF/A10 and other senior leaders for engagement in the Joint and Air Force requirements process.

A2.2.1.3.4. Lead assessments and analyze exercises of USAF NC3 capabilities. Support analysis of NC3 capabilities and implementation of the USAF Nuclear Mission Assessment framework.

A2.2.1.3.4.1. Monitor and drive corrections to shortfalls in USAF NC3 system operational performance, logistical support, and technology development in conjunction with SAF/AQ, SAF/FM, SAF/SQ, AF/A2, AF/A3, AF/A6, Air Force Test and Evaluation (AF/TE), Department of the Air Force Chief Scientist (SAF/ST), Program Element Monitors (PEMs), lead commands/lead agents, Air Force Research Laboratory (AFRL), Air Force Nuclear Weapons Center (AFNWC), Air Force Life Cycle Management Center (AFLCMC), and system program offices (SPOs). Lead, coordinate, and/or advocate for issue resolution through collaboration with cross-functional teams and identification of resource needs.

A2.2.1.3.4.2. Assess the compliance of USAF NMCS and NC3 infrastructure to meet survivability, endurability, and nuclear hardness standards. Lead, coordinate, and/or support resolution activities.

A2.2.1.3.4.3. Lead, facilitate, integrate, and advocate for USAF NC3 Cyber hardening efforts in coordination with SAF/AQ, SAF/CN, SAF/SQ, AF/A2, AF/A3, AF/A5/7, AF/A6, MAJCOMs, AFLCMC, and AFNWC in support of the USAF Nuclear Mission.

A2.2.1.3.4.4. In conjunction with SAF/AQ, SAF/CA, SAF/FM, SAF/GC, SAF/SQ, AF/A2, AF/A3, AF/A5/7, AF/A6, AF/A8, AF/JA, AF/TE, PEMs, Air Force Materiel Command (AFMC), AFLCMC, AFNWC, SPOs, and lead

commands/lead agents, identify capability gaps in weapon systems. Lead issue resolution and identify resourcing solutions.

A2.2.1.4. Programming and Budget.

A2.2.1.4.1. Serve as PEM for the following program elements: Theater Nuclear Weapon Storage, ICBM Helicopter Support, Air Force Global Strike Command (AFGSC) Management Headquarters – Offensive, Operational HQ – Offensive, Global Strike Operations Center, Training – Offensive, AFGSC Combat Support, Nuclear Weapons Sustainment, Service support to DTRA, U.S. Strategic Command (USSTRATCOM) Information Technology Enterprise, USSTRATCOM Global Strike, USSTRATCOM Other Missions, and USSTRATCOM HQ Support. Integrate fiscal, acquisition, manpower, and requirements efforts through engagement with key Air Staff, MAJCOM, USAF Institutional Commands, and USAF Service Component Command stakeholders. Coordinate programs with OSD, JS, North Atlantic Treaty Organization (NATO), CCMDs, and other non-USAF agencies.

A2.2.1.4.2. Lead USAF nuclear-related issue teams during annual program budget reviews (PBR). Present and defend nuclear funding decisions outlined in annual USAF program objectives memorandum (POM) submissions in coordination with SAF/AQ, SAF/FM, SAF/SA, SAF/SQ, AF/A1, AF/A5/7, AF/A8, and MAJCOMs.

A2.2.1.4.3. Ensure USAF nuclear mission equities are considered within the AFCS as a voting member of the Air Force Group, Operating Budget Review Committee, and Investment Budget Review Committee. Prepare AF/A10 leaders for engagement at Air Force Board and Air Force Council. Support the AFCS with subject matter expertise in land-based ICBMs, nuclear-capable bombers, dual-capable fighter aircraft (DCA), and associated weapons.

A2.2.1.4.4. As appropriate, serve as the DAF OPR to draft, coordinate, edit, and adjudicate inputs for Title 10 United States Code Section 492a Annual Report on the Plan for the Nuclear Weapons Stockpile, Nuclear Weapons Complex, Nuclear Weapons Delivery Systems, and Nuclear Weapons Command and Control System.

A2.2.1.4.5. Assist MAJCOMs in developing USAF NC2/NC3 plans, concepts, and capability requirements.

A2.2.1.4.6. Lead the USAF NC3 Issue Team during annual PBRs. Present and defend funding decisions outlined in the annual USAF POM submissions in coordination with USAF subject matter experts to Director of OSD Cost Assessment and Program Evaluation (D, CAPE), Office of the Under Secretary of Defense for Acquisition and Sustainment OUSD(A&S), DoD Chief Information Officer (CIO), JS, and CCMDs.

A2.2.1.5. Governance.

A2.2.1.5.1. Develop, implement, and evaluate USAF nuclear surety policy and procedures in coordination with AF/SE and the Inspector General of the Air Force (SAF/IG). Ensure USAF nuclear surety policy aligns with USAF nuclear surety inspection policy in coordination with SAF/IG.

A2.2.1.5.2. Serve as a permanent voting member of the Nuclear Weapon System Surety Group. Review nuclear weapon system design and operations to ensure DoD

nuclear weapon system safety standards are met. Propose new weapon system safety rules and recommend changes to existing OUSD(A&S) approved weapon system safety rules to maximize nuclear weapon system surety commensurate with operational requirements.

A2.2.1.5.3. Serve as AF/A10's representative on the Unauthorized Launch Senior Steering Committee and provide a technical expert for the Unauthorized Launch Working Group.

A2.2.1.5.4. Lead USAF participation in the NWC and NWC subordinate body activities (e.g., meetings, report writing, and development studies) to support their accomplishment of 10 USC § 179 responsibilities. Prepare USAF principals for NWC and related meetings and prepare USAF inputs to NWC reports directed by the executive and legislative branches of government.

A2.2.1.5.5. Serve as USAF lead for access to DOE Sigma nuclear weapon data.

A2.2.1.5.6. Serve as the principal advisor to the Air Force Restricted Data Management Official.

A2.2.1.5.7. Serve as the USAF OPR for the classification and declassification of USAF information marked Restricted Data or Formerly Restricted Data, and coordinate changes with ASD(ND-CBD).

A2.2.1.5.8. Lead USAF nuclear survivability efforts as it pertains to weapons effects to include blast, electromagnetic pulse (EMP), thermal, and certain radiological environments. Serve as USAF lead to the CSOG-Nuclear (CSOG-N) Action Officer Working Group (AOWG) and related subgroups.

A2.2.1.5.9. Maintain a direct liaison to the United Kingdom (UK) Ministry of Defense and the British Embassy. Prepare USAF principals for Stocktake and Second Level U.S./UK activities for the accomplishment of the *1958 U.S./UK Mutual Defense Agreement*. Manage USAF interactions with the Joint Atomic Information Exchange Group (JAIEG). Serve as the JAIEG-delegated authority under the USAF/UK Systems Channel in coordination with assigned Intergovernmental Personnel Act representatives.

A2.2.1.5.10. Represent the Air Staff for the integration of weapon system design features, operational procedures, and system safety rules as a voting member of the Use Control Project Officers' Group and appropriate subordinate organizations.

A2.2.1.5.11. Represent AF/A10 to the Security Policy Verification Committee (SPVC), Nuclear Weapons Accident Incident Response Subcommittee (NWAIRS), and the Nuclear Transportation Working Group (NTWG) in support of the SIRC.

A2.2.1.5.12. Serve as USAF lead for policies related to USAF NC3 capabilities.

A2.2.1.5.12.1. Act as the primary USAF interface to DoD CIO as the Secretariat for the Council on Oversight of the National Leadership Command, Control, and Communications System (CONLC3S).

A2.2.1.5.12.2. In coordination with AF/A6, act as the USAF interface to DoD CIO for governance forums, including subordinate boards and working groups,

providing technical information, and framing issues to support USAF NC3 requirements. AF/A10 will collaborate with SAF/CN on non-NLCC/NC3 cybersecurity related issues.

A2.2.1.5.12.3. Prepare USAF senior leaders for the CONLC3S and NLCC boards.

A2.2.1.5.12.4. Act as primary Air Staff focal point and coordinating organization for DAF NC3 governance structure. Participate in the NC3 forums and advise voting members.

A2.2.1.5.12.5. Coordinate with AF/A6 and MAJCOMs on USAF NC3 issues overlapping with NLCC and Senior Leader Communications and Continuity Communications.

A2.2.1.5.12.6. Act as a primary voting member or NC3 subject matter expert to interface with external governance forums that overlap with NC3 (e.g., DAF NC3 Cyber Executive Steering Board).

A2.2.1.6. Policy.

A2.2.1.6.1. Lead Air Staff efforts to vet and coordinate Prime Nuclear Airlift Force (PNAF) issues across DOE and DoD, to include representing the USAF at the NTWG, serving as Executive Secretary of the PNAF Working Group, and synchronizing PNAF policy and procedures in liaison with DAF and external agencies.

A2.2.1.6.2. Lead Air Staff efforts related to the movement of Special Nuclear Material in cooperation with the DOE Office of Secure Transportation. Lead Air Staff management of foreign entity air transportation of foreign nuclear materials in coordination with OSD, JS, CCMDs, Services, and Interagency partners.

A2.2.1.6.3. In coordination with the USSF, serve as DAF co-lead for implementation of Presidential Policy Directive 35, *United States Nuclear Weapons Command and Control, Safety, and Security*, and DoDD S-5210.81.

A2.2.1.6.4. In conjunction with SAF/CN, AF/A6, AFGSC, ACC, 16 AF, and HQ/CCC, provide guidance to and assist USAF nuclear and NC3 authorizing officials in implementing cybersecurity standards IAW DoD's Cybersecurity framework. For NC3 systems processing and/or connecting to systems that process sensitive compartmented information, coordinate with AF/A2 to identify and implement applicable Intelligence Community Directives and Standards.

A2.2.1.6.5. Serve as USAF OPR on policy and procedures for safeguarding NC2 Extremely Sensitive Information.

A2.2.1.6.6. Support nuclear survivability efforts and serve as USAF lead to related subgroups for NC3-related topics.

A2.2.1.6.7. Serve as the Air Staff OPR for compliance with and/or implementation of AFI 13-502, *Safeguarding Nuclear Command and Control Extremely Sensitive Information (NC2-ESI)*, HOI 13-1, *Safeguarding Nuclear Command and Control Extremely Sensitive Information (NC2-ESI), and* AFI 13-550, *Air Force Nuclear Command, Control, and Communications (NC3)*, and develops and implements USAF policies to ensure compliance with higher level guidance.

A2.2.1.6.8. Serve as the Air Staff OPR for compliance with and implementation of DoDI 5030.55, DoDI 4540.05, DoDI O-5210.67, AFI 13-520, *Aircraft and ICBM Nuclear Operations*, AFI 13-527, *Nuclear Weapons Airlift Operations Training*, AFMAN 13-526, *Nuclear Airlift Operations,* and Department of the Air Force Instruction (DAFI) 10-2601, *Electromagnetic Pulse Survivability Program*.

A2.2.1.7. Assessments.

A2.2.1.7.1. Lead periodic, comprehensive assessments of the USAF nuclear mission (e.g., metric development and performance measurement). Provide analysis to facilitate senior leader decisions. Lead data collection and analysis pertaining to nuclear inspections and readiness reporting of nuclear forces to inform senior leaders of risks to the USAF nuclear mission. Recommend topics/issues for USAF nuclear governance forums (e.g., NOC). Develop metrics, conduct trend analysis, and assess performance measures to evaluate the USAF nuclear mission and develop courses of action for continued improvement.

A2.2.1.7.2. Provide analysis of the nuclear strategic environment and its vulnerabilities.

A2.2.1.7.3. Serve as point of contact (POC) for USAF nuclear mission-related audits, coordinate appointments of primary and alternate POCs for each engagement, attend entrance and exit conferences for engagements where AF/A10 has equity, monitor and evaluate USAF replies to reports and documents, manage USAF and auditor relations, and receive, assign action, and ensure prompt processing of audit reports and related documents issued in lieu of draft reports.

A2.2.1.7.4. Develop performance measurements to assess human capital health related to the USAF nuclear mission in partnership with subject matter experts and managers of authoritative data sources.

A2.2.1.7.5. Lead Air Staff efforts to assess USAF NC3 programs, policies, and capabilities and ensure the USAF budgets, develops, acquires, supports, and maintains assigned NC3 systems.

A2.2.1.7.6. Review and assess policies, plans, orders, and concepts for USAF NC2 capabilities and USAF NC3 systems supporting national and CCMD warfighting requirements.

A2.2.1.7.7. Assess USAF NC3 cyber survivability, resiliency, security, and surety capabilities and requirements; coordinate to ensure NC3 cybersecurity efforts align with broader DAF efforts in conjunction with SAF/CA, SAF/CN, AF/A2, AF/A6, SF COO/S10, and other DoD organizations.

A2.2.1.7.8. In coordination with JS, CCMDs, and the White House Military Office, assess nuclear doctrine and operational plans for implications to USAF NC2/NC3.

A2.2.1.8. Oversight.

A2.2.1.8.1. Lead AF/A10 efforts to support OSD’s Nuclear Deputy's Management Action Group (DMAG).

A2.2.1.8.2. Lead the development of NATO DCA force structure options and related topics in coordination with AFNWC, ACC, and USAFE-AFAFRICA. Participate in regional nuclear deterrence and assurance dialogue with allies and partners and review regional nuclear deterrence and assurance policy documents.

A2.2.2. **Policy and Strategy Division (AF/A10P).** The division is responsible for AF/A10 functions pertaining to nuclear policy, doctrine, and strategy; CNI development, planning, and implementation; nuclear enterprise human capital cross-functional requirements; DoD FCP; and USAF-wide implementation and compliance activities related to international arms control treaties and agreements, and shall:

A2.2.2.1. Policy and Doctrine.

A2.2.2.1.1. Lead the development of USAF nuclear publications, which include policy directives, instructions, manuals, and doctrinal guidance.

A2.2.2.1.2. Conduct comprehensive reviews of USAF policy and guidance on nuclear-related issues to ensure consistency with national level guidance. Provide consistent, current, and accurate direction for field operations.

A2.2.2.1.3. Analyze and formulate nuclear doctrine and strategic deterrence, extended deterrence, and assurance policies in coordination with DAF organizations, OSD, JS, and NATO.

A2.2.2.1.4. Serve as Air Staff OPR for compliance with and/or implementation of DoDD 2060.01, DoDD 4500.54E, DoDD, 5101.17E, DoDI 2060.03, this Directive, AFMD 63, *Air Force Global Strike Command (AFGSC)*, DAFPD 13-5, *Nuclear Mission*, DAFI 13-500, *Air Force Nuclear Mission Responsibilities*, DoDM 5210.42, DAFI 13-504, *Nuclear Mission Professional Development*, AFI 16-601, *Implementation of, and Compliance with, International Arms Control and Nonproliferation Agreements*, AFI 16-604, *The Treaty on Open Skies, The Treaty on Conventional Armed Forces in Europe, and the Vienna Document on Confidence and Security-Building Measures*, AFI 16-608, *Implementation of, and Compliance With, Treaties Involving Weapons of Mass Destruction*, and DAFPD 16-6, *International Arms Control and Nonproliferation Agreements, and the DoD Foreign Clearance Program*.

A2.2.2.2. Human Capital Development.

A2.2.2.2.1. Serve as Air Staff OPR for compliance with and implementation of DAFI 13-504, *Nuclear Mission Professional Development*.

A2.2.2.2.2. Support AF/A10 in his/her role as the Nuclear Enterprise Cross-Functional Authority. Reference DAFI 36-2670*, Total Force Development,* for specific cross-functional responsibilities.

A2.2.2.2.3. Manage nuclear occupational competencies, articulate competencies to nuclear-related functional authorities to complement the USAF Continuum of Learning and provide guidance and establish requirements for nuclear expertise certificates and coding protocol.

A2.2.2.2.4. Identify, articulate, and support resourcing of nuclear-related human capital programs through the Force Development Council.

A2.2.2.2.5. Develop human capital objectives to support USAF strategic guidance and manage objectives to completion.

A2.2.2.2.6. In coordination with AETC, provide guidance and advocacy for deterrence education, training, research, and experiential development.

A2.2.2.2.7. Lead the Nuclear Cross-Functional Working Groups in the development and evaluation of human capital policies for nuclear enlisted, officer, and civil service professionals.

A2.2.2.2.8. Lead resolution of strategic issues discovered because of cross-functional forums and, when necessary, sponsor human capital concerns through the nuclear governance structure (e.g., NOC) for resolution.

A2.2.2.2.9. Support to 13N Career Field.

A2.2.2.2.9.1. Support AF/A10's role as the 13N Functional Authority and 13N Functional Manager. Support the 13N Development Team Chairperson, as appointed by the 13N Functional Manager. Reference DAFI 36-2670, *Total Force Development*, for specific responsibilities.

A2.2.2.2.9.2. Support the 13N CFM in the execution of career field management responsibilities prescribed by DAFI 36-2670 and annual AF/A1 Force Development Guidance.

A2.2.2.2.9.3. Develop human capital objectives to support 13N career field management and manage objectives to completion.

A2.2.2.2.9.4. Oversees the administration and execution of the Nuclear and Missile Operations and Nuclear Deterrence Operations Annual Awards Program in accordance with DAF Manual (DAFMAN) 36-2806, *Military Awards: Criteria and Procedures*.

A2.2.2.3. PRAP.

A2.2.2.3.1. Formulate, implement, and evaluate USAF PRAP policy and procedures. Ensure alignment with USAF nuclear and PRAP inspection policies in coordination with SAF/IG.

A2.2.2.3.2. Develop and implement USAF PRAP policy and procedures in accordance with DoDM 5210.42.

A2.2.2.3.3. Serve as the technical advisor on behalf of the SecAF for issues related to PRAP.

A2.2.2.3.4. Coordinate with SAF/IG to ensure inspection items are in accordance with DoDM 5210.42.

A2.2.2.4. Strategy.

A2.2.2.4.1. Lead the implementation of SecAF- and CSAF-directed reviews/guidance.

A2.2.2.4.2. Foster the advancement of USAF intellectual leadership on strategic nuclear deterrence, extended deterrence, and assurance (e.g., coordinate DAF

perspectives and engage with think tanks, academia, and the broader deterrence community).

A2.2.2.4.3. Lead USAF efforts to implement NPR actions and recommend the closure of NPR tasks.

A2.2.2.4.4. In coordination with AF/A3, lead USAF efforts to advance and refine Conventional-Nuclear Integration (CNI) across all areas defined by Joint Publications, Air Force Doctrine, and related governance. CNI goes beyond conventional support to nuclear operations, requiring full integration of non-nuclear capabilities to enhance or complement nuclear employment. Responsibilities include strategy development, planning, resourcing, execution concepts, and performance assessment.

A2.2.2.4.5. Review and analyze all U.S. nuclear strategy and guidance documents (e.g., National Security Strategy, National Defense Strategy, NPR, National Military Strategy, Defense Planning Guidance, Guidance for the Employment of the Force (GEF), JSCP, Air Force Operating Concept, and Air Force Strategic Environment Assessment).

A2.2.2.5. Foreign Clearance Program (FCP).

A2.2.2.5.1. On behalf of the SecAF, execute the DoD FCP mission as the DoD Executive Agent IAW DoDD 4500.54E.

A2.2.2.5.2. Maintain effective aircraft and personnel travel clearance systems (e.g., *DoD Foreign Clearance Guide* and Aircraft & Personnel Automated Clearance System).

A2.2.2.5.3. Coordinate, implement, and promulgate USG and DoD foreign clearance policy.

A2.2.2.5.4. Implement USG aviation fees policy IAW DoDD 4500.54E.

A2.2.2.5.5. Publish and maintain the *Special Weapons Overflight Guide (SWOG)* IAW DoDI 4540.05.

A2.2.2.6. International Arms Control Treaties and Agreements.

A2.2.2.6.1. Serve as USAF OPR for international arms control treaties and agreements, to include, but not limited to the New Strategic Arms Reduction Treaty (NST), Antarctic Treaty, Chemical Weapons Convention (CWC), Biological Weapons Convention (BWC), and Conventional Forces in Europe Treaty.

A2.2.2.6.2. Represent USAF equities in arms control-related working groups and committees such as the NST Implementation Working Group, NST Compliance Review Group, Conventional Arms Control (CAC) Implementation Working Group, CAC Backstopping, CWC Implementation Working Group, and the Chemical and Biological Weapons Verification and Compliance Analysis Working Group.

A2.2.2.6.3. Ensure USAF implementation of, and compliance with, arms control treaties and nonproliferation agreements.

A2.2.2.6.4. Develop, coordinate, and provide OSD and JS with the USAF position on negotiations and proposals for international arms control and nonproliferation agreements.

A2.2.2.6.5. Implement applicable directives outlined in arms control treaties.

A2.2.2.6.6. Serve as PEM for arms control treaties and international agreements.

A2.2.2.6.7. Champion international arms control treaties and agreement-related programmatic activities, and budgeting with AF/A10X, panel chairs, and MAJCOMs. Provide subject matter expertise in arms control treaties, nonproliferation, and international agreements to the AFCS.

A2.2.2.6.8. Lead USAF arms control and nonproliferation-related issue teams during annual PBRs. Serve as subject matter expert for the presentation and defense of decisions outlined in annual USAF POM submissions with SAF/AQ, SAF/FM, AF/A5/7, AF/A8, and MAJCOMs.

A2.2.2.6.9. Advise SAF/AQ on requirements and acquisition processes to ensure compliance with international arms control treaties and agreements.

A2.2.2.6.10. Assess emerging issues that impact current and future arms control and nonproliferation efforts.

A2.2.3. **Countering Weapons of Mass Destruction Division (AF/A10S).** The division is responsible for the CWMD Enterprise and shall:

A2.2.3.1. Serve as the USAF OPR for the CWMD Enterprise.

A2.2.3.2. Serve as the Executive Secretariat for the DAF CWMD Council and the DAF CWMD Operations Integration Group.

A2.2.3.3. Chair the DAF CWMD Policy Working Group.

A2.2.3.4. Serve as USAF POC for OSD, JS, Combined, and Interagency plans, programs, and studies across the CWMD operational spectrum.

A2.2.3.5. Synchronize USAF CWMD policy, planning, programming, resource allocation, and program evaluation activities. Provide the AFCS with CWMD subject matter expertise.

A2.2.3.5.1. Lead USAF CWMD-related issue teams during annual PBRs. Synchronize and coordinate relevant subject matter expertise for the presentation and defense of funding decisions outlined in the annual USAF POM submissions with SAF/AQ, SAF/FM, SAF/SQ, AF/A3, AF/A4, AF/A5/7, AF/A8, AF/SG, SF/S5/8, and MAJCOMs.

A2.2.3.5.2. Serve as PEM for the USAF Counterproliferation Program Element.

A2.2.3.5.3. Advocate for CWMD-related activities in coordination with AF/A4, AF/SG, SF COO/S10, panel chairs, and MAJCOMs.

A2.2.3.6. Serve as Air Staff OPR for compliance with and/or implementation of DoDD 2060.02, DoDD 5160.05E, and DoDI 3150.09. Serve as AF/A10 OPR for DAFPD 10-26, *Countering Weapons of Mass Destruction;* DAFI 10-2602, *Countering Weapons of Mass*

Destruction Enterprise; DAFI 10-2607, *Chemical, Biological, Radiological, and Nuclear Survivability*, and Air Force Handbook (AFH) 10-2603-O, *Operations in a Nuclear Environment.* Supports AF/SG implementation of AFI 10-2606 *Biological Agent Aerosol Collection and Identification.*

A2.2.3.7. Policy and Governance.

A2.2.3.7.1. Support and execute meetings for the DAF CWMD Council, the DAF CWMD Operations Integration Group, and the DAF CWMD Policy Working Group.

A2.2.3.7.2. Develop and maintain USAF policy to govern and establish roles and responsibilities for the USAF CWMD Enterprise.

A2.2.3.7.3. Review and analyze U.S. and allied guidance, to include CWMD-related strategies, policies, plans, and doctrine, for integration with, and impacts to, the DAF CWMD Enterprise.

A2.2.3.8. Joint Capabilities Integration.

A2.2.3.8.1. In support of AF/A10 as the USAF operations lead for CBRN Defense:

A2.2.3.8.1.1. Prioritize gaps based on existing USAF operational requirements and identify threats and vulnerabilities related to CBRN weapons and material, in coordination with AF/A4C, MAJCOMs, and CBRN defense capability developers.

A2.2.3.8.1.2. In coordination with AF/A4 and AF/SG, integrate results from related operational studies and analysis to identify DAF modernization priorities for the DoD Chemical and Biological Defense Program (CBDP) and other related CBRN defense programs.

A2.2.3.8.2. In coordination with SF COO/S10, develop and implement DAF CBRN Survivability policy.

A2.2.3.8.2.1. Ensure USAF Mission Critical Report is submitted in accordance with ASD(ND-CBD) direction.

A2.2.3.8.2.2. Ensure CBRN Survivability requirements for CBRN Mission Critical systems are addressed in USAF and Joint operational capability documents.

A2.2.3.8.2.3. Lead USAF chemical, biological, and radiological (CBR) contamination survivability efforts, and serve as the USAF lead to the CSOG-CBR AOWG and related subgroups. Prepare USAF principals for CSOG and related meetings.

A2.2.3.8.3. Oversee the incorporation of CCMD and MAJCOM CWMD operational requirements into the development of USAF capabilities through participation in established processes for requirements, acquisition, programming, planning, budgeting, and execution.

A2.2.3.9. Operations, Planning, and Intelligence.

A2.2.3.9.1. Provide operational planning expertise on CBRN impacts to air operations and recommend mitigation strategies to MAJCOMs and CCMDs.

A2.2.3.9.2. Support AF/A2 and SF/S2 on issues relating to CWMD intelligence, to include National Technical Nuclear Forensics (NTNF) program and coordinating emerging threat data. This also includes coordinating with the Defense Intelligence Agency (DIA) to address air component CWMD and biodefense priorities in DIA processes, analysis, and products.

A2.2.3.9.3. Represent the AF/A10 to the DoD CWMD Unity of Effort Council and related AO-level forums and prepare leadership for participation at GO/SES-level CWMD meetings hosted by the Joint Staff, OSD, or USSOCOM.

A2.2.3.9.4. Coordinate USAF support to, and participation in, the DoD Biodefense Council and all subordinate committees and working groups.

A2.2.3.10. Operational Analysis.

A2.2.3.10.1. Develop, coordinate, and implement USAF cross-functional CWMD operational concepts.

A2.2.3.10.2. Lead CWMD-related, operationally focused studies and analyses for air operations.

A2.2.3.10.2.1. Integrate scientific and operator-focused CWMD technical expertise in USAF operational concepts, decision aids, and operational risk management tools.

A2.2.3.10.2.2. Lead data collection and analysis pertaining to CWMD assessments and readiness reporting to inform senior leaders of risks to USAF operations against WMD-armed adversaries.

A2.2.3.10.2.3. Develop metrics, conduct trend analysis, and assess performance measures, in coordination with AF/A3T, AF/A4C, AF/SG, and SF COO/S10 and to evaluate the readiness and capabilities of the DAF CWMD Enterprise mission sets and recommend courses of action for improvement.
