This instruction implements AFPD 36-8, Employee Benefits and Entitlements, by providing guidance and procedures supervisors need to schedule civilian employees (except non-US citizen employees employed outside the United States and the District of Columbia) for work and holiday observances. It tells how to establish work schedules, rest and lunch periods, make ready and clean-up time. It describes work subject to premium pay and shows how to get approval for holiday work.

(DOBBINSARB) This supplement further extends guidance of AFI 36-807, *Weekly and Daily Scheduling of Work and Holiday Observances* and AFI 36-815*, Absence and Leave.* It provides supervisors and managers with information, definition, and instructions essential to the implementation of an Alternative Work Schedule. It implements guidance from*,* 5 CFR Part610, 5 USC Chap 61, and the *Handbook on Alternative Work Schedules*, published by the Office of Personnel Management. This instruction applies to all civilian personnel serviced by the 94th Airlift Wing Civilian Personnel Office. Refer recommended changes and questions about this

publication to the Office of Primary Responsibility (OPR) using the AF Form 847, *Recommendation for Change of Publication*; route AF Form 847s through local publications/forms managers. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with Air Force Manual (AFMAN) 33-363, *Management of Records*, and disposed of in accordance with Air Force Records Information Management System (AFRIMS) Records Disposition Schedule (RDS) located at **https://www.my.af.mil/gcss-af61a/afrims/afrims**/.

SUMMARY OF CHANGES

This revision incorporates IC 99-1 and adds the definition of alternative workplace arrangement (AWA) as paragraph **2.3**, (re-numbering the remaining terms and definitions in paragraph **2**), and authorizes MAJCOMs, FOAs or DRUs to establish alternative workplace arrangement (AWA) programs. MAJCOMs, FOAs or DRUs may delegate this authority to installation commanders (para **3.3**). Organization and tenant commanders establish by written order the daily hours for beginning and ending work and the basic 40-hour tour of duty, including uncommon tours of duty, alternative work schedules (AWS), hours and location(s) for alternative workplace arrangements (AWA), as well as rest and lunch periods for their respective organizations (para **3.2**). IC 99-1 assigns numbers to material in paragraphs **4.2**, **4.3**, and **4.4** which had previously been listed with bullets, and adds **Attachment 2**, with information and a sample AWA agreement for supervisors and employees. Changed or revised material is indicated by a bar (|). The entire text of IC 99-1 is at **Attachment 3**.

(DOBBINSARB) Recent changes include a complete revision of section 2.2, Alternate Work Schedules to update requirements of those schedules currently in use and to add the gliding schedule. This includes updates to the responsibilities of management and employees.

1. Scope of Applicability. This instruction applies Air Force-wide, to appropriated fund civilian employees, including US Air Force Reserve (USAFR) and Air National Guard Title 5, United States Code.

2. Terms and Definitions. The following terms and definitions are used in this instruction.

2.1. Administrative Workweek. The Air Force administrative workweek begins at 0001 Sunday and ends at 2400 on the next following Saturday. The calendar day on which a shift begins is considered the day of duty for that day even though the day of duty extends into the next calendar day or into the following administrative workweek.

2.2. Alternative Work Schedules (AWS). Work schedules made up of flexible or compressed schedules.

2.2. **(DOBBINSARB) Alternative Work Schedules (AWS).** Participation in the Alternative Work Schedule (AWS) is voluntary. Depending on mission considerations or constraints, the AWS may be offered to an employee. This program may be discontinued organizationally at any time if there is an adverse impact on the 94th Airlift Wing's overall mission, in accordance with the current negotiated independent labor agreement and the Office of Personnel Management (OPM) Guidance and Management Rights under Title 5, U.S.C. Chap 71.

2.2.1. **(Added-DOBBINSARB)** The "agency/organization unit" as a whole will remain open for business five days per workweek. The Air Force administrative workweek begins at 0001 Sunday and ends at 2400 on the next following Saturday. Within these parameters, the 94 AW basic workweek is established as Monday through Friday. The basic workday (not on AWS) will commence at 0715, consist of one unpaid 45-minute meal period from 1115-1200, and end at 1600, for a total of 8 working hours. Individual Group Commanders or equivalent will be responsible for developing and documenting alternate work schedules, to include use of shift work, within their respective groups to ensure adequate section/office coverage, as well as to provide for customer service. Meal periods authorized under the AWS will range from a minimum of 30 minutes to a maximum of two hours. Meal periods will occur between 1100 and 1300 hours.

2.2.1.1. **(Added-DOBBINSARB)** This AWS Plan is designed to provide flexibility for both the employee and the organization. Bargaining unit employees are eligible to participate in the AWS program in accordance with the local bargaining unit agreement to include the amended bandwidth of 0600 - 1800. However, no employee will be required to participate in this program.

2.2.2. **(Added-DOBBINSARB)** Core Hours are defined as those hours during each workday that an employee on an AWS must be present for duty or in an appropriate leave status. For the normal day shift, AWS core hours will be 0830 to 1430 hours. The agency's bandwidth (earliest starting and latest ending times) will be 0600 to 1800. During the specified core hours, employees must either be present for duty or in an authorized leave status. Meal periods on any work schedule will not be taken at the end of the workday in order to shorten the duty day, during core hours, nor will they be skipped in order to shorten the length of the duty day.

2.2.2.1. **(Added-DOBBINSARB)** Authorized schedule options are:

2.2.2.1.1. **(Added-DOBBINSARB)** Standard Schedule (Not on AWS) – Report time of 0715 with lunch from 1115-1200 (45 minutes) depart time of 1600 each day (DCPS Code is "0").

2.2.2.1.2. **(Added-DOBBINSARB)** Flexitour (AWS-1) – Flexitour is a work schedule in which an employee, once having selected starting and stopping times within the bandwidth hours (0600-1800), continues to adhere to the selected times until another work schedule change request is submitted and approved, to include the length of the lunch period. Meal periods may vary from thirty minutes to two hours. Credit hours may be earned at the end of the duty day. (DCPS Code is "1")

2.2.2.1.3. **(Added-DOBBINSARB)** Gliding (AWS-2) – A flexible schedule in which an employee has a basic work requirement of 8 hours each day and 40 hours each week. Employees may select an arrival time each day and may change that arrival time daily as long as it is within established bandwidth (0600-1800) and core (0830-1430) hours. Meal periods may vary from thirty minutes to two hours. Credit hours may be earned at the end of the duty day. (DCPS Code is "2").

2.2.2.1.4. **(Added-DOBBINSARB)** Compressed (AWS-6) – A compressed schedule is a fixed schedule which enables the full-time employee to complete the basic work week of 80 hours in fewer than 10 full workdays in a biweekly period. There are no flexible times in a compressed schedule. Employees' time of arrival, meal period, and departure from work are set. The compressed schedule may be either the 5-4/9 schedule (eight – 9-hour days, one – 8 hour day and 1 scheduled day off (SDO) in a pay period) or the 4 – 10 hour days per week. The meal period must be fixed but can range from thirty minutes to two hours. Credit hours may not be earned. (DCPS Code is "6").

2.2.2.2. **(Added-DOBBINSARB)** Work schedule changes must be requested through the timekeeper for approval by the individual's supervisor. The work schedule will remain in effect unless a change is submitted and approved. The employee will be required to sign the DCPS Work Schedule Change form before submission to supervisor. Work schedule changes must be mission driven and not done to avoid taking leave. Any variations must be approved by the supervisor. Work schedule changes must be submitted to timekeepers by the Friday before the beginning of the affected pay period.

2.2.2.3. **(Added-DOBBINSARB)** Civilian employee tours of duty will not be adjusted to avoid taking proper leave for personal convenience when performing military duties. An example of an inappropriate schedule change would be an employee's request to change from a regular 8 hour, 5 day a week tour of duty, to a compressed work schedule to perform military duty, with no intention of ever working the schedule in a civilian status. Conversely, civilian employees on an approved compressed work schedule will not be required to change to a non-compressed schedule in order to perform military duties.

2.2.3. **(Added-DOBBINSARB)** Credit hours are those hours (can be earned and used in ¼ hour increments) within a flexible work schedule that are in excess of an employee's basic work requirement which the employee elects (with prior supervisory approval) to work so as to vary the length of the workday. Credit hours will not be earned while TDY for training. Credit hours will only be earned at the end of the workday. Credit hours

cannot be earned for a missed meal period. Credit hours will be recorded in the Defense Civilian Pay System (DCPS).

2.2.3.1. **(Added-DOBBINSARB)** Credit hours may be worked only by employees on flexible (Flexitour and Gliding) schedule. Credit hours are distinguished from overtime hours in that management does not officially order them in advance. Credit hours are not authorized for employees on the standard or compressed work schedule. Credit hours may not be earned prior to the beginning of the workday and must be earned before they are used. Credit hours may not be "regularly scheduled" on a daily basis in order to have a set day off each week, i.e. earn two hours each day Monday through Thursday in order to have each Friday off. The fulfillment of an employee's basic work requirement in less than ten days during the biweekly pay period constitutes a compressed work schedule, not a flexitour schedule, and credit hours are not authorized on a compressed work schedule.

2.2.3.2. **(Added-DOBBINSARB)** Work performed for credit hours may take place at the end of any workday within the administrative work week (Monday-Friday) to include hours outside the end of the bandwidth (1800). Verbal supervisor approval must be obtained prior to "working/earning" credit hours. Credit hours should not be earned on days which include fitness leave. Eliminate the fitness leave or do not earn the credit hours. Mission essential requirements should be approved by supervisors in writing.

2.2.3.3. **(Added-DOBBINSARB)** A full-time employee cannot carry more than 24 credit hours from one pay period to the next. There is no limit on the total number of credit hours which may be accumulated and used during any one biweekly pay period, however any credit hours in excess of the 24 hours maximum carryover must be taken during the pay period or they will be forfeited. Supervisors may limit the number of credit hours accumulated during the pay period. The employee will schedule the use of credit hours, like any other authorized leave, in advance and request it on the OPM 71. Final approval for use of credit hours is up to the supervisor and based on mission needs.

2.2.3.4. **(Added-DOBBINSARB)** The employee receives no additional pay for credit hours when they are credited to his or her account. Supervisors must maintain proper documentation of credit hours through their established time accounting method. It is the employee's and supervisor's responsibility to zero out any credit time prior to employee transfer, or termination, or if the employee changes from a flexible schedule. Credit hours, not to exceed 24 hours total, shall be paid at the employee's current hourly rate when an employee is no longer subject to a flexible work schedule program or upon separation.

2.2.3.5. **(Added-DOBBINSARB)** Charges to Leave: There is no requirement for employees to use flexible hours for medical or dental appointments or other personal matters if the employee wishes to charge his time to other types of leave. An employee may choose to charge time off during flexible hours to the appropriate leave category or use credit time.

2.2.4. **(Added-DOBBINSARB)** Management/Supervisory Responsibilities:

2.2.4.1. **(Added-DOBBINSARB)** Management/supervisors are to determine the number and kinds of employees on duty during any hours of any given day to ensure that essential work is accomplished. Where appropriate, management/supervisor will determine minimum/maximum number of employees on any given tour of duty within any given work section. Management/supervisors may establish methods to track employee arrival and departure times.

2.2.4.2. **(Added-DOBBINSARB)** If the supervisor cannot approve an employee's schedule request, the employee and the supervisor will discuss possible alternatives. Supervisors will make every reasonable effort to honor an employee's request subject to constraints such as work requirements, mission impact, and safety.

2.2.4.3. **(Added-DOBBINSARB)** Management/supervisors may restrict an employee's choice of days off if it would adversely impact the section's mission accomplishment.

2.2.4.4. **(Added-DOBBINSARB)** Management/supervisors may withdraw or alter an AWS to meet organizational mission requirements or due to employee abuse.

2.2.4.5. **(Added-DOBBINSARB)** As relates to mission requirements, management/supervisors may request an employee change their approved schedule. The maximum possible advance notice will be given to all employees.

2.2.4.6. **(Added-DOBBINSARB)** Management/supervisors may exempt from the AWS any employee or groups of employees and/or restrict an employee's choice of arrival times if the participation in the program has had or is anticipated to: (1) have an adverse impact on the accomplishment of the mission; (2) incur additional cost; (3) disrupt an office's functions or (4) employee is not adhering to the AWS applicable rules and regulations. Nothing in the AWS program represents nor is intended as a relinquishment of any management right according to law and regulatory guidance. Unique missions requiring an uncommon tour of duty for one or more days will be documented by memo, signed by the appropriate group commander and placed with the employee's timecard.

2.2.4.7. **(Added-DOBBINSARB)** Management/supervisors determine the type of work schedule an employee will be on while TDY. If the AWS is changed for the TDY period, the employee has the option to revert to their former schedule upon return to home station starting the next pay period. Submission of a work schedule change request form for each instance prior to TDY and upon return.

2.2.4.8. **(Added-DOBBINSARB)** Management/supervisors should ensure that the Automated Time and Attendance Processing System (ATAAPS) and/or the AFRC Form 270, Timecard has been updated accurately and that all supporting documentation required has been submitted prior to the certification of the employee's time and attendance each pay period.

2.2.5. **(Added-DOBBINSARB)** Employee Responsibilities:

2.2.5.1. **(Added-DOBBINSARB)** Employees are to report to work on time and follow applicable rules and requirements in establishing a regularly scheduled tour of duty. Completion of a Work Schedule Change form is required at the beginning of

each new pay year, as well as anytime a change is requested. Work Schedule changes require the signature of the employee and supervisor.

2.2.5.2. **(Added-DOBBINSARB)** Maintain accurate accounting for time and attendance in the Automated Time and Attendance Processing System (ATAAPS). Requests for leave should be submitted through ATAAPS in advance. Instances requiring completion of leave requests after the fact, should be completed as soon as possible upon return to work.

2.2.5.2.1. **(Added-DOBBINSARB)** Air Reserve Technicians (ARTs) and civilian employees who have a military affiliation are required to maintain the AFRC Form 270, Timecard in addition to the update of ATAAPS. This timecard is used to accurately reflect hours worked, on leave or on military duty.

2.2.5.2.2. **(Added-DOBBINSARB)** At the end of each pay period, ARTs and other military affiliated employees should provide the completed AFRC Form 270, Timecard with all supporting documents to include requests for leave (OPM 71 printed from ATAAPS), certified/signed copies of AF Form 938, AF IMT 40A, AFRC Form 82, or other military duty documents as appropriate. All error codes indicated on the AFRC Form 270, Timecard must be cleared or written justification provided for audit purposes. Instances where civilian duty, leave and military requirements indicate an overlap of time worked, dual compensation may occur. These instances will be reviewed and corrected as soon as possible to avoid the payment of dual compensation.

2.2.6. **(Added-DOBBINSARB)** Timekeeper Responsibilities:

2.2.6.1. **(Added-DOBBINSARB)** Ensure a six-part timecard folder is maintained for each ART assigned, and all timecards are certified by the supervisor or designated representative. Timecards should be filed by quarter (PP 1-7, PP 8-14, PP 15-21, PP 22-26) in separate parts of the folder with the quarterly self-audit (QSA) documentation on top.

2.2.6.2. **(Added-DOBBINSARB)** Ensure that the master time history reports are printed from the Defense Civilian Payroll System (DCPS) by the following pay period verifying data input was correct and processed each pay period on all employees. Discrepancies between the master time history report and the AFRC 270, Timecard will be referred to the certifying official to be reconciled with the employee.

2.2.7. **(Added-DOBBINSARB)** The civilian personnel office, employee relations section retains oversight of the AWS program.

2.2.8. **(Added-DOBBINSARB)** The financial management office provides advice and assistance on matters relating to timecard submissions relative to this instruction.

2.3. Alternative Workplace Arrangements (AWA). Working under a flexiplace arrangement, either at home or other approved location(s), such as a telecommuting center (See **Attachment 2** for a sample agreement).

2.4. Basic Workweek. The days and hours of an administrative workweek which make up a full-time employee's regularly scheduled 40-hour workweek.

2.5. Compressed Schedule. Compressed schedule means for a full-time employee, an 80-hour biweekly basic work requirement which is scheduled in less than 10 workdays. In the case of a part-time employee, it is a biweekly basic work requirement of less than 80 hours which is scheduled for less than 10 workdays.

2.6. First 40-Hours. The first 40 hours of duty performed within a period of no more than six days of the administrative workweek may be established as the basic workweek when it is impractical to prescribe a regular schedule of definite hours of duty each workday.

2.7. Flexible Schedule. Flexible schedule is that portion of the work day during which the employee has the option to select and vary starting and stopping times within established limits set by installation level approving officials for AWS.

2.8. Holiday Work. Work performed on a legal holiday or the day observed as a holiday.

2.9. Observed Day. Observed day is a holiday in which employees are given time off on a day other than the date which the holiday actually falls on.

2.10. Part Time. In some circumstances it is not possible to obtain or use an employee's services for the full 40-hour workweek. Part time tours of duty may be authorized when service on a regular, repetitive basis is required at least one day during each administrative workweek, however, additional service may be required during the remainder of the administrative workweek.

2.11. Regular Tour of Duty. The regular tour of duty for Air Force employees is five 8-hour days, Monday through Friday.

2.12. Special Tour of Duty for Educational Purposes. A special tour of duty of no less than 40 hours in an administrative workweek which may be established by supervisors to permit employees to take courses at nearby educational institutions.

2.13. Standby. Certain types of work require employees to remain at their duty stations for long periods of duty, a substantial part of which is standby time. For example, the tour of duty for firefighters generally is a 72-hour workweek of three 24-hour days. The tour is scheduled so that the employee is on duty three alternate 24-hour shifts during each administrative workweek, and deviations from this tour are kept to a minimum. The basic weekly tour of duty for fire chiefs, assistant fire chiefs, fire prevention inspectors, and similar fire protection personnel is 40-hour workweek of five 8-hour days unless the duties of the position require substantial amounts of standby time.

2.14. Uncommon Tour of Duty. Any 40-hour basic workweek scheduled to include Saturday and or Sunday, for four workdays or less but not more than six days of the administrative workweek. An uncommon tour of duty may be established when necessary for efficient operations or when the cost of operations can thus be reduced without imposing undue hardship on employees.

3. Basic Authority:

3.1. Installation Commanders. Installation Commanders establish the hours for opening and closing the installation.

3.2. Organization and Tenant Commanders. Organization and tenant commanders establish by written order the daily hours for beginning and ending work and the basic 40-hour tour of

duty including uncommon tours of duty, alternative work schedules (AWS), hours and location(s) for alternative workplace arrangements (AWA), as well as rest and lunch periods for their respective organizations. Organization and tenant commanders or their designated representative should set work schedules, assign overtime and holiday work to balance mission requirements, efficiency and economy of operations, and employee needs. These determinations are subject to approval by the installation commander or his or her designated representative who has authority for operation of base facilities. NOTE: organization/tenant commanders set the hours and locations for AWS and AWA; MAJCOMs/FOAs/DRUs approve AWS and AWA programs, unless they delegate this authority to installation commanders as provided in **3.3**.

3.2.1. Organization and tenant commanders may also establish regularly scheduled tours of duty of more than 40 hours within the administrative workweek when such action is essential to mission accomplishment, and when other administrative action such as changes in authorized staffing or detail of personnel is neither feasible or desirable. Except under extraordinary circumstances, a tour of duty which includes regular overtime should not extend beyond 48 hours in an administrative workweek. Organization and tenant commanders may extend the regularly scheduled administrative workweek to any length exceeding 40 hours when emergency conditions exist and it is necessary for mission accomplishment. The extension of the tour of duty will be subject to the requirements of applicable laws and regulations.

3.3. Major Commands, Field Operating Activities and Direct Reporting Units. Major Commands (MAJCOM), field operating activities (FOA) and Direct Reporting Units (DRU) are authorized to approve AWS and AWA programs. MAJCOMs, FOAs or DRUs may delegate this authority to installation commanders

3.4. Supervisors. Supervisors will generally schedule employee's work on the same hours each day, and breaks in excess of one hour during a day will not be permitted. Supervisors must give a minimum of one week's notice to employees when they are to be assigned to a different tour of duty or to different hours of duty except as provided under AWS or for educational purposes.

3.4.1. Commanders may grant an exception to this requirement when circumstances preclude compliance, for example, when a change in shifts by a contractor requires immediate corresponding change in the tour of inspectors, or when normal operations are interrupted by events beyond the control of management, such as, fire, flood, breakdown of equipment. Commanders assure that changes in established work schedules are kept to a minimum and made only when necessary to resolve operational problems.

4. Tours of Duty:

4.1. Tours of Duty for Educational Purposes. Supervisors may establish special tours of duty for educational purposes.

4.1.1. Employees who are on special tours of duty for educational purposes cannot be paid premium pay solely because the rescheduling of his or her tour of duty causes him or her to work on a day, or during the hours of a day, when premium pay would otherwise be required.

4.1.2. Supervisors are not prohibited from assigning an employee to a regularly scheduled shift requiring premium pay, for example, night pay, since no additional costs are incurred. Supervisors must notify the civilian payroll office when an employee is assigned to or changed from a special tour of duty to prevent inadvertent payment of premium pay. Supervisors must maintain a record of these tours of duty for the purpose of responding to Office of Personnel Management (OPM) inquiries.

4.2. Posting Work Schedules. Supervisors must post copies of work schedules for all tours of duty, except regular Monday through Friday tours, which include the names of assigned employees in the work area. Supervisors must maintain a copy of employee's work schedules in their operating office. Supervisors:

4.2.1. Post a written statement of actual work requirements for standby tours of duty.

4.2.2. Give employees with regularly scheduled 60 or 72 hour standby tours of duty 30 calendar days notice of any reduction in the percentage of premium pay resulting from a change in work requirements.

4.2.3. Give employees with regularly scheduled 40-hour tours of duty plus scheduled standby time as much notice as possible when changing their duty schedule.

4.2.4. Review work requirements periodically for changes which may affect the payment of premium compensation and revise work schedules where necessary.

4.3. Scheduling Rest Periods. Supervisors may schedule short rest periods, not exceeding 15 minutes during each four hours of continuous work, when the supervisor believes the rest periods will be of benefit to the service. (NOTE: Supervisors must adhere to applicable labor management agreements if they contain provisions for the granting of rest periods.)

4.3.1. Criteria to be followed by supervisors in determining the justification for granting rest periods are:

4.3.1.1. Protection of employee's health by relieving them from hazardous work or very physical work.

4.3.1.2. Reduce the accident rate by removing the fatigue potential.

4.3.1.3. Relieve those who work in confined spaces.

4.3.1.4. Increasing or maintaining a high quality or quantity production.

4.4. Scheduling Lunch Periods. When supervisors schedule lunch (or other meal) periods, during which the employee is entirely free of the duties of his or her position, the period is not considered as duty time for which compensation is paid.

4.4.1. Supervisors will generally schedule time for lunch apart from the hours of duty when one or two shifts are in operation.

4.4.2. When supervisors schedule more than one 8-hour shift in a 24-hour period and an overlapping of shifts to permit time off for lunch is not possible, supervisors may authorize an on-the-job lunch period of 20 minutes or less. On-the-job lunch periods require that:

4.4.2.1. Employees spend their on-the-job lunch at or near their work stations. Under these conditions, the time covered by the 20 minute on-the-job lunch period is compensable.

4.4.2.2. Employees given duty free lunch periods during periods of overtime work will not receive compensation for that time.

4.5. Scheduling Make Ready and Clean-Up Time. Incidental duties that are directly connected with the performance of a job, such as obtaining and replacing working tools or materials, undergoing inspections, and similar tasks are considered part of the job requirements within the employee's established tour of duty. Supervisors must arrange work shifts so that time required for incidental duties will be part of the 8-hour day.

4.5.1. When incidental duties cannot be part of the regularly scheduled workday, the extra time for which overtime may be paid to an employee, will not exceed 30 minutes a day.

5. Holiday Observances:

5.1. Holiday Duty. Supervisors must not require employees to work on holidays or days designated as observed days, unless the work is justified by unusual circumstances or if the maintenance of usual essential services is involved.

5.1.1. Supervisors will order holiday work when required and have it approved in writing by an official designated to authorize holiday work. Supervisors must obtain this approval before work is performed, except in cases of an emergency, because it constitutes authority for expenditure of funds and certification that funds are available to pay the employee. Supervisors ordering work on a holiday or employees required to remain on duty during an emergency will not require advance approval for the work. Supervisors must record the reasons for the holiday and the hours worked by the employees no later than the following workday. This requirement does not apply to tours of duty regularly scheduled on a holiday or observed day for employees engaged in essential services such as firefighters, police, hospital employees, or other service personnel. The supervisor will record holiday work on an AF Form 428, Request for Overtime, Holiday Premium Pay, and Compensatory Time.

5.2. Observed Day. When a holiday falls on a regularly scheduled workday, observe that day as the holiday. If a holiday falls on Sunday and the employee has a regularly scheduled 40-hour basic workweek of Monday through Friday, the employee will observe the following Monday as the holiday. When the holiday falls on Saturday, the employee will observe the holiday on the proceeding Friday.

5.2.1. When a holiday falls on a Sunday and that Sunday is a nonworkday for employees with a regularly scheduled 40-hour basic workweek of other than Monday through Friday, observe the next regularly scheduled workday as the holiday.

5.2.1.1. When a holiday falls on the nonworkday designated as the day in-lieu-of Sunday, observe the next regularly scheduled workday as a holiday. When a holiday or a designated observed day falls on an employee's nonworkday (Monday through Saturday), the workday immediately preceding the day is observed as the holiday.

5.2.2. Deleted

5.3. Deleted

5.4. When full-time employees on a compressed work schedule are relieved or prevented from working on a day designated as a holiday, they are entitled to basic pay for the number of hours of the compressed work schedule on that day.

5.5. Holiday observances for employees who work a flexible schedule are the same as those for full-time employees with a regularly scheduled 40-hour basic workweek.

5.6. When a holiday falls on a part-time employee's regularly scheduled workday, the employee is entitled to be excused with pay for the number of hours he or she is scheduled to work on the actual day of the holiday.

5.6.1. If full-time employees observe an "in-lieu-of" day instead of the actual holiday and that "in-lieu-of" day falls within a part-time employee's work schedule, the part-time employee will not get that day off with pay.

5.6.2. When a holiday is observed by full-time employees on a day within the part-time employee's regularly scheduled workweek and the part-time employee is prevented from working that day, the employee is entitled to be excused with pay for the number of hours he or she is scheduled to work on that day.

5.6.3. When a holiday falls on a part-time employee's nonworkday and is observed by full-time employees that day, the employee is not entitled to the holiday.

5.6.4. When a part-time employee is on a flexible schedule and is relieved or prevented from working on a day designated as a holiday by a Federal statute or Executive Order (E.O.), the employee is entitled to receive basic pay for the number of hours the employee would have worked on that holiday up to eight hours.

5.6.5. When a holiday falls on a nonworkday, the employee is not entitled to an "in-lieu of" day for that holiday.

5.6.6. When a part-time employee is on a compressed work schedule and is relieved or prevented from working on a day within the employee's scheduled tour of duty that is designated as a holiday by Federal statute or E.O., the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day.

5.6.7. When a part-time employee is on a compressed work schedule and a holiday falls on a nonworkday, the employee is not entitled to an "in-lieu-of" day for that holiday.

5.7. Duration of Holiday. The full 24-hours of a calendar day are normally considered as the duration of a holiday. However, when an employee's regular workday begins on a holiday and extends into the next calendar day, the entire shift is considered as a holiday to determine the employee's entitlement to holiday premium pay or time off for observance of the holiday. If an employee's regularly scheduled tour of duty includes two shifts beginning on a holiday, the first shift is considered as a holiday to determine holiday benefits.

ALTERNATIVE WORKPLACE ARRANGEMENTS (AWA)

A2.1. REASONS FOR AWA. Employers offer alternative workplace arrangements for many reasons. Such arrangements may:

A2.1.1. Improve the quality of work life and job performance and increases productivity, e.g., reduce office overcrowding and provide a distraction-free environment for reading, analyzing and writing;

A2.1.2. Improve morale and reduces stress by giving employees more options to balance work and family demands;

A2.1.3. Increase customer access to needed services;

A2.1.4. Provide services when the regular office is closed;

A2.1.5. Extend employment opportunities to people with disabilities, including employees who have partially recovered from work-related injuries who can do the job from an off-site location;

A2.1.6. Accommodate employees who have temporary or continuing health problems or who might otherwise have to retire on disability;

A2.1.7. Potentially enhance recruitment and promote diversity by expanding the geographic recruitment pool; and

A2.1.8. Decrease traffic and parking congestion, energy consumption and air pollution.

A2.2. Organizations planning to use AWA should address issues such as the following: work assignment/performance requirements, time and attendance, work schedule and tour of duty, duty station, leave, equipment/supplies, labor relations issues, and other related work arrangement requirements.

A2.3. Sample Agreement Between Organization, Supervisor, And Employee Approved For An Alternative Workplace Arrangement On A Continuing Basis: The supervisor and employee should each keep a copy of the agreement for reference.

Organization_____ Employee_____

Voluntary Participation. (Name)_____, the employee, voluntarily agrees to work at the approved alternative workplace indicated below and to follow all applicable work-related policies and procedures. The employee recognizes that the flexiplace arrangement is not an employee benefit or entitlement, but an additional method the organization may approve to accomplish work.

Trial Period. The employee and organization agree to try out the arrangement for at least (specify number) months unless unforeseeable difficulties require earlier cancellation.

Salary and Benefits. Unless there is a change in the actual number of hours worked, a flexiplace arrangement in itself is not a basis for changing the employee's salary or benefits.

Duty Station and Alternative Workplace. The organization and employee agree that the employee's official duty station is (indicate duty station for regular office) and that the employee's approved alternative work place is: (specify street and number, City and State). NOTE: All pay, leave and travel entitlements are based on the official duty station.

Official Duties. Unless otherwise instructed, employee agrees to perform official duties only at the regular or approved alternative workplace. Employee agrees not to conduct personal business while in official duty status at the alternative workplace, e.g., caring for dependents or making home repairs.

Work Schedule and Tour of Duty. The organization and employee agree the employee's official tour of duty will be: (specify days, hours and location, i.e., the regular office or the alternative workplace).

Time and Attendance. The organization agrees to ensure that the employee's timekeeper has a copy of the employee's work schedule. The supervisor agrees to certify biweekly the time and attendance for hours worked at the regular office and the alternative workplace. NOTE: The organization may require the employee to complete a self-certification form.

Leave. Employee agrees to follow established organization/office procedures for requesting and obtaining approval of leave.

Overtime. Employee agrees to work overtime only when ordered and approved by the supervisor in advance, and understands that working overtime without such approval may result in termination of the flexiplace privilege and/or other appropriate action.

Equipment/Supplies. Employee agrees to protect any government-owned equipment and to use the equipment only for official purposes. The organization agrees to install, service and maintain any Government-owned equipment issued to the flexiplace employee. The employee agrees to install, service and maintain any personal equipment used. The organization agrees to provide the employee with all necessary office supplies and also reimburse the employee for business-related long-distance telephone calls (see AFI 33-111, paragraph 7.2. regarding telecommunication service, and AFI 33-112, paragraph 19.5. regarding computer equipment in the alternative worksite).

Security. If the Government provides computer equipment for the alternative workplace, the employee agrees to the following security provisions: (insert organization-specific language).

Liability. The employee understands that the Government will not be liable for damages to an employee's personal or real property while the employee is working at the approved alternative workplace, except to the extent the Government is held liable by the Federal Tort Claims Act or the Military Personnel and Civilian Employees Claims Act.

Work Area. The employee agrees to provide a work area adequate for performance of official duties.

Worksite Inspection. The employee agrees to permit the Government to inspect the alternative work place during the employee's normal working hours to ensure proper maintenance of Government-owned property and conformance with safety standards. (Organizations may require employees to complete a self-certification safety checklist).

Alternative Workplace Costs. The employee understands that the Government will not be responsible for any operating costs that are associated with the employee using his or her home as an alternative worksite, e.g., home maintenance, insurance or utilities. The employee understands he or she does not relinquish any entitlement to reimbursement for authorized expenses incurred while conducting business for the Government, as provided for by statute and regulations.

Injury Compensation. The employee understands that he or she is covered under the Federal Employees Compensation Act if injured in the course of actually performing official duties at the regular office or the alternative worksite. The employee agrees to notify the supervisor immediately of any accident or injury that occurs at the alternative workplace and to complete any required forms. The supervisor agrees to investigate such a report immediately.

Work Assignments/Performance. Work requirements are developed as a joint effort between the employee and supervisor, but the supervisor makes the final decision about requirements. The employee agrees to complete all assigned work according to procedures established by the supervisor and according to guidelines and standards in the employee's performance plan. The employee agrees to provide regular reports if required by the supervisor to help judge performance. The employee understands that a decline in performance may be grounds for canceling the alternative workplace arrangement.

Disclosure. Employee agrees to protect Government/organization records from unauthorized disclosure or damage and will comply with requirements of the Privacy Act of 1974, 5 U.S.C. 552a.

Standards of Conduct. Employee agrees he or she is bound by Government/organization standards of conduct while working at the alternative worksite.

Labor Relations. All appropriate bargaining obligations have been, or will be, met prior to implementing this agreement.

Cancellation. The organization agrees to let the employee resume his or her regular schedule at the regular office after notice to the supervisor. Employee understands that the organization may cancel the flexiplace arrangement and instruct the employee to resume working at the regular office. The organization agrees to follow any applicable administrative or negotiated procedures.

Other Action. Nothing in this agreement precludes the organization from taking any appropriate disciplinary or adverse action against an employee who fails to comply with the provisions of this agreement.

TEXT OF IC 99-1

SUMMARY OF REVISIONS This revision incorporates IC 99-1 and adds the definition of alternative workplace arrangement (AWA) as paragraph **2.3**, (re-numbering the remaining terms and definitions in paragraph **2**.), and authorizes MAJCOMs, FOAs or DRUs to establish alternative workplace arrangement (AWA) programs. MAJCOMs, FOAs or DRUs may delegate this authority to installation commanders (para **3.3**). Organization and tenant commanders establish by written order the daily hours for beginning and ending work and the basic 40-hour tour of duty, including uncommon tours of duty, alternative work schedules (AWS), hours and location(s) for alternative workplace arrangements (AWA), as well as rest and lunch periods for their respective organizations (para **3.2**). IC 99-1 assigns numbers to material in paragraphs **4.2**, **4.3**, and **4.4** which had previously been listed with bullets, and adds **Attachment 2**, with information and a sample AWA agreement for supervisors and employees. Changed or revised material is indicated by a bar (|). The entire text of IC 99-1 is at **Attachment 3**.

2.3. Alternative Workplace Arrangements (AWA). Working under a flexiplace arrangement, either at home or other approved location(s), such as a telecommuting center (See **Attachment 2** for a sample agreement).

3.2. Organization and Tenant Commanders. Organization and tenant commanders establish by written order the daily hours for beginning and ending work and the basic 40-hour tour of duty including uncommon tours of duty, alternative work schedules (AWS), hours and location(s) for alternative workplace arrangements (AWA), as well as rest and lunch periods for their respective organizations. Organization and tenant commanders or their designated representative should set work schedules, assign overtime and holiday work to balance mission requirements, efficiency and economy of operations, and employee needs. These determinations are subject to approval by the installation commander or his or her designated representative who has authority for operation of base facilities. NOTE: organization/tenant commanders set the hours and locations for AWS and AWA; MAJCOMs/FOAs/DRUs approve AWS and AWA programs, unless they delegate this authority to installation commanders as provided in **3.3**

3.3. Major Commands, Field Operating Activities and Direct Reporting Units. Major Commands (MAJCOM), field operating activities (FOA) and Direct Reporting Units (DRU) are authorized to approve AWS and AWA programs. MAJCOMs, FOAs or DRUs may delegate this authority to installation commanders.
