This Edwards Air Force Base Instruction (EDWARDSAFBI) implements AFMAN 32-7003, *Environmental Conservation*, and the Edwards AFB *Integrated Natural Resources Management Plan* (INRMP). It provides informational guidance on all permitted hunting and fishing activities conducted on Edwards AFB beyond restrictions outlined in California State Regulations. It applies to all persons who hunt and fish on Edwards AFB (Attachment 1). This instruction does not require tiers at or below the Wing level. Waiver authority for this instruction is the 412th Test Wing Commander. This publication may be supplemented or further implemented/extended. Refer recommended changes and questions about this publication to the OPR listed above using the Air Force Form 847, *Recommendation for Change of Publication*; route Air Force Forms 847 from the field through the appropriate chain of command. Ensure that all records created as a result of processes prescribed in this publication are maintained in accordance with (IAW) AFI 33-322, *Records Management and Information Governance Program*, and disposed of IAW the Air Force Records Disposition Schedule (RDS). The use of the name or mark of any specific manufacturer, commercial product, commodity, or service in this publication does not imply endorsement by the Air Force.

SUMMARY OF CHANGES

This document has been substantially revised and must be completely reviewed. Major changes include, added a hold harmless acknowledgement requirement prior to purchasing a permit on the Edwards AFB's iSportsman website. Also added an additional priority level to separate active-duty volunteers from 100% disabled veterans and Medal of Honor recipients. Fully integrated

online permit system for duck blind drawing, forms, and other items. Added language about watercraft and decoy requirements and limitations. Clarified language on mobility impaired blind eligibility. Specifically addressed Youth Hunt and Veteran hunt dates to the Sunday of the State of California dedicated weekend. Specified time personnel can hold onto then reject a hunting blind without penalties. Addressed the collection, harm, harassment, depredation, etc. of other wildlife not specified in this instruction for recreational hunting or fishing. Added language that Edwards AFB will not be liable for lost, stolen, or damaged personal property left on the premises.

Chapter 1

ROLES AND RESPONSIBILITIES

1.1. 412th Test Wing Commander (412 TW/CC).

1.1.1. Controls hunting and fishing activities.

1.1.2. Authorizes special events and any other requests falling under these regulations.

1.1.3. Authorizes temporary waivers and/or restrictions to this regulation when such action is consistent with applicable Federal, State and/or Air Force regulations.

1.1.4. Suspends or revokes installation hunting and/or fishing privileges for those found violating Federal, State or installation wildlife laws or regulations.

1.2. 412th Civil Engineer Group, Environmental Management Division (412 CEG/CEV).

1.2.1. Confers with the United States Fish and Wildlife Service (USFWS) and the California Department of Fish and Wildlife (CDFW) to ensure compliance with applicable Federal and State laws.

1.2.2. Manages web-based permit sales system, Edwards AFB's iSportsman (**www.edwards.isportsman.net**), where permit and blind reservations are purchased, check-in/out services are located, duck blind drawing is run, and where forms and other resources are made available.

1.2.3. Manages the use of funds deposited into the Natural Resources Reimbursable Fish and Wildlife Fund that are received from the purchase of hunting and fishing permits and duck blind reservations.

1.2.4. Conducts field oversight and hunting/fishing program implementation.

1.2.5. Ensures individuals that do not have valid base access will be vetted through the Visitor Control Center SharePoint site on a Visitor Authorization List provided to the Visitor Control Center.

1.3. 412th Security Forces Squadron (412 SFS).

1.3.1. The 412 SFS is the law enforcement agency for Edwards AFB and enforces Federal laws and Air Force and base-level regulations.

1.3.2. If a citizen's complaint is received, Security Forces will determine whether to dispatch a patrol to investigate the incident. In addition, the 412 CEG/CEV or other conservation law enforcement officers (to include CDFW game wardens and USFWS Federal Wildlife Officers (FWO)) may be notified to respond to assess the situation and take appropriate action.

1.3.3. Authorized personnel who will be enforcing fish, wildlife and natural resources laws on Edwards AFB lands must receive specialized, professional training in compliance with the Sikes Act. The Commander can designate military personnel as "fish and wildlife law enforcement officers" on Edwards AFB, who can enforce all Federal, State, and military natural and cultural resources laws, only if those persons have been certified in conservation

law enforcement through the successful completion of the Land Management Police Training course at the Federal Law Enforcement Training Center or have been commissioned as a fish and wildlife conservation officer in the State of California or an FWO. Individuals who do not possess these certifications can supplement fish and wildlife law enforcement under the direct supervision of certified personnel.

1.3.4. Coordinates with CDFW game wardens and/or FWOs who are authorized to assist Edwards AFB with enforcement of hunting and fishing regulations through Memorandums of Understanding.

Chapter 2

Chapter 3

GENERAL HUNTING PROVISIONS

3.1. CDFW laws and special installation hunting rules apply on Edwards AFB.

3.2. All people who hunt on Edwards AFB must. Carry valid government issued picture ID. Hunters, 16 years of age or older, must carry an Edwards AFB Hunting Permit (iSportsman permit print-out) and a California State hunting license. If hunting waterfowl, Federal and California State Duck Stamps are also required.

3.3. It is mandatory that. A full report be made immediately by hunters to the 412 SFS of any incident resulting in personal safety violations, or damage to property, signs, vehicles, etc. 412 SFS can be reached at 661-277-3340.

3.4. Persons authorized to hunt on Edwards AFB.

3.4.1. Active duty and retired military members and their dependents.

3.4.2. Current and retired employees of the Department of Defense, tenant organizations, and contractor employees assigned to Edwards AFB, and their dependents.

3.4.3. Dependents, covered under paragraphs **3.4.1 and 3.4.2**, under 16 years of age who are accompanied by a sponsor who has the proper permits. The sponsor is responsible for the conduct of the dependent.

3.4.4. Authorized members of the public for waterfowl hunting only.

3.5. Wildlife not specifically mentioned and authorized within this instruction. Will not be hunted, or collected.

Chapter 4

AUTHORIZED HUNTING AREAS

4.1. Authorized hunting areas are provided in this regulation (Attachment 3). Hunting on Edwards AFB is allowed only in these areas. Hunters may be authorized access to all hunting areas for legitimate hunting-related activities, such as scouting out hunting opportunities, tracking animal movements, volunteer activities, or duck blind construction/repair. Public hunting is only allowed at the Piute Ponds Complex for authorized individuals from designated duck blind locations. Access to Rosamond Dry Lake is not permitted.

4.2. Hunting areas are off limits to all personnel not specifically authorized except. The 412 SFS, State and FWOs, 412 CEG/CEV personnel and contractors, Emergency Response Teams, Outdoor Recreation personnel, and personnel engaged in legal hunting activities, and such other persons designated by or acting under the direction of the 412th Test Wing Commander or their command staff.

Chapter 5

SPECIAL HUNTING RULES AND RESTRICTIONS FOR EDWARDS AFB

5.1. Hunting Days and Hours Authorized.

5.1.1. Waterfowl hunting is permitted only within the Piute Ponds Complex at designated blind locations. Waterfowl hunting is authorized at the times listed in the State regulations: on Sundays, Wednesdays, Federal holidays (with the exception of Thanksgiving and Christmas) and on the first Saturday of the duck-hunting season. When there is a split season for ducks, and the second split opens on a Saturday, hunting will be authorized on the opening Saturday. A Waterfowl Youth Hunt and Veteran's Hunt will be held in accordance with State of California regulations on the Sunday of the authorized weekend hunts. Waterfowl hunting will not be authorized on Edwards AFB prior to the first (opening) weekend for ducks as established by the CDFW.

5.1.2. Dove, quail, chukar, and rabbit hunting is permitted during the days and hours posted in the State regulations within Area 1 (Bissell Hills) and Area 2 (Mesquite Woodlands). Dove hunting is permitted in hunting Area 1 (Bissell Hills) and Area 2 (Mesquite Woodlands) during the early and late season should they both be authorized by CDFW.

5.1.3. Archery hunting is allowed for rabbit only in Area 2 (Mesquite Woodlands).

5.1.4. Military missions may require further limitation. To avoid inconvenience, it is incumbent on the hunter to check the "News" tab and/or the interactive map on the Edward AFB's iSportsman website prior to leaving for hunting areas to make sure the hunting areas are open for use.

5.1.5. The CDFW publishes hunting season dates, starting times for shooting and daily bag limits and possession limits for waterfowl and upland game.

5.1.6. All persons that hunt and or fish on Edwards AFB are required to check into their hunting or fishing areas prior to beginning their recreational activities and check out when the activity is completed each day using Edward AFB's iSportsman website.

5.2. Waterfowl Hunting Rules.

5.2.1. Duck Blind Sales.

5.2.1.1. A duck blind reservation is required to reserve a permanent location for the duration of the duck hunting season (**Attachment 2**). On authorized hunting days, the duck blind reservation holders control the use of their blind when either reservation holder occupies the blind.

5.2.1.2. At least one blind will be designated as a mobility impaired blind for use by mobility impaired individuals. Eligibility for the blind(s) is determined through documentation of disability. Documentation can be provided in the form of a doctor's note, disability paperwork (such as the Veteran's Affairs Office), or from the California Department of Motor Vehicles that allows a disability license/placard.

5.2.1.3. The 412 CEG/CEV will conduct the annual duck blind drawing.

5.2.1.4. Drawings for the duck blinds will be conducted online through Edwards AFB's iSportsman web platform on a date, and time designated by the 412 CEG/CEV. An announcement will be provided in advance of the drawing by e-mail or other public media.

5.2.1.5. Purchase of a duck blind reservation and location is no guarantee by Edwards AFB that there will be water at that location during the waterfowl hunting season. After being purchased, no refunds for blind reservation fees are authorized.

5.2.1.6. Hunters will be required to check an acknowledgement authorizing release of their telephone number and e-mail to Edwards AFB's hunting community so that others may contact them for permission to use their blind.

5.2.2. Within the waterfowl hunting area, all shooting must be conducted from within a blind at a designated blind location. The use of temporary blinds will not be permitted. Hunters will not move permanent blinds or designated blind locations, without written permission from the 412CEG/CEV. Hunters will not erect additional blinds not authorized in the designated locations assigned during the duck blind drawing.

5.2.3. Jump shooting is not allowed at any time, which includes to and from blinds to retrieve harvested birds, unless it is to dispatch a bird that they wounded.

5.2.4. No more than four people are allowed in a blind at any one time.

5.2.5. Any Edwards AFB hunting permit holder with proper State and Federal licenses and stamps may use unoccupied blinds; however, individuals should secure the duck blind reservation holder's permission before the morning of the hunt. Contact information of reservation holders will be available for individuals making use of a blind. Individuals making use of a blind, who have not secured permission to do so, must leave at the request of the reservation holder.

5.2.6. When making use of another individual's duck blind, the blind and any decoys must be left as they were found. Another hunter's equipment shall not be used unless given expressed permission from the owner.

5.2.7. All persons, when hunting waterfowl on Edwards AFB, will have a means and make a reasonable effort to retrieve wounded birds and retain it in his/her custody until they have arrived at their personal abode or a migratory bird preservation facility.

5.2.8. Hunters must leave at least one intact wing on each bird harvested for proper identification by law enforcement officials and 412 CEG/CEV representatives. If a hunter chooses to clean their birds on site, all feathers and removed body parts must be bagged and disposed of properly.

5.2.8.1. Hunters are required to stop (to check in and out of the area) at hunter check stations when present and in use. Hunters are required to fill out the online questionnaire when checking out on the Edwards AFB's iSportsman website. If the website is unavailable, the hunter must fill out the Hunter Survey Form 6014 and can email it to **412ceg.ceva.naturalresources@us.af.mil** or mail it to the 412 CEG/CEV (120 N. Rosamond Blvd, Suite A, Edwards AFB, CA 93524) within one week of the hunting day. All forms are located on the Edwards AFB's iSportsman website and in a cannister at Avenue C, just east of the "Welcome to Piute" sign. The hunter check station, when in use, is located at the Avenue C and Shuttle Road entry to the Piute Ponds Complex.

5.2.8.2. Hunters must be in their blinds a minimum of 30 minutes before the starting time for shooting. Driving on any roads or dikes is not authorized from one hour prior to shoot time to 0900. Hunters are required to stay in blinds and off dikes until 0900. Late arrivals may disrupt hunting and place the individual in the line of fire from the next blind; therefore, late arrivals will be turned away until after 0900.

5.2.9. Indiscriminate walking and loud talking/noise making in hunting areas is not permitted.

5.2.10. Only authorized personnel are allowed to control the flow and level of water in the waterfowl hunting areas. Unauthorized tampering with water flow control devices may result in hunting closures.

5.2.11. Hunters will retrieve downed birds as soon as possible with as little interference to other hunters as feasible. Hunters are encouraged to use dogs; however, they must be kept under control at all times. Repeat issues with a dog misbehaving may result in the dog being barred from the property. Dog feces will be picked up, removed, and disposed of properly offsite.

5.2.12. Duck Blind Maintenance, Construction, and Inspection

5.2.12.1. Duck blind reservation holders are responsible for constructing and maintaining a blind in the permanent numbered location they purchased. All debris removed from the duck blind location during construction and maintenance must be removed the same day from the Piute Ponds Complex and disposed of properly. Purchasing a blind reservation is a commitment to provide the necessary materials and do the necessary work to construct and/or maintain the blind in an acceptable condition. Relocating the blinds without approval from the 412 CEG/CEV is prohibited.

5.2.12.1.1. Duck blinds should blend as much as possible into the surrounding area.

5.2.12.1.2. Duck blind reservation holders are responsible for cutting pond frontage (cattails, bulrushes, Bassia, and other aquatic vegetation), if they feel it is necessary, around their blinds. Vegetation removal around the blind or to access a blind must be reviewed and approved by the 412 CEG/CEV prior to any vegetation removal or ground disturbance. Driving off established roads to reach a blind is strictly prohibited. Ground disturbance activities without pre-approval may be grounds for revocation of hunting privileges.

5.2.12.1.3. Duck blinds must be ready for preliminary inspection three weeks before opening day unless the date is extended in writing by the 412 CEG/CEV. The 412 CEG/CEV will conduct duck blind inspections as needed. The 412 CEG/CEV will notify blind reservation holders if a blind is unacceptable, located in the incorrect location, or if repairs need to be made. All repairs and moves will be completed and final inspection will be made within two weeks of unacceptable or repair notice. Any blind failing to pass final inspection will be grounds to revoke an individual’s blind reservation.

5.2.13. If decoys are utilized around a blind, they shall follow seasonal restrictions outlined by CDFW. All decoys shall be labeled with owner's name and shall not be placed in such an array as to prevent travel within the ponds. Decoys shall be tethered or weighted to prevent long-distance travel from the area in which they were placed. All decoys and other hunting paraphernalia shall be free of any water or debris (such as mud, vegetation, or invertebrates) prior to being brought onto or leaving Edwards AFB.

5.2.14. All decoys, watercraft, and other hunting paraphernalia must be removed from the waterfowl hunting area within two weeks after the close of waterfowl season. The duck blinds must be cleared of all garbage and shell casings after each hunting day during the waterfowl season. Blind reservation holders are responsible for the cleanup. There may be an inspection by the 412 CEG/CEV or designated volunteers two weeks after the hunting season. Failure to pass inspection may result in revoking privileges of owning a blind for the next waterfowl season.

5.2.15. Duck blind reservation holders who have their blind revoked will forfeit their blind fee and no refund will be made. The blind will then be issued to the first individual on a waiting list developed from names drawn at the blind drawing for which no blinds were available or subsequent inquiries after the blind drawing was completed.

5.3. Edwards AFB Firearm Use Restrictions.

5.3.1. The only firearm authorized for use and possession while hunting is a shotgun. Hunters must follow the California State regulations for the size and type of non-toxic shot to be used. A hunter shall not possess more than 25 shot shells while in the field.

5.3.2. No one will carry a loaded firearm in a vehicle, or shoot from within or upon any vehicle, whether moving or stationary (loaded firearm meaning an unexpended cartridge in a chamber or in a magazine, which is attached to the firearm).

5.3.3. No one will shoot any firearm towards or within 150 yards of any occupied building, dwelling, fenced developed area, or across a public or installation road (to include all access roads around the Piute Ponds Complex) or highway.

5.3.4. Waterfowl hunters may not shoot directly at adjacent blinds.

5.3.5. Hunters within 200 yards of the Piute Ponds Complex waterfowl camping area are prohibited from shooting in that direction.

5.3.6. While hunting on the installation, the use or possession of alcoholic beverages is prohibited.

5.3.7. Recreational target practice is not authorized on Edwards AFB.

5.3.8. Falconry hunting is prohibited.

5.3.9. Archery equipment used will be in accordance with the State regulations. Crossbows are prohibited.

5.4. Edwards AFB Transportation of Firearms.

5.4.1. At the Piute Ponds Complex, privately owned weapons will be transported in a motor vehicle via Avenue C from the Avenue C padlock gate at the base boundary or via Shuttle Road from Rosamond Boulevard when entering and exiting the area during hunting season. Access to the Piute Ponds Complex is not currently permitted at the East Avenue E/10th Street intersection. Personnel transporting privately owned weapons for hunting at the Piute Ponds Complex must always have a current Edwards AFB hunting permit (iSportsman permit print-out or digital copy that is readily accessible) in their possession (see **paragraph 1.2.2**.).

5.4.2. In all areas except the Piute Ponds Complex, privately owned weapons may be transported in a motor vehicle only when driving directly between the Edwards AFB gates, Army and Air Force Exchange Service facilities, Military Family Housing and/or the 412 SFS armory, and the authorized hunting areas. Hunters who are authorized access to Edwards AFB must check in at the installation entry gate when transporting privately owned weapons and must have a valid Edwards Hunting and Fishing Permit (iSportsman permit print-out or digital copy that is readily accessible). For military housing residents or privately owned weapons stored in the 412 SFS armory, personnel must have a copy of their Air Force Form 1314 in their possession.

5.4.3. Transportation of loaded firearms is prohibited. Ammunition will be stored in a separate area of the vehicle away from the firearm.

5.4.4. Firearms will be transported in the trunk compartment of the vehicle. If the motor vehicle has no trunk compartment, the firearm must be kept out of reach, behind the seat or in a gun rack.

5.4.5. Motor vehicles containing firearms must not be left unattended at any time.

5.5. Required Forms and Reporting.

5.5.1. Each hunter must check-in and check-out daily using the online Edwards AFB's iSportsman website Check-in/Check-out feature. Failure to check-in and check-out as required by this instruction may result in the revocation of an individual's hunting privileges.

5.5.2. Each member of a hunting party must complete an Edwards AFB's online harvest questionnaire, located on the iSportsman website, immediately after each hunt day when checking out of the area. If the website cannot be accessed, a Hunter Survey Form 6014 may be filled out for each party after each hunt day. The completed Form 6014 will be turned in to the 412 CEG/CEV within one week of the hunting day via email (**412ceg.ceva.naturalresources@us.af.mil**) or through the postal service (120 N. Rosamond Blvd, Suite A, Edwards AFB, CA 93524). Completion of the Hunter Survey Questionnaires/Form 6014 are needed for monitoring recreation use and harvest levels. Failure to fill out the online questionnaire when checking out on the Edwards AFB's iSportsman website or complete Form 6014, as required by this instruction, may result in the revocation of an individual's hunting privileges. Copies of Hunter Survey Form 6014 may be obtained at the 412 CEG/CEV office, the cannister at Avenue C and Division adjacent to the "Welcome to Piute Ponds" sign, or on the Edwards AFB's iSportsman website.

5.5.3. All motor vehicles used by hunters while hunting on Edwards AFB will display Edwards AFB Hunter's Vehicle Identification Form 6013. An Edwards AFB Form 6013 will be available on the Edwards AFB's iSportsman website, 412 CEG/CEV office, or the cannister at Avenue C and Division adjacent to the "Welcome to Piute Ponds" sign. The Form 6013 is needed to ensure hunter safety and installation security.

5.6. Vehicle Use Restrictions.

5.6.1. Vehicles must remain on existing roads. Off road travel is prohibited.

5.6.2. Dry lake areas are off limits to hunters and vehicle traffic.

5.6.3. All waterfowl hunters using Hunting Area 3 (Piute Ponds Complex) must park their cars in authorized areas.

5.6.4. On authorized hunting days in waterfowl hunting areas, driving on all access roads within the complex with motor vehicles is prohibited from 1 hour prior to the start time listed in the State waterfowl hunting regulation until 0900.

5.7. The use of a non-motorized watercraft within the Piute Ponds Complex is allowed only. During waterfowl hunting season to access duck blinds, retrieve fallen ducks or geese harvested, or through written permission from the 412 CEG/CEV. All watercraft must have the name and contact information of the owner clearly visible on it. All watercraft shall be cleaned and free of any debris and water from outside sources (i.e., mud, vegetation, invertebrates, etc.) prior to being brought onto and leaving Edwards AFB. All persons using watercraft must wear a life vest that is approved by the United States Coast Guard. When not in use, watercraft and other hunting equipment must be placed in a safe location off the road so that it does not impede vehicular travel or damage sensitive resources. Edwards AFB is not liable for any damage to personal property or theft of personal property left unattended within the Piute Ponds Complex.

5.8. Camping.

5.8.1. Camping in Hunting Area 3 (Piute Ponds Complex) will be allowed only within the area designated in this instruction, and only on nights prior to hunting days.

5.8.2. No open fires will be permitted except while camping, and then only the use of gas or charcoal grills is permitted. Grills will never be left unattended while in use.

5.8.3. Camping areas must be kept free of trash.

5.8.4. Campers are required to check in/out of the hunter check station when present and in use.

Chapter 6

GENERAL FISHING PROVISIONS

6.1. CDFW laws will be applied on Edwards AFB. Except where further limited by special fishing rules outlined below.

6.2. All people who fish on Edwards AFB must carry a valid government issued picture ID. All individuals 16 and older must carry a valid Edwards AFB Fishing Permit (iSportsman permit print-out or readily accessible digital copy) and a California State Fishing License in immediate possession while engaging in fishing.

6.3. Persons authorized to fish on Edwards AFB.

6.3.1. Active duty and retired military members and their dependents.

6.3.2. Current and retired employees of the Department of Defense, current tenant organizations, and current contractor employees assigned to Edwards AFB, and their dependents.

6.3.3. Dependents under 16 years of age who are accompanied by a sponsor who has the proper permits. The sponsor is responsible for the conduct of the dependent.

6.4. Non-motorized watercraft use is permitted at the Branch Memorial Park Pond. All persons using watercraft must wear a life vest that is approved by the United States Coast Guard. All watercraft must have the name and contact information of the owner clearly visible on it. All watercraft shall be cleaned and free of any debris and water from outside sources (i.e., mud, vegetation, invertebrates, etc.) prior to being brought onto or leaving Edward's AFB. Only two boats are allowed on the water at the same time. If other anglers are waiting to use their boats, the maximum time allowed on the water for any boat is two hours. There is no limit on the number of persons using individual floating waders.

6.5. Only personnel authorized by the 412 CEG/CEV will. Transport live fish for stocking purposes on Edwards AFB.

6.6. Anglers will report immediately to 412 SFS. Any incident resulting in risk to personal safety, or damage to property, signs, vehicles, etc.

Chapter 7

FISHING RESTRICTIONS FOR EDWARDS AFB

7.1. People who are authorized to fish on Edwards AFB are limited to. The use of one rod and reel, one pole and line, or one hand-held line that must be under the immediate control of the person fishing. There is a limit of one hook per line.

7.2. No fish hatchery feed is permitted except when used by the 412 CEG/CEV.

7.3. The daily limit per person is three fish per day. Anglers catching catfish less than 10 inches in length and bass less than 12 inches in length will release these back into the pond. Capture of "bait fish" (small fish used to bait larger fish) is not permitted.

7.4. Fishing in the authorized area (Branch Memorial Park Pond). Will be allowed all year, during daylight hours, except when the pond is temporarily closed for stocking. The 412 CEG/CEV will post signs and/or send out notifications for any pond closures.

7.5. Swimming, by humans or animals, in Branch Memorial Park Pond is prohibited.

7.6. Lead-sinkers are not authorized for use at Branch Memorial Park Pond.

7.7. Each angler must check-in and check-out daily using the online Edwards AFB's iSportsman website Check-in/Check-out feature. Failure to check-in and check-out as required by this instruction may result in the revocation of an individual's fishing privileges.

7.8. Each angler is required to immediately fill out the online questionnaire. Located on Edwards AFB's iSportsman website, when checking out on the Edwards AFB's iSportsman website for each day of fishing. If the website is not accessible, the angler may complete an Edwards AFB Fish Survey Form 6015. The completed Form 6015 can be turned into the 412 CEG/CEV via email (**412ceg.ceva.naturalresources@us.af.mil**) or through the postal service (120 N. Rosamond Blvd, Suite A, Edwards AFB, CA 93524). Copies of the survey Form 6015 may be obtained on the Edwards AFB's iSportsman website. Completion of the online questionnaire/Survey Form 6015 are necessary for monitoring recreation use and ensuring proper stocking rates. Failure to complete the online questionnaire or survey form as required by this instruction may result in the revocation of an individual's fishing privileges.

EDWARDS AFB DUCK BLIND RESERVATION DRAWING

A2.1. To be eligible to draw or be selected as a blind partner, Base hunters must have a current Edwards AFB hunting permit at the time of the drawing. To be eligible to draw or be selected as a blind partner, hunters must also have, and show upon request, a current State hunting license and federal and state duck stamp to drawing officials.

A2.2. Hunting permit holders must be 18 years of age to participate in the blind drawing or be selected as a blind partner.

A2.3. Duck blinds will be reserved for one hunting season or partial season as specified prior to the time of the drawing. Drawings will be held each year for all designated active blinds.

A2.4. When on-Base hunting facilities are limited, priorities for use will be drawn. For the purposes of this instruction, and this instruction only, duck blinds are considered to be an on- base facility. In general summary, these priorities are:

A2.4.1. Priority 1 – Active duty assigned to Edwards AFB who have contributed sufficient volunteer time (see section A2.4.8)

A2.4.2. Priority 2 – 100% disabled veterans, Medal of Honor recipients, and their dependents.

A2.4.3. Priority 3 – Active duty assigned to Edwards AFB and their dependents.

A2.4.4. Priority 4 – Persons who have contributed sufficient volunteer time to receive a bump to Priority 4 (see section A2.4.8).

A2.4.5. Priority 5 – Active duty assigned to another military installation, military retired, members of Reserve components while on orders at the time of the drawing, and their dependents.

A2.4.6. Priority 6 – Military personnel of foreign nations who are authorized exchange privileges, unmarried spouses of military personnel who died while on active duty or while in a retired status, and their dependents.

A2.4.7. Priority 7 – Others who are authorized by the 412th Test Wing Commander (those authorized by this instruction to purchase an Edwards AFB hunting permit).

A2.4.8. Priority Bump – Persons who perform authorized volunteer work in support of the wildlife conservation program at the Piute Ponds Complex, and have performed this volunteer work prior to the duck blind drawing, will have their drawing priority increased (decreased numerically) by 1 level for every 10 hours, with a cap at Priority 4 for persons not meeting the requirements for Priority 1, Priority 2, or Priority 3.

A2.5. Prior to the duck blind draw anyone requiring a mobility impaired blind will make this known to the duck blind operators for the following procedures to apply.

A2.5.1. Mobility impaired hunters will draw with the rest of the hunters for a blind priority number to ensure they are eligible to obtain a duck blind. Upon winning the opportunity to choose a blind, mobility impaired hunters will be given the option of taking the designated mobility impaired blind location or participating in the general blind selection using their priority number previously drawn. If the mobility impaired hunter(s) choose to participate in the general blind selection, the option of using the designated mobility impaired blind location will be forfeited for the year, and the mobility impaired blind location will revert to the general blind category if all eligible mobility impaired hunters forfeit.

A2.6. To participate in the blind drawing. A person must complete required online trainings through iSportsman, have an access validation in their iSportsman profile, purchase an Edwards Air Force Base Hunting Permit, and obtain a Blind Drawing Entry Permit. Each blind partner is required to have a linked Blind Entry Permit to be eligible to be drawn together.

A2.7. Blind reservation holders must supply the 412 CEG/CEV with their full name and the best contact phone number and email address within their iSportsman account profile.

A2.8. The blind drawing will be run electronically through the Edwards AFB's iSportsman platform.

A2.9. The blind entry permits will be drawn in order of priority and randomly chosen within each priority level.

A2.10. Individuals who have their entry drawn and did not select an eligible partner while acquiring their entry permit, may have one selected for them by the drawing officials from the 412 CEG/CEV. If a partner is not available or assigned at the drawing, a partner may be assigned after the drawing up to 1 week prior to the hunting season.

A2.11. The 412 CEG/CEV will continue to draw additional permits after all available blinds have been selected. This will be accomplished to create a backup waiting list for use if a blind reservation is revoked due to reasons such as lack of timely payment, inadequate blind construction, or renovation.

A2.12. An individual may not enter for more than one blind reservation.

A2.13. A blind reservation may not be transferred without authorization from the 412 CEG/CEV and may not be sold except by the 412 CEG/CEV. After a blind is selected, an individual has 48 hours to reject purchase of the selected blind. Any rejection after 48 hours of selection or refusal to make payment by the given deadline will result in the ineligibility to enter the drawing the following season.

A2.14. Authorized duck blinds not sold at the drawing, if any, may be purchased from the. 412CEG/CEV through the Edwards AFB's iSportsman website at a later date after the 412CEG/CEV has confirmed eligibility as outlined in this instruction.

A2.15. Only one family member within a household may participate in the annual duck blind reservation drawing unless there is more than one active duty member in a household.

A2.16. Edwards AFB prohibits hunters from receiving or providing any financial or substantive gain of any kind for blind partnerships. If such actions occur, hunting licenses and blind reservations will be revoked for all parties involved.

A2.17. Falsifying eligibility or priority information or claims to personnel running the duck blind drawing will result in the revocation of permission to participate in the Edwards AFB Hunting program. First offense will result in loss of hunting privileges for a year. Second offense will result in the loss of hunting privileges for 5 years. Third offense will result in the permanent loss of hunting privileges on Edwards AFB.
